DISCOURAGED

Mr. Reuter Was Almost Helpless From Kidney Trouble, But Doan's Made Him Well.

"I was in terrible shape from kidney trouble," says D. Reuter, North St., West Chicago, Ill. "I couldn't stoop because of the awful pains in my back and the steady, dull misery almost drove me frantic. I had to be helped out of bed mornings, the pains across my kidneys were so bad and nobody knows the agony I went through. I couldn't do anything and was almost helpless; it seemed I would never get well. At times everything in front of me grew dark and I couldn't see for several minutes. I perspired profusely and I was thirsty all the time. The urine passed far too often and burned like scalding water. The passages were scanty and I had no control over them.

"For two years I suffered, trying medicine after medicine without relief. I was just about discouraged and didn't think I would ever be able to work again. Hearing about Doan's Kidney Pills I used them and four boxes cured me. My kidneys became normal, my back got well and strong and all the other troubles disappeared."

MILLIONS Suffer from Acid-Stomach

Millions of people suffer year after year from ailments affecting practically every part of the body, never dreaming that their ill health can be traced directly to acid-stomach. Here is the reason: poor digestion means poor nourishment of the different organs and tissues of the body. The blood is impoverished—becomes weak, thin, sluggish. Ailments of many kinds spring from such conditions. Biliousness, rheumatism, indigestion, scintilla, general weakness, loss of power and energy, headache, dizziness, nervousness, mental depression—these are some serious ailments such as catarrh and cancer of the stomach, intestinal ulcers, etc., which often are traced directly to acid-stomach. Keep a sharp lookout for the first symptoms of acid-stomach—indigestion, heartburn, belching, food repeating, that awful painful bloating after eating, and acute stomach. EATONIC, the wonderful modern remedy for acid-stomach, is guaranteed to bring quick relief from these stomach troubles. Thousands say they never dreamed that anything could bring such speedy relief—and make them feel so much better in every way. Try EATONIC and you, too, will be just as enthusiastic in its praise. Make your life worth living—no more of pain—no more of misery—no more of that tired, listless feeling. The well and strong get back their physical and mental punch; your vim, vigor and vitality. You will always be weak and ailing as long as you have acid-stomach. So get rid of it now. Take EATONIC Tablets—they taste good—you eat them like a bit of candy. KNOW SOMETHING ABOUT IT WAR HAD WROUGHT CHANGE

Englishman Need Not Have Been Surprised at Acquaintance's Knowledge of "Jim Blinso."

In his book, "Winnowed Memories," Sir Evelyn Wood relates how he once met a quiet American gentleman in England, and they began to talk of American poetry. Sir Evelyn mentioned the well-known poem "Jim Blinso," which he highly eulogized.

"My enthusiastic praise of the poem excited, I thought, an appreciative purr in my companion, but he remarked quietly:

"'Jim was a fine fellow.'

"'I said, 'Or the author made him so?'

"'Oh, but he was.'

"'Why, was he real?'

"'Yes, I knew him well.'

"'But don't you think that the poet embellished Jim's act?'

"'No, I am sure he did not.'

"'Well, but how can you be sure?'

"'And he replied quickly, 'I wrote it.'

The gentleman to whom Sir Evelyn was speaking proved to be Col. John Hay, author of the "Pike County Ballads," who was then the United States ambassador in London.

Helpfulness which is not permeated with sympathy is likely to leave a good many bruises.

Doughboy Found It Hard to Realize the Difference Two Years of War Had Made.

A new story of the Red Cross bag comes from Harvey D. Gibson, former Red Cross commissioner for Europe and president of the Liberty National bank of New York. He got the story from one of the workers in a hospital hut in Dijon. Everybody who has ever seen a wounded soldier knows the bag of starchy cretonne with the little Red Cross in the corner, in which each boy keeps the bit of shrapnel the doctor dug out of his knee, the last letter from home, the picture of his girl, his toothbrush and all his most cherished possessions. One of the boys in the Dijon hospital had just been presented with his bag, a pink-and-white one. He accepted it gracefully, then he began to laugh. "Say," he declared, "if someone had told me two years ago that I'd be agoin' to war with a wrist watch on one wrist and a bracelet"—he held out his identification disk—"on the other and a cretonne bag in my hand! Say, I'd have pasted him one!"

"De tiredest business man I ever saw," said Uncle Eben, "is one dat tried to go to de races, play golf an' take in a music show, all in de same day."
