

THIRTY-FIVE YEARS AGO

Paragraphs of News Taken from the Files of the Reporter of 1884.

March 25, 1885.

Our Evangelical friends contemplate erecting a parsonage in this place, on the lot on which their church stands.

Robert P. Barnes, of Pleasant Gap, has the mail contract from Coburn, Centre county, to Lock Haven, Clinton county.

We hear many farmers say their potatoes were frozen in cellar. James Durst had 100 bushels in his cellar, and every one frozen.

Rev. Sarvis preached an excellent farewell sermon in the M. E. church, on Sabbath evening. Mr. Sarvis leaves here with the respect of all our people.

The new Lutheran church at Madisonburg will be dedicated on Sunday, April 19, 1885. Rev. Dr. Conrad, of Philadelphia, will perform the dedicatory services.

One of the oldest buildings in this place, which used to be Peimleg hotel stand, is now on its move eastward, and will be landed on a new foundation two squares from its present site. This building is being removed to clear the lot for the new Lutheran church. Ex-Sheriff Spangler has purchased the old house which is one of the largest in town, and is having it put on his lot nearly opposite Jacob Arney's, and will fit it up for a double dwelling.

State Agricultural Notes.

The cheapest meat a farmer can use is the product of his own farm.

During the World War, American exports of milk products increased considerably more than three fold.

Reports from Luzerne county say sprayed potatoes are showing an increase in the yield of 50 bushels per acre.

Word comes from Somerset county that more farmers will buy potato sprayers next year due to the great loss from blight this year.

To help prevent rot of peaches and plums next year, remove all the mummies from the ground and the trees and destroy them by burning.

The Bureau of Plant Industry, Pennsylvania Department of Agriculture, has compiled a bulletin on the Angoumois grain moth. If interested, write for a copy.

Best Motor Oils

CORRECT lubricants are the most economical—sometimes in the beginning—always in the end. The engine of your car is the propelling power. It is the most important single part. And it is highly probable that the oils you use exert a larger influence on your engine than any other feature.

Protection for Your Engine

Keep your car out of the repair shop by keeping the right oil in your engine.

The right oil need not be the most expensive. But it is oil that has been tested. It has been proved by its action on many cars in many kinds of service. That is the kind of oil we sell. You can make no mistake in filling up here always.

Prompt Service—Certain Satisfaction

Now Prepared to Recharge Your Storage Battery

We have quite recently installed apparatus for re-charging batteries. When your storage battery weakens bring it to us and have it re-charged by the latest and most approved method. 6-volt battery re-charged for \$1.00.
