Then He Vanished. Gwendoline, the eighteen-year-old daughter of the family, had received a splendid present from her young man, an engagement ring set with diamonds and rubies.

Whereupon Gwendoline's horrid little brother edged towards the door and remarked loudly: "Oh, that's not half so funny as getting rings from mugs, is it, Gwen?"

ROMANTIC HOUR IN DESERT

Dawn the Only Time When Sordidness of the Country is Hidden From the Eye.

One day before sunrise we set out from Rabat for the ruins of Roman Votabills.

Our road led along the high road from Rabat to the modern port of Kenitra, near the ruins of the Phoenician colony of Mehedia.

Range after range these translucent hills rose before us; all around the hillside was complete. Village life, and even tent life, naturally gathers about a river bank or spring; and the waste we were crossing was of waterless sand bound together by a loose desert growth.

Unlucky Whale. Loose mines bobbing in the water hinted at the perils that were constantly threatening our forces.

A metal lighter than any yet known, and as strong as or stronger than steel, has for years been the dream of many, and every now and then rumors are circulated to the effect that at last it has been discovered.

Important to all Women Readers of this Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

You may suffer pain in the back, headache and loss of ambition.

But hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions.

No girl cares to have a man admit that she is the only girl he ever loved platonically.

Air castles of a bachelor are usually constructed of smoke.

Small wonder that the bachelor girl rather resents the outlook of the young man of today. She doesn't like his bargain-counter attitude, although she errs in the same way.

BILIOUSNESS Caused by Acid-Stomach

MEN'S SILLY IDEA

Too Many Think Themselves "Matrimonial Bargains."

Notion That Spinsters Are Lying in Wait to Snatch Them Is Laughed At By Writer in London Periodical.

"You take care, old bean; there are three daughters, and a fellow has to be jolly careful when mothers are about."

He was a very young man, and his position in life nothing to crow about. But he'd put himself on the bargain counter of life ever since he read that there were seven women to every man, remarks a writer in London Answers.

A good many men have grown inflated about their own value since all the talk of surplus spinsters, and some of them go about with their hearts in armor plating, fearful lest some designing spinster may "catch them."

And the poor spinster looks on and laughs. She isn't in nearly so great a hurry to wed as Mr. Young Man thinks and she's really rather particular about the bargains she picks up, knowing full well that not all things so labeled turn out to be genuine bargains.

Occasionally when a man attempts to stand on his dignity some one spoils it by sitting on it.

Let's have a little less of the bargain counter, Mr. Young Man and Miss Bachelor Girl. The great rule of "give and take" still holds for happiness and there's finer pleasure in giving than in taking.

Strange Pledges. A little while back an airman, who evidently found himself in temporary difficulties, paid a visit to the Mont de Piete, as the state-owned pawnbroking establishment is called in France, and offered a new monoplane in pledge.
