

# McCormick, — Deering, — International, — P&O

The Most Reliable Harvesting and Haying Machines

The Most Efficient Tractors and Power Machines

The Most Popular Plows and Tillage Implements

You know these trade names. Your father and grandfather knew three of them. They knew in their time, and you know today that these names stand for the highest quality farm machinery in the world. McCormick built the first practical reaper, Deering sold the first twine binder and was a good-time pioneer and William Parlin was one of the first steel plow pioneers. The lines of harvesting machines and plows started by these farm machine builders have been growing and developing ever since. Other machines have been invented and developed by the same manufacturers, and every new machine and implement has had built into it the years of manufacturing experience and farm knowledge accumulated by McCormick, Deering, Parlin and their successors. Now all these machines and implements have been merged into one line—the International Harvester. The reputation of every machine and implement in this line is the same.

## WE SELL THE INTERNATIONAL LINE

What does this mean to you as a farmer? It means first of all, that you can buy any farm machine or implement you may need, right here in this town, without taking chances on experiments or implements that might be "orphaned" one or two years after you buy them because of the manufacturer going out of business. You can always get repairs for any machine or implement in the International line because the Harvester Company will never go out of business. You are assured of reliable machines because every machine in the Harvester line is tried out and tested under actual farm conditions, before being offered for sale to the farmer. The Experimental Department of the Harvester Company is the most thorough and active institution of its kind.

It means second, that you can get repairs and re-

pair service on all of these machines through one concern. You don't have to go to the bother and inconvenience of trying to get repairs and service from a half a dozen or more different companies. You won't be taking chances on expensive delays waiting for repairs during the busy seasons because we are going to carry a big stock of repairs on hand and any repairs that we might not have we can get for you in a hurry by a phone call to the International Harvester branch house.

Tack this advertisement up in your machine shed so that whenever you need repairs for any of your International machines you will know where to go. Also you will know where to go when you are in the market for new machines or implements of real quality and the highest operating efficiency.

#### THE DEATH RECORD.

**ALLISON.**—Mrs. Clara Steele Allison, wife of Harry M. Allison, of Spring Mills, died on Wednesday night, January 21st, at her home in Spring Mills. Mrs. Allison's health had not been the best for a few years, and the death of her son Donald last year greatly impaired her condition. In November she went to Bellefonte for treatment and later to a hospital but was not benefited much. She returned home and for nine weeks was a patient sufferer until the end. She was a devout christian woman; was always found among those who seek to do good to their fellowmen. In childhood she united with Ev. church but about twenty years ago she joined the Presbyterian church and was always found among its worshippers. She will be sadly missed by her many friends. She leaves to mourn her loss, her husband, two sons, Eugene and Clair Allison, of Renovo; her aged father, of Axe Mann; one brother, Wm. Steele, of Axe Mann; two sisters, Mrs. Minnie White, of Axe Mann, and Mrs. Austin Johnson, of State College. Interment at the Presbyterian cemetery at Spring Mills on Saturday morning at ten o'clock.

**HARPSTER.**—After a lingering illness, which extended over a period of about nine months, John Shannon Harpster, one of the prominent citizens of Freeport, Ill., was called by death at 8:30 p. m., Wednesday, January 21st. Mr. Harpster had been ailing for many months and been in a Chicago hospital, where he underwent an operation, but there was no improvement. A malignant disease of the lung caused his death. John Shannon Harpster was born in Centre Hall, Oct. 31st, 1850, and was a son of the late Samuel and Sarah Harpster. He spent his early boyhood here. About thirty-five years ago he went west, going directly to Freeport, Illinois, where he since resided. He followed the occupation of a tailor. On June 24, 1896, he was united in marriage to Miss Jennie Neff, who survives, as do also two sons—James, of Chicago, and John S., at home. An only brother, William W., passed away about three years ago. Mr. Harpster was a member of the Freeport lodge of Elks and the Freeport Country club. Burial was made at Freeport.

**CYRUS BRUNGART**  
 JUSTICE OF THE PEACE  
 CENTRE HALL, PA.  
 Special attention given to collecting. Legal writings of all classes, including deeds, mortgage agreements, etc., marriage licenses and birth records secured, and all matters pertaining thereto also attended to promptly. Jan 21

#### DR. WILLIAMS TO SPEAK HERE.

The Fighting Parson of Chicago Will Appear in Grange Hall.

Dr. Elmer Lynn Williams, the Fighting Parson of Chicago, a well known local boy, will deliver one of his famous lectures, "Everybody's Business," on Friday evening, February 6th, in Grange Arcadia, in Centre Hall. A fuller announcement will appear in next week's issue.

#### February P. O. S. of A. Meeting.

Members of the local camp, P. O. S. of A. are hereby notified that at the next regular meeting, Thursday evening, February 5, important matters will come up before the body for discussion. It is desired that all members be present. —By the president.

#### Brick School House for Sale.

The Potter township school board offers for sale what is known as the Slack School house, in Potter township, a brick structure. Parties desiring to purchase the property may view the same and make bids to the undersigned. E. W. CRAWFORD, Secretary, Centre Hall, Pa. 0.7

#### Tri-Weekly Again a Weekly.

The Lewisburg Journal, published for nearly a year as a tri-weekly, has again gone back to the weekly class of Central Pennsylvania newspapers. This action was forced because of the high cost of paper.

#### Woman Struck by Auto.

Mrs. Robert T. Bantle, of Yeagerstown, was seriously injured last Thursday at midnight when she was hit by an automobile driven by Edward Toomey, of Lewistown, while he was driving in an easterly direction on West Market street near the jail. Mrs. Bantle received a severe scalp wound just above her right ear and her right shoulder was severely hurt, although no bones were broken and there was no dislocation. In an unconscious condition she was carried into a nearby house where physicians rendered medical aid. She will recover.

#### THIRTY-FIVE YEARS AGO

Paragraphs of News Taken from the Files of the Reporter of 1885.

April 15, 1885.  
 John Bitner, of near Red Mill, had a severe paralytic stroke a short time ago. Mr. Bartholowew has started hands to work on his building for a store and dwelling at the railroad.

Work has begun on the extension of the Centre Hall water works, Mr. D. Geiss having started on his contract last week.

The Evangelical parsonage to be built in this place is under headway and stones for the walls are on the ground. The Reformed church has also wisely concluded to erect a parsonage at Centre Hall.

The building for the steam roller flouring mill at the station is up. It is three stories high and 52 feet in length, with basement, and makes quite an imposing appearance. The mechanical part of the building was done by Adam Thomas and is an excellent job. The structure is the heaviest frame hereabouts, the timber being the best that the mill of Wolf & Grove could furnish. The machinery will be placed in a few weeks.

Michael Shuey, an old citizen, of Harris township was buried on Tuesday, aged eighty-three years.

THURSDAY, FEBRUARY 19, at one o'clock, Mrs. Mary Rossman, at Tusseyville, will sell: Lot of personal property, including undertaking equipment.

**Banner Lye**

is easy to use

No other lye is so safe and convenient, or so economical—not a bit wasted. No other lye or soap cleans and disinfects so easily and thoroughly as Banner Lye. It is not old-style lye. Odorless and colorless; the greatest cleanser and disinfectant the world has ever known. Use it for cleaning your kitchen, cellar, sink, dairy, milk-pans and bottles, for softening water, and the labor of washing and cleaning will be cut in half.

**Makes pure soap**  
 and saves money besides. A can of Banner Lye, 5 1/2 pounds of kitchen grease, ten minutes' easy work (no boiling or large kettles), and you have 10 pounds of best hard soap or 20 gallons of soft soap.

**NOTICE**  
 The Entire Stock of Women's Coats and Suits Cut to One-Half
