Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. \$ MAKE YOUR DOLLAR BUY MORE \$

True, indeed, it is that the purchasing value of a Dollar has decreased so as to give you very little in return for one hundred cents. However, you have observed that that same Dollar will buy more of the same quality merchandise at one place than at another.

It is with no thought of boasting that we say we are selling first-class goods at prices which our friends say are considerable less than asked by most of our competitors. You, too, should know of these savings, and thus "make your dollar buy more."

New Goods Arriving Daily.

We cannot enumerate our many lines in this space. We simply ask you to call and we feel sure you will go away satisfied with your purchases.
