To Form a Center Conservation Asso.

A number of citizens of Centre county met at the residence of Major Theodore Davis Boal, on Saturday afternoon, at the suggestion of Dean R. L. Watts to take into consideration the continued waste of our local resources and the effect on the cost of living and our national prosperity as well as our national happiness. Upon invitation, Dr. Donaldson, Williamsport, a member of the State Game Commission, spoke of the absolute necessity of reforestation and fire prevention, especially in the mountain region of central Pennsylvania, if we would preserve the remnant of our hunting and fishing heritage and prevent the devastating floods of the lower portion of the state. We must lessen the pollution of streams, avoid forest fires, plant cut-over timber tracts and cooperate with the State Department of Forestry, Game and Fishing. These were a few of the activities pointed out. After a free discussion by all present, it was resolved to call a meeting of the citizens of the county generally to form a Centre Conservation Association and it was hoped that the idea would spread to every county of the state. A committee was appointed to carry out the plans for the meeting to be held at the Boal Machine Gun Camp, near Boalsburg, sometime in May or June. The committee consists of Prof. J. A. Ferguson, chairman, State College; Major Boal, Boalsburg; David Chambers, Sandy Ridge; Ward Gramley, Millheim; J. W. Mayes, Howard; George Meek, Bellefonte; and Ralph Smith, Sandy Ridge. Due notice of the date of the meeting will be given and it is hoped a large attendance of public-spirited citizens will be present. The war trophies at the Camp will be placed on exhibition in connection with the meeting.

Drawn for Jury Service.
The following Potter township citizens have been drawn for jury service at the May term of court, commencing Monday, May 17th.
Frank J. Bible, farmer.
W. Byron Garis, stone mason.

52¢
How would YOU like a raise like this?
FIRST NATIONAL BANK
Pay to the order of Rev. N.E. Pastor
Only Fifty Two Cents
52¢ Each Church Member

—and for 34 Years Work

THAT is the kind of increase in salary the minister has received. His living expenses have risen just as fast and as far as yours.
But he is paid on the average just 52 cents more per church member than he was paid 34 years ago.
The Minister Never Fails You

Every officer of the Government with a war message to deliver appealed to the ministers first of all.
But 80% of the ministers receive less income than government economists figure as a minimum for the support of an average family.
When hospitals need money they enlist the support of the ministers—and receive it.
But when sickness visits the minister or the members of his family they must be treated in a charity ward. His pay is less than a day laborer's.
8 out of every 10 ministers receive less than \$20 a week—about half the pay of a mechanic.

We Pay Him Half the Wages of a Mechanic
And of these pitifully inadequate salaries, how much do you contribute? Nothing if you are outside the church; an average of less than 3c a day if you are a church member.
All of us share in the benefits of Christian ministers to the community. They marry us; bury us; baptize our children; visit us when we are sick. In their hands is the spiritual training of the youth.
We Are All Profiteers at Their Expense
Part of the Interchurch World program is this—a living wage for every minister of Jesus Christ; an efficient plant, and a chance to do a big man's job.
If you want better preachers, help to pay the preachers better. It's the best investment for your community—and for your children—that you can ever make.

INTERCHURCH WORLD MOVEMENT
45 WEST 18th STREET, NEW YORK CITY
The publication of this advertisement is made possible through the co-operation of 30 denominations.

BOALSBURG.
