

THIRTY-FIVE YEARS AGO

Paragraphs of News Taken from the Files of the Reporter of 1885.

August 5, 1885

Almost every day a carload of lumber is shipped to Centre Hall for building purposes.

The huckleberry crop on Egg Hill was destroyed by fire on that mountain last Friday night.

On Tuesday last the bricklayers from Selinsgrove arrived, and commenced the next day on the brick work of the Lutheran church.

The telephone line to Spring Mills is completed, and is quite a convenience as well as novelty to the people.

J. E. Campbell, farmer at Earlstown, lost six fine hogs one day last week. The intense heat was the cause of the pigs dying, no doubt. They had been turned into a grain field and dropped over after having been in the field the greater part of the day.

Lawyer John F. Potter, of Bellefonte, while assisting in the harvest field a few days ago, got his hand into a cog wheel of a grain binder, with the result that three fingers on his right hand were badly used up.

From here he went to Detroit, Michigan, and took an Electrical and Mechanical Course in an auto school. He will prove to you what he can do if you give him some of the work on your car.
