THE FLAVOR LASTS

SCRAPS of HUMOR

COULDN'T BE HAPPY.

"Your wife says she is entirely happy," said the spiritualistic medium.
"I don't see how that can be," replied the man.
"She is in heaven," replied the medium. "There she would naturally be happy."
"I don't think so," replied the man stubbornly. "I don't see how she could ever be entirely happy without me being around to find fault with."

Before Starting Work.
"Well, come down to the shop tomorrow morning and I will put you to work."
"To-morrow? I couldn't possibly come until the day after."
"Why?"
"Why, tomorrow I must take part in the great demonstration of protest of the unemployed."—Life.

IN DANGER.

"Do you believe that kissing transmits microbes?"
"No, but if my fiancée doesn't quit fondling that dog I expect to get feebly."

Manner of Expression.
The diplomat plays tit for tat. Emotion he conceals. The more polite he seems to write The angrier he feels.

The Formalities.
"Obscurity has some slight advantages."
"For instance?"
"So long as a man remains inconspicuous he doesn't have to bother about composing a letter of resignation. He can simply quit and look for another job."

For Art's Sake.
"Ah, this is a Rembrandt, Helen!"
"Isn't it wonderful! What is that one?"
"That is a Rubens!"
"How perfectly marvelous! Were they both painted by the same man?"—Cartoons.

A Handicap Race.
The Sire—You loaf too much. If you hustle prosperity will be sure to follow.
The Son—But I don't want prosperity trailin' after me all the time. I'm givin' it a chance to catch up.

A Movie Star.
"Register indignation."
"I can't."
"Your salary is reduced a thousand a week. Now can you register indignation?"

THE TOLLER.

She—Does a farmer have to work hard?
He—Yes. But not as hard as the average person who has to buy what us farmers raise.

Something He Didn't Have.
He is a millionaire and yet Today I can recall with glee, He wished to light a cigarette And had to beg a match from me

Abrasive Knee-Work.
Hewitt—He wouldn't rent you the flat, eh?
Jewett—No; he said that I was so bowlegged that I would be continually rubbing the paper off the walls.

Going Her One Better.
"Jack Gribble has invited me to take a ride in his airplane," said Miss Blobs, gaily.
"Indeed?" replied Miss Blibbs, in her coldest manner. "I have been invited to cruise with a party of friends for 30 days in a dirigible."

Letting Him Down Easy.
"Bill is lazy, isn't he?"
"Well, I wouldn't say that exactly. He just seems to have the impression that work is patented and he'd get into trouble if he used it."

URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a Glass of Salts if Your Back Hurts or Bladder Bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.—Adv.

Prayed for Cure Finds it After 10 Years
Food Would Sour and Boil
—Teeth Like Chalk

Mr. Herbert M. Gessner writes from his home in Berlin, N. H.:
"I had stomach trouble over ten years; kept getting worse. I tried everything for relief but it came back worse than ever. Last fall I got awfully bad; could only eat light loaf bread and tea. In January I got so bad that what I would eat would sour and boil; my teeth would be like chalk. I suffered terribly. I prayed every day for something to cure me. One day I read about EATONIC and told my wife to get me a box at the drug store as I was going to work at 4 p. m. I took one-third of it and began to feel relief; when it was three-fourths gone, I felt fine and when it was used up I had no pains. Wife got me another box but I have felt the pain but twice. I used five tablets out of the new box and I have no more stomach trouble. Now I write to tell you how thankful I am that I heard of EATONIC. I feel like a new man; I eat what I like, drink plenty of water, and it never hurts me at all."

How They Work It.
Jud Tunklus says a few people seem able to have a pretty easy time in life simply by getting the reputation of being hard to please.

LIFT OFF CORNS!

Drop Freezone on a touchy corn, then lift that corn off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic! No humbug! A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.
