Buy your garden and grass seed only from reliable dealers. Inferior seed may often be purchased at reduced prices but these grades of seed prove much more costly in the end.

The Bureau of Plant Industry, Pennsylvania Department of Agriculture, suggests the use of gasoline, kerosene or the lighter petroleum oils for killing bedbugs. Bichloride of mercury dissolved, one ounce in a pint of denatured or medicated alcohol is also good. Inject the solution into the cracks of the infested bed with a squirt gun or a small feather.

### Barned Burned Near Aaronsburg.

The large barn on the Jacob Meyer farm, about two miles below Aaronsburg, was completely destroyed by fire, shortly after the noon hour, on Tuesday. Charles D. Frazier, formerly of Potter township, is the tenant. He was away from home at the time and children were playing in the barn, when suddenly one appeared at the house and exclaimed that the barn was afire. Some of the stock was removed with difficulty, but seven head of young cattle and a two-year old colt perished. A lot of implements were also consumed. Both Mr. Frazier and Mr. Meyer carried insurance but their loss nevertheless is quite heavy.

The boy would have been four years of age on the 19th of this month. About a year ago he suffered a severe attack of the flu, which started a series of afflictions that excited the sympathies of all who came in contact with the dear little boy.

### WITH CHARITY FOR ALL AND MALICE TOWARD NONE.

As politics is as honorable as any other business—when properly conducted—and as there never can be anything lost by taking the public into your confidence and showing the people your hand, the following correspondence between Republican County Chairman, David Chambers, and one of the Republican Candidates for the Legislature, is respectfully submitted to the voters of Centre County:—

Hon. Ives L. Harvey, Bellefonte, Penna.

April 13, 1920.

Dear Sir:—

The statement having appeared in the public press that a candidate for Legislature in Centre County may enter the field in opposition to the nominee of the Republican party at the forthcoming primaries, I am addressing a letter of inquiry to all candidates for the Republican nomination to ascertain if it is their intention to abide by the decision of the Republican voters at the primary election to be held May 18th, 1920.

Kindly mail me your reply to the foregoing inquiry at your earliest convenience.

Respectfully,  
(Signed) DAVID CHAMBERS  
Chairman Republican County Committee

Mr. Chambers, Chairman,  
Republican County Committee,  
Clarence, Penna.

My dear Mr. Chambers:—

Your letter of April 13th inst. received and I want to thank you for giving me an opportunity to refute and forever set at rest the false rumors circulated by self-interested individuals impeaching my loyalty to the Republican Party to whose principles I have always tried to be a faithful adherent; and as such, I could not honorably go into a contest for the nomination for the Assembly and in the event of defeat turn against the party by accepting the nomination of any other party than the one I have striven to obtain.

As I have nothing to conceal either as to my political affiliations or as to my record as the Representative of the people of Centre County in the last session of the Pennsylvania Legislature, I would kindly ask your permission to make this correspondence public to the end that all may fully and finally understand the situation as it presents itself.

Most Cordially yours,

**IVES L. HARVEY.**
