

THIRTY-FIVE YEARS AGO

Paragraphs of News Taken from the Files of the Reporter of 1885.

August 26, 1885.

The corn crop will be a good one in this county.

Centre Hall and the station will soon be able to shake hands.

Yony Deiningor now has his new planning mill under roof and has broken ground for a n w dwelling on an adjoining lot.

Last week the Tusseyville band which played at a festival near that place, could be heard quite distinctly at Centre Hall, a distance of nearly five miles.

Judge Furst on Monday fined a fellow \$2 for smoking in the court room. Right.

Among the many improvements needed in Centre Hall is a town hall, as a town of this size often has occasion to make use of one. As it is we are compelled to use our churches and school house for that purpose.

Apples will be plenty this year; every orchard in the valley is loaded down with fruit.

Landlord Musser, of Millheim, is again suffering from a bealing caused by a bullet which lodged in his shoulder eighteen years ago from an accidental discharge of a rifle. He expects to have an operation performed and have the ball extracted.

Aaronsburg was laid out in 1786 by a Jew named Aaron Levy, and for a long time it was nicknamed "Jews town." In 1886 it will be 100 years ago. It is the oldest town in the valley, Millheim being two years younger, having been laid out by Philip Gunkle in 1788.

Wins \$25 for Suggesting "The Philips" Hotel.

Mrs. Margaret L. Robinson of Bellefonte is the lucky winner of the \$25 prize offered by the Philipsburg Hotel Corporation to the person who first suggested the most appropriate name for the new hotel.

Mrs. Robinson sent in the name "The Philips," on Dec. 20th, 1919, at 7 p. m., just a day before Charles G. Avery sent in exactly the same suggestion.

The Board of Directors at the meeting Wednesday afternoon, May 5th, determined that Mrs. Robinson was the winner. Others had sent the same name, or nearly the same. Altogether there were about 2000 suggestions. The board some time ago chose "The Philips" from the number, and at the meeting had to decide who had been first to offer it.

GORKY CONDEMNNS BOLSHEVIK RULE

Finds Leaders Have "Experimented on Human Beings."

BAPTISTS RAISE A BARRIER.

Plan Educational Extension as One Remedy—Also Would Draw Families Closer Together.

Revelation of the failure of the Bolshevik movement to produce the power to lift up the downtrodden of Russia is made by no less a Russian than Maxim Gorky. In an article published at Helsinki, Finland, Gorky is quoted as saying:

The revolution has not been followed by any spiritual revival, and has proved itself unable to make men more honest. Men now in power are just as brutal as those in authority under the imperial regime, and send as many men to prison.

Bolshevik leaders, driven by ambition, are performing experiments on human beings.

It is in the belief that Christianity is the greatest barrier that can be raised against the growth of such a spirit in the United States that the New World Movement of Northern Baptists has organized 10,000 churches to raise \$100,000,000 between April 25 and May 2.

Declaring for a "vigorous application of Christianity to problems of world unrest," the Northern Baptists are to extend educational work, spread their Americanization of the foreign born to a greater degree, work among Indian tribes and the negro race more than ever before, develop many more community centers in the cities, occupy vast areas that now have no church, and expand their work in the foreign fields.

While applying these measures, efforts are being made to knit the social fabric more closely by bringing the family closer together as a unit. In the churches this takes the form of organization of groups of several families in each group. The observance of "family Sunday" every few weeks is another factor in this movement. The need for such improvement of family life has awakened civic authorities, too, and several states have "home bureaus." That of Illinois, for instance, states its purpose "to develop every home into an institution which is economically sound, mechanically convenient, physically healthful, morally wholesome, mentally stimulating, socially responsible and a center of unselfish love."

And both church and civic leaders agree that with such a development, much is done to lessen the peril to the nation from radicalism.

BAPTIST CHAPEL CARS MAKE GOOD

Unique Method of Preaching Gospel Shows Excellent Results. More to Be Constructed.

As a part of the New World Movement of Northern Baptists, for which \$100,000,000 is to be raised in an intensive campaign from April 25 to May 2, several new chapel cars will be added to the seven which the denomination has already on the road.

These chapel cars are just what the name implies, regular railroad cars with a chapel on each one and living quarters for the missionary and his wife. They are switched about by the railroads, stopping in various towns where there is no Baptist church and frequently in smaller towns that are entirely churchless. Services are held in them, both at the stops and en route, and persons are reached who might otherwise have had no opportunity of hearing the gospel.

By their ministry 218 churches and 358 Sunday schools have been established, 179 meeting houses built, 272 pastors settled, 24,919 conversions reported, with 8,530 additions to the churches brought about otherwise than by baptism and 18,727 Scriptures distributed.

The Evangel, as one of the cars is called, in the 60 months that it has been on the road, reports 2,188 sermons preached, 3,993 families visited, 2,975 copies of the Scriptures distributed, 892 conversions, 596 baptisms, 490 additions to churches otherwise than by baptism, 5 church buildings erected and 19 pastors settled.

PLAN TO PAY SUNDAY SCHOOL TEACHERS NOW

Salaried Sunday School workers are favored by the New World Movement of Northern Baptists. In its campaign for \$100,000,000 between April 25 and May 2 the denomination plans to spend \$282,000 for 24 supervisors and organizers, 50 Bible workers in this country and 24 in Latin America, three specialists in Sunday school institutes, 12 specialists in young people's work, 10 state Sunday school directors and 50 highly trained Sunday school leaders. This is only the beginning of a change which, a special survey committee reports, is "bound to be a slow process."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. Coal That's All Coal Hourly-Tested Cement

We handle the choicest grades and you can count on our deliveries. Our coal comes from mines that have high reputations for careful grading, and our cement comes from the pioneer manufacturer whose product for a quarter of a century has represented the high-water mark of quality. It is

ALPHA THE GUARANTEED PORTLAND CEMENT

and ALPHA Cement is tested by chemists every hour, day and night throughout the process of manufacture. They make sure that the raw materials are of the proper grade, and mixed, burned and ground exactly right. The result is that ALPHA is always high in binding power.

We warrant every bag of ALPHA Cement invariably to meet standard specifications for fineness, tensile strength and binding-power. It makes concrete that grows harder and stronger with age. The people who buy ALPHA Cement once always come back for more.

Try our coal or cement the next time you order. If you are planning to build or make repairs, come in and get our valuable 60-page book, "ALPHA Cement—How to Use It." It tells how to mix concrete and how to make dozens of everlasting improvements on the farm or around the home.
