

LOCAL AND PERSONAL.

Mr. Gentzell, of Spring Mills, visited A. C. Ripka, a life-long friend, on Friday.

A daughter was born to Mr. and Mrs. Rush Dippery, at Colyer, one day last week.

Rev. and Mrs. Roy Corman, of Cresona, are visiting the latter's parents in Centre Hall.

J. Madison Moyer drove over from Lewistown on Tuesday in his new Ford touring car.

Miss Hope Strunk, of State College, was the guest of Mr. and Mrs. Roy Dutrow, over Sunday.

Festival in Grange hall, Saturday evening, May 29, by I. O. O. F. Various refreshments, cake walks, etc.

Dr. H. S. Braucht, of Spring Mills, favored this office with a short but pleasant call on Tuesday afternoon.

William Garis, who is employed at Luxor, near Pittsburgh, is spending a week at his home in Centre Hall.

Mrs. Sheridan Garis came home from Altoona to attend the funeral of her mother, the late Mrs. Calvin Harshbarger, of Potters Mills.

Rev. R. E. Kurtz, of Summit Hill, has accepted a call to the Rebersburg Reformed church and will begin his labor on the first of July.

An addition is being built to the house purchased by Samuel Durst, in Centre Hall, which will provide a dining room downstairs, and a bedroom and bathroom upstairs.

Members of the Red Cross are urgently requested to take part in the Memorial Day parade. The parade will start promptly at six o'clock from the Reformed church.—Chairman.

Charley Stump, who left Centre Hall for Virginia beginning of the year, gave up the idea of raising tobacco in the south and came back to Centre Hall last Friday. He will work around by the day.

John B. Frankenberger and wife are now in charge of the Frankenberger farm, east of Centre Hall, since the removal of the former's parents, Mr. and Mrs. H. B. Frankenberger, to Spring Mills.

Misses Gladys Meyer and Bertha Henderson, teachers in the public schools at State College, were guests of Miss Lola Ulrich, at the Miss Mary Fisher home, in this place, from Saturday until Monday.

Mr. and Mrs. W. E. Lee were in town on Saturday. Mr. Lee is conducting a farm of fifty acres, just east of Burnham, for his brother-in-law, Charles C. Duck. He has eighteen acres of oats growing and also some of the corn crop planted.

A big grey horse, being driven with three others in a harrow by Bruce Arney, on the Arney farm, last Thursday, took ill with indigestion and fell to the ground. He was removed to the barn with difficulty, and a veterinary summoned. The horse recovered.

Roy Dutrow, who is taking treatment from an osteopath, was in Lewistown on Sunday to consult with a specialist to ascertain whether the treatment he is receiving is the best to be had. The specialist and the Bellefonte osteopath agree, and as a consequence the treatment will be continued.

Philip A. Auman, of Georges Valley, was a business caller at this office on Saturday. Mr. Auman, it will be remembered, suffered a broken right arm, about a year ago, by being struck by a falling tree in the woods, and while the break has mended, the arm has none of its former strength and is a great handicap to him in working.

The degree team of the Millheim lodge I. O. O. F., visited the Spring Mills lodge, last Friday evening, and conferred the second degree on a class of eight candidates in a very acceptable manner. The lodge hall was crowded, more than one hundred and fifty being present, including some members from Centre Hall. Refreshments—ice cream, cake, sandwiches and coffee, were served.

A mock Republican national convention will be staged by Penn State students, at State College, some day the latter part of this week. It is planned to present all the features of a regularly-conducted convention, with the exception that the "delegates" will be but half the number that will meet at Chicago. A lively time is expected. Lee Frazier will take a prominent part in the mock convention.

A seven pound baby girl was born to Mr. and Mrs. Fred Bohn at the home of the mother's parents, Mr. and Mrs. William Stover, just south of Centre Hall borough, on Thursday, last. The mother was formerly Stella Stover. The day following the birth the mother was seized with convulsions and was rushed to the Bellefonte hospital by Dr. H. H. Longwell. Her condition was critical for a time, but it is believed that she is now out of all danger.

Mr. and Mrs. J. Cloyd Brooks, on Wednesday, were scheduled to start on a trip through Ohio, where they will visit Mrs. Brooks' sisters at Barberton, and other points. From there they will go to Kentucky, where a brief time will be spent with Rev. and Mrs. W. C. Dunlap, at Louisville. Mrs. Dunlap, it will be recalled, before marriage was Miss May Rhone and the owner of Rhonemede which Mr. and Mrs. Brooks have so successfully farmed for a number of years.

LOCAL AND PERSONAL.

Rev. C. F. Catherman will be the Memorial Day speaker at Centre Hall. Miss Ruth Schreckengast and Miss Mabelle Sharer are attending the spring term at the Lock Haven Normal.

"The New America" is the subject Rev. Alexander Scott will preach on at the memorial exercises at Sprucetown. Mr. and Mrs. T. Walter Taylor, Mr. and Mrs. H. W. Gulach and two sons, Mr. and Mrs. Wm. R. Banks and son, Mr. and Mrs. Banker, son and daughter, of Huntingdon, spent Sunday at the home of Mr. and Mrs. Geo. M. Hall, at Linden Hall.

Having opened a shop in Centre Hall, I am now prepared to charge all makes of batteries for autos. Also have for sale the Phila. Diamond Grid battery, than which there is none better; guaranteed for 18 months to 2 years.—Clyde Smith, Centre Hall.

Supt. D. O. Eiters conducted a teacher's examination at Centre Hall on Wednesday. Classes have been small over the county where examinations have already been held, and the outlook for enough teachers to fill Centre county's rural schools for the coming term is not very bright.

The first ceremony incident to the meeting of the Knight Templars, in York, Tuesday and Wednesday of this week, was a sermon on Sunday evening by Rev. Robert O. Boyle, of Philadelphia, known locally. The leading number on the program is the induction of Thomas Rankin Patton into the office of grand commander.

Reports from upper Union county are that the region between Glen Iron and Pardee experienced a slight snow storm Friday. The report, which is confirmed by local railroad men, is that it snowed for a half an hour in that section, which is unusually cold. The snow flakes were fine and did not cover the ground to any great extent.

Charles Frankenberger, nineteen year old son of Mr. and Mrs. H. B. Frankenberger of Spring Mills, was operated on for appendicitis by Drs. Braucht and Reed, in the Bellefonte hospital, Tuesday morning. The young man had been employed by R. P. Campbell, at Penns Cave, when he was taken ill. The operation proved quite successful and it is expected that he will soon be able to resume work for Mr. Campbell.

Rev. F. W. Biddle, pastor of the First Methodist church at Renovo, had a narrow escape from death, or at least serious injury, last Thursday afternoon. In the morning Rev. Biddle left Renovo for Tyrone with the intention of taking an automobile, which he had stored at Tyrone, home. He left that place about 10 a. m. and went on his way until within about seven miles of Bellefonte when his car, making a complete revolution, was hurled over an embankment. When the car stopped he crawled out. His forehead was severely skinned, his left leg badly bruised, and his right hand sprained. He walked the short distance to Unionville and took a train for home. The car was left at a garage at Unionville to be repaired.

From California by Auto to Attend Wedding.

To travel across a continent in an automobile, a distance of 3600 miles, to attend a wedding, is the romantic feat accomplished by Mr. and Mrs. Israel Weisnitz of Los Angeles, Cal., who arrived in Lewistown on Saturday, after a four weeks' automobile trip. Just one month ago Mr. and Mrs. Weisnitz left their home in California, in a five passenger Oldsmobile, accompanied by two friends who went to Philadelphia in the car. The distance from Los Angeles to Lewistown is 3500 miles, but by detours the cross country tourists were compelled to travel an extra 100 miles.

Mr. and Mrs. Weisnitz made the long journey in their car, from coast to coast, to attend the wedding of Joseph Krentzman of Lewistown, and Miss Esther Sylvan of Altoona, which will occur in Altoona, June 15.

In giving a detailed account of their journey Mr. Weisnitz stated the following to a newspaper reporter:

We enjoyed our automobile trip from Los Angeles to Lewistown so much that we will return home in our Oldsmobile. We came here over the Santa Fe trail southern route and will return home over the Lincoln Highway northern route. Eastwardly, we crossed eleven states, California, Arizona, New Mexico, Colorado, Kansas, Missouri, Illinois, Indiana, Maryland, Delaware and Pennsylvania. On the 3600 mile trip we used 279 gallons of gasoline and 18 gallons of oil. We used an average of one gallon of gasoline per fourteen miles. We paid various prices for gasoline, varying from 22c to 42c per gallon. In Los Angeles we paid 22c for "gas" and in Arizona we paid 42c. The average price of gasoline used by us was 26c per gallon. The total cost of the gasoline consumed was \$85.85 while the total paid for oil on our trip was \$18.00.

We struck the worst road in the state of Missouri where the word "bad" does not half express the terrible condition of the roads.

Perry county farmers, aiding the reforestation movement, have planted 5000 pine and spruce trees this spring.

If you can't afford to buy it, don't buy it.

SPRING MILLS.

Mrs. Jack Mullinger spent a few days at Bellefonte and Pleasant Gap. Chas. Allison, of Renovo, paid a visit to his father, Harry Allison, on Sunday. They attended the funeral of Mr. Steele, of Axe Mann, father-in-law of Mr. Allison.

G. W. Wolfe and wife autoed to New Berlin and spent Sunday with Mr. Wolfe's brother, Dr. Wolfe. The community was shocked to learn of the death of Frank McClellan. He was a resident of this place for several years and was one of the first rural mail carriers. He was accommodating and won many friends by his obliging and cheerful manner, who sympathize with his bereaved family.

It is reported that Roy Gentzell has rented the Decker garage and will move there immediately.

USES TELEGRAPH TO PREACH GOSPEL

The "telegraph preacher" is the unique title which has been given to Ramon of Managua, San Salvador. Ramon won this title from his use of the telegraph wire to reach fellow operators. Converted some years ago by an American Baptist woman missionary, Ramon became a railroad worker. He is station agent at Managua. In the quiet hours of the night he sits down to his key and ticks off gospel messages and an appeal which makes other operators wonder. He has a record of many conversions through his unusual method. His wife, formerly owner of three "a. rinas," or saloons, sold these because of her conversion. Extension of work in El Salvador and other Central American countries is provided in the New World Movement of Northern Baptists, which, between April 25 and May 2, will raise \$100,000.00 to finance its missionary activities.

HAY FOR SALE.—Several tons loose hay, of good quality.—J. Roy Schaeffer, Centre Hill.

\$76,191,929 TO BE SPENT IN AMERICA

Northern Baptists Plan Huge Sum to Be Devoted to Schools and Colleges.

Although the Northern Baptists are planning practically to double the extent of their mission work in foreign fields during the next five years as a part of the New World Movement, more than three-quarters of the \$100,000,000 they purpose raising in a campaign from April 25 to May 2 will be spent on this side of the Atlantic.

The apportionment made shows \$76,191,929 to be spent in America, including \$30,010,000 for Baptist schools and colleges, and \$28,808,071 will be devoted to the foreign work of the denomination for the five-year period.

The amount allotted to both home and foreign work is far in excess of any previous expenditure of the denomination in a like period and the raising of the \$100,000,000 within a single week is regarded by the Northern Baptists as the greatest financial undertaking that they have ever entered upon. The \$100,000,000 budget includes only the general extension work of the denomination, generally classified as "benevolence," and does not include the budgets of the local churches. In 1918 the total estimated value of the church property of the churches included in the Northern Baptist Convention was \$114,817,300. The amount raised that year for church expenses and benevolence was \$17,351,524. Of this amount \$13,978,982 was for expenses and benevolence was \$17,351,524. It will be seen that the \$100,000,000 which the Baptists are to raise this spring for their five-year program of benevolence means that the largest previous annual contribution of the church for that purpose will be multiplied nearly six-fold.

How to Lower Your Meat Bills

Hints From the Department of Justice

HOUSEWIVES BUY LAMB AND MUTTON UNWISELY.

The Eat More Lamb campaign which is being conducted throughout the country at the present time before colleges, domestic science schools, women's clubs, various institutions, public schools, meat markets, etc., has brought before the general public the value of lamb as a food product, but especially has it demonstrated the value and economy of the cheaper cuts of lamb which have been neglected. It has been a contention of the retailer for years that a great part of the fore quarter—the neck, shoulder, shank and breast—must be sold at a loss or eventually reach the scrap or bone box.

Some retail butchers bone out these cheap fore-quarter cuts, put them through the meat grinder, season them and mold them up into lamb patties, putting a strip of bacon around each one, leave them in the cooler overnight and sell all of them next day at good prices. Many butchers could sell more than they can supply. The butcher has thus turned into an asset or profitmaker that portion which has heretofore been considered a loss.

Steaks and roasts can be had from the shoulder, lamb rolls from the neck, breast and shoulder, and neck slices are obtained by cutting the neck in sections crosswise, so that the meat has the appearance of chops and is a very inviting dish when used as a stew or potted lamb en casserole. The cheaper cuts of lamb are made from the breast, shoulder, shank and neck which combined are about 18 per cent of the lamb.

Lamb is a healthful food for all people. It is very nutritious, wholesome and palatable and in caloric value it is equal or superior to any other meat. The boned and rolled shoulder mentioned above is used for roasting purposes; it can also be cut to any desired weight or can be sliced into Saratoga chops.

United States government statistics tell us that each year the average housewife buys for every person in her household only about 5 pounds of lamb as compared with about 71 pounds of pork and 67 pounds of beef. If all American families used lamb one day a week it would mean more than 20 pounds of lamb annually per capita, or four times the present consumption.

More than that, the head of the family, who pays the bills, would no doubt

encourage purchasing the cheaper lamb cuts instead of merely a few chops at a time. A shoulder of lamb being smaller than the average beef joint and less expensive, should appeal especially to small families.

The marketing expeditions should be an education in economy. It usually pays to shop before you buy. It usually pays to do your marketing personally rather than telephone your order.

Lamb steaks and lamb chops take but a few moments to cook, but they are the most expensive cuts. As a lamb is not all chops and steaks, other and less expensive parts of the animal must be used and can be made into tasty dishes. Breast of lamb contains more meat than bone, yet it often sells for half the price of pork spareribs, and some retailers on account of a limited demand for the fore-quarter cuts find it necessary to convert these cheaper cuts into sausage in order to sell them at all.

Lamb is a somewhat reasonable meat, by far the greater part of live lambs reaching the market during the latter half of the year. In the spring around Easter time, lambs may be as high or higher than other meats. In the fall and early winter it is nearly always much cheaper.

The following average prices compiled by the National Wool Growers' association from representative retailers throughout the country show comparative levels of the different meats in the fall season as they occurred in the middle of October, 1919. These figures are not applicable now, except that they emphasize a typical relationship:

- Lamb—Leg, 37 cents; loin, 44 cents; shoulder, 27 cents; rib chops, 46½ cents.
- Sheep—Leg, 29 cents; loin, 28 cents; shoulder, 16½ cents; chops, 35 cents.
- Pork—Loin, 43 cents; fresh ham, 25 cents.
- Beef—Sirloin, 45 cents; porterhouse, 48 cents; tenderloin, 50 cents; round steak, 38 cents.

These prices were for the best-quality meats in all cases. Mutton Stew With Barley. Cut meat from neck or breast into small pieces. Put in kettle with water to cover. Use about 1½ cups of water to a pound of meat. Add onion, carrot, salt and pepper. For each pint liquid add 1-3 cup pearl barley. Simmer gently two or three hours.
