Republican Lullaby.

A New Yorker, named Charles C. Clarke, writes this lullaby for the coming campaign:

Backward, turn backward, O time in thy flight,
Sound the "hull dinner call" just for to-night!
It's the slogan on which our forefathers won,
But a Democrat filed it—the son of a gun!

IS THE PRESIDENCY FOR SALE?

Disclosures before the Senate investigating committee prove that the G. O. P. is still under the control of those "bosses" who adhere to the principle that it is "money that makes the mare go". No candidate for the Presidential nomination at the hands of the Chicago convention has come out of the investigation unscathed. The use of large campaign funds is confessed, varying from something under \$100,000 expended for those candidates who have gathered only a handful of delegates, to the admitted expenditure of more than a million and a half dollars to "influence" delegates for General Wood. Early in the fall of 1919 certain prominent Democrats warned the country of the Republican bosses' plan to buy the Presidency; that immense funds were being raised to control the election. Recent disclosures prove the warning to have been both timely and justified.

If such vast sums are being spent in the interest of furthering the claims of individuals in a party fight, what a flood of gold may the country expect to see released in an effort to sweep into the White House the abettor in this deluge of debauchery who survives the Chicago test.

All residents of Centre county interested in the conservation of forests, fish, woodlots, game, song and insectivorous birds, wild flowers, and in recreation and the teaching of conservation in our schools should attend the Conservation Picnic at Boalsburg, June 25. It is planned to form a temporary organization at this meeting. At a later date a permanent organization will be perfected.

The large collection of war relics made by Major Theodore Boal will be on exhibition.

THE DEATH RECORD.

Prof. W. A. Krise Answers Final Summons.

After a lingering illness extending over a period of four years, during all of which time he was an invalid, Prof. Krise passed into the great beyond at his home in Centre Hall, on Tuesday morning at eight o'clock.

William Andrews Krise was the only child of Samuel and Dorothy Paget Krise, and was born near Bellefonte on

Prof. Wm. A. Krise.

September 26, 1838, hence was in his eighty-second year. He was graduated from Jefferson College in the year 1860, and at the outbreak of the Civil War enlisted in the Marine corps, serving a short time. His education fitted him for teaching and it was this which he made his life work. About 1875 he came from Johnstown to Potter township and taught school in what is now Centre Hall borough. Later he removed to Gregg township and for about ten years taught school in that section. He was eminently successful as a school teacher. Religiously he was a Presbyterian and for a number of years was an elder in the church; politically he was a Democrat, and the only public office he ever held was that of county auditor for one term; paternally he was a member of Progress Grange and of Old Fort Lodge No. 537, Free and Accepted Masons, and was a past worshipful master.

His wife preceded him to the grave three years ago. She was formerly Miss Nannie E. Hunt, of Washington county, and a year or two prior to her death the couple celebrated their fiftieth wedding anniversary in Centre Hall. Surviving him are four children, namely, Warren S. Krise, of Johnstown; Mrs. W. S. Slick, of Centre Hall; Mrs. J. W. Brown, of Milroy, and Mrs. B. F. Reish, of Pottery Mills.

His funeral will be held Friday morning at 10:30 o'clock, at the house, and will be in charge of the Masonic order. Rev. R. R. Jones will assist, and interment will be made in the cemetery at Centre Hall.

DURNER.—Mrs. Katharine Durner, wife of Matthias Durner, died early on Sunday morning at her home near Oak Hall, after an illness of only a few days, although she had been gradually failing for some months. She was born in Germany, coming to this country as a bride, when only eighteen. Most of her married life was spent at the old home near Oak Hall. She was seventy-nine years old. Surviving are her husband, two sons, John, living in Boalsburg; George near Snyder town; and a daughter Mary living in Minnesota. She was a member of the Reformed church for many years and her pastor, Rev. Stover, conducted the funeral services on Wednesday morning from her home. Interment in the Boalsburg cemetery.

P. O. S. of A. News.

Last Thursday evening at a regular meeting of the local camp P. O. S. of A. No. 889, Lemont Camp conferred the full degree in a most creditable manner on a class of four: John W. Benner, Musser Coldron, Daniel Bloom and Paul Ishler. Three others were not at home to be present with the class.

Lemont, for a country camp, is to be commended for their interest and excellent work. Besides thirteen present from Lemont, Rev. Bingman, a member of Beavertown camp, was present and gave a short, timely and interesting comment on why men should support and interest themselves in the P. O. S. of A. and like institutions.

An abundance of refreshments were served at the close of the evening's good fellowship work, to which everybody seemed to do justice.

On account of Chautauqua the regular meeting for July 1st, has been postponed to July 8th. At this meeting the installing of next term will be done. All members and especially newly elected officers are requested to be present.

Woodward Camp will have a large initiation on June 26th.

Mine Sweeper No. 38.

This little boat was one of the fleet of 50 which cleared the North Sea of 55,000 mines.

The Fleet has just returned to this country and was given a big reception in New York City.

These boats would sometimes be out for as long as twenty-five days in the storms and seas for which the North Sea is noted. The work was declared impossible by other navies, but the United States went ahead and completed this work before the scheduled time.

The U. S. Navy once again did the impossible.
