The Wool Market.

At the present time there is no market for wool, says the Centre county farm agent. In talking the matter over with several men in the wool trade, we have come to the conclusion that the only thing for our farmers to do is to hold their wool for some little time.

Men who are posted on wool marketing are of the opinion that it may be some time before we obtain a market for these wools. However, we feel that it is absolutely essential for the wool growers not to try to dispose of their wools before there is a market. For there is nothing worse for an already dull market than a flood of products for which there is no demand. Pack your wool tightly in a wool sack and store it away in a dry place. In this way you get the least possible amount of shrink, you are sure your wool will keep in good condition and hence you do not need to care if the wool market does not open up for six months.

Men who are best qualified to express an opinion feel that this is just a temporary drop in the wool market and that the market will come back, but just when and how strong no one definitely can say.

The Centre County Sheep & Wool Grower's Association already has wool marketing agreements to the extent of over 8,000 lbs. of wool. If you wish to get the advantage of cooperative selling of the Centre County wools, send in your wool marketing agreement promptly.—Farm Agent.

We imagine that with a truck load of onions and three barrels of booze, there were some watering eyes as well as mouths in Bellefonte.

Mrs. Sarah Richardson and daughter, Miss Helen, of Akron, Ohio, expect to make a visit among friends and relatives in Penns Valley, next week.

Bruce Arney, who has been rather seriously ill for the past few weeks, suffering with inflammatory rheumatism, is making slow progress toward complete recovery.

The Reporter is in receipt of a card from Clearfield stating that Wm. J. Smith, of Centre Hall, underwent a very serious operation in the Clearfield hospital, on Monday, and that he is resting quite well.

FIND BOOZE UNDER TRUCKLOAD OF ONIONS.

State Policeman Makes Discovery When Driver Fails to Show License.—The Wet Goods in Custody of Sheriff Dukeman.

Three barrels of whiskey, very carefully concealed beneath a truck load of onions, were seized by a member of the State constabulary on Monday night at ten o'clock, on the State road east of Bellefonte.

Members of the State police force have been watching truck drivers to see whether they carry the necessary license, and when the auto truck in question was stopped the driver failed to produce his license papers and was ordered to run his truck to Bellefonte. There the suspiciously inclined scented something stronger than onions and made the startling discovery of three barrels of whiskey, smothered in onions! When questioned, the two men in charge of the truck said they were making the trip from Scranton to Phillipsburg. The truck and its contents were at once placed in Sheriff Dukeman's garage to await the coming of the United States marshal who will decide as to the disposition of the booze.

REBERSBURG.

Some of our farmers have begun to make hay. The crop will be an average one.

Geary Miller and wife, of Williamsport, were over Sunday visitors in this vicinity.

Mrs. George Brachbill left last Friday for Pittsburg where she will attend to some legal business and visit relatives.

Some of our carpenters who were employed in Lock Haven, have returned home. They report that carpenter work is getting scarce in that city.

Elias Bair recently bought the Dr. Bright home and moved into it at once from his farm at Smulton; his son Raymond is on the farm.

Mr. Ertel, who resides on a farm a short distance north of this place, is building a concrete block silo at his barn.

The Bierly carpenter crew are at present framing a large manure shed on the E. J. Bair farm formerly known as the Shultz farm.

The cherry crop in this section will be a scant one owing to the late frosts, but the apple, pear, plum and peach crop will be abundant ones.

Norman Doughty, who is a student in a theological school in Philadelphia, returned to his parents' home at this place one day last week a very sick boy. On Saturday he was taken to the Lock Haven hospital for treatment.

The following teachers were elected last week to teach the Rebersburg schools: primary, T. A. Auman; intermediate, Samuel Hubler; grammar, Harry Zeigler. No teacher has yet been elected to teach the High school.

Rumor has it that the Stover school house at the east end of this valley will be abandoned owing to their being only a few scholars in that district. The scholars will be transported to the Brumgart school house, two miles east of that place.

Prof. C. L. Gramley has been elected principal of the Aaronsburg High school. Mr. Gramley is an ex-county superintendent of schools and is a practical teacher and we dare say that the Haines township high school will prosper under Mr. Gramley's supervision.

The Millheim baseball team played the Rebersburg team on Saturday afternoon at this place. Our team did the Millheim team up in good shape; score stood 15-0 in favor of the Rebersburg team. The home team is made up of the best practiced ball players who have been very successful this season.

Season of High-Class Entertainments and Lectures Opened Wednesday.—3 Big Days Promised.

Mr. W. C. Anspach, superintendent for the Community Chautauqua which opens its three day program here today, arrived in Centre Hall Sunday afternoon registering at the Centre Hall hotel. He will be here throughout the week directing the Chautauqua.

This afternoon (Wednesday) the Ver-satilians, a trio of talented young ladies, will entertain with musical numbers and readings. Wednesday night at 8:00 they will render "A Little Bit of Music," after which Dr. Frederick Poole, who has spent the greater portion of his life in the orient, will give his exquisitely illustrated lecture on the far east, his subject being, "The March of the Yellow Millions." This is a very interesting and instructive lecture on the Chinese and Japanese questions and no one who can possibly attend can afford to miss this opportunity of hearing Dr. Poole.

Thursday afternoon the De Marco entertainers will have the platform, in a pleasing afternoon of Italian and American music. Miss De Marco, with her harp, and Mr. Aistrup with his violin are well known on the Chautauqua platform and the afternoon of the second day promises to be most enjoyable. Thursday night, after a musical prelude by the De Marcos, Brush the Great will mystify with his weird feats of magic. Brush is a great favorite and his evening of magic, mystery and mirth is anticipated by all.

On Friday afternoon, the National Male Quartette will appear in a recital of quartette music, vocal solos, cello solos and readings.

Friday evening after a musical prelude by the National Male Quartette, Dr. Geo. P. Bible will give his lecture "Fads and Extremes". Dr. Bible needs no introduction to a Centre Hall audience. He was raised at Centre Hall, and is well known to all, especially to the older members of the community. A most hearty welcome awaits Dr. Bible.

The three day program of the Community Chautauqua is well balanced, is clean wholesome entertainment, coupled with good, beneficial, instruction, and is well worth while. adv.
