**Boise Brown Sells Store.**

B. H. Brown, who a little over a year ago purchased the well-known Swartz store and dwelling house, at Tusseyville, this week sold out the business as well as the store building and home. The purchaser is Charles T. Ramer, of Milroy, whose wife is a daughter of C. S. Bodtorf, of near Tusseyville. He will take possession some time next month.

Mr. Brown's disposal of the store was made necessary because the amount of work connected with the business, in addition to his serving as postmaster, was more than he alone could do. Unable to secure any assistance and the volume of his business continually growing, placed him a position where the duties became too burdensome, and forced the step which he has reluctantly taken.

During his short term in business Mr. Brown established a reputation for fair and honest dealing which soon spread beyond the borders of his own township and resulted in his getting many new customers. Mr. Brown is undecided as to his plans for the future.
