THIRTY-FIVE YEARS AGO

Paragraphs of News Taken from the Files of the Reporter of 1885.

February 3, 1886.
It is rumored that John Odenkirk will close the Old Fort stand as a hotel, after April. This is one of the oldest hotel stands in the valley.
J. A. Grove and family, of near this place, will move to Kansas in the spring. He boasts of a big crop of wheat last year, having raised 548 bushels from 17 acres.
Feb. 10.—Centre Hall is still having an accession of newcomers.
About noon on Wednesday, the coach shop of J. T. Lee, on East Church street, was destroyed by fire. Mr. Lee lost a large amount of lumber, spokes, paint, etc. The building belonged to Jacob and John Arney and was worth about \$400.
Death ended the sufferings of Mrs. Harry Kreamer, of this place, on Sunday morning. She underwent an operation some weeks ago and seemed on a fair way to recovery. She was buried on Wednesday at Rebersburg, her native home.
A party of twenty-five or more will start from Centre Hall station for Kansas or Nebraska about the 15th of March. Any others who may desire to join the club can have full information from C. Dinges, Centre Hall.
Rev. J. H. Kerr will become pastor of the Centre Hall Presbyterian church which has been vacant for several years.

MILLHEIM.

(From The Journal)
Mr. and Mrs. Fred Miller, of Detroit, Mich.; Miss Grace Dunkle, Miss Madeline Walker and Mrs. S. M. Brown, all of Spring Mills, were entertained at the home of Miss Lizzie Keen on Tuesday.
Saturday forenoon while F. P. Weiser was delivering coal oil to his Main street customers the inch spigot attached to the barrel was jolted open and he drove from beyond the bridge to Kessler's store when a passerby called to him and informed him of the fact. Mr. Weiser estimates that he lost between eight and ten gallons of oil.
A surprise party was given at the home of Mr. and Mrs. F. S. Ulrich on Tuesday evening, it being the 18th birthday anniversary of their daughter, Miss Edwina. A number of young people were invited guests and a jolly time was spent. Miss Ulrich was the recipient of a number of useful presents. Refreshments were served.
On Tuesday forenoon when Lloyd Boob brought ice on a Ford truck to Leitzell's meat market the car collided with a tree in front of J. Spigelmyer's residence on South Penn street. The force of the collision sent Boob against the windshield, breaking both sections and making several nasty cuts on his face and arms. The car was badly damaged.
The Reporter had hoped to give a full account of the county W. C. T. U. convention held at Boalsburg last week, in this issue, but it is impossible to print the report until our next issue.
FOUND.—A woman's black felt hat, with white feather, on public road in Centre Hall; hat dropped from automobile. At Reporter office.

Farm Calendar.

Timely Reminders from The Pennsylvania State College

DIGGING BLIGHTED POTATOES
—It is not necessary to cut down the vines on potato patches that have been blighted. Spraying 8 to 10 days before digging is recommended. To prevent maximum rot the tubers should be dug under the driest possible conditions. Allow them to lay exposed in the trench until perfectly dry. If removed from field bearing any moisture, they should be stored temporarily on the bare floor, to a depth not exceeding one foot, and allowed to dry out thoroughly. Spores from blighted vines will multiply so long as moisture is present and cause rot. Prevent "sweating" in storage bins.

MACHINE CARE—Lubricate all wearing parts of the farm implements before storing for the winter. Spray pumps should be drained by opening the cock at the bottom of the plunger. Force cheap lubricating oil through the pipes. Bordeaux mixture, if left in the machine, will corrode its interior. An exterior coating of paint would be worth while.

TRAINING COLTS—Weaning time offers the best opportunity for teaching the colt to lead. They should be taught to become accustomed to handling, and permit trimming of feet. The feet should be trimmed regularly, so that the feet and legs will bear the proper relationship to the body in the mature horse.

DAIRY—Every farmer who can possibly attend the National Dairy Show at Chicago, October 7 to 16, should do so. The best and largest exhibit of dairy cattle in the United States will be shown.

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.
We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, etc.

FALL OPENING AT NIEMAN'S DEPARTMENT STORE

We are here to show you the most complete Line of Fall & Winter Clothing and Shoes

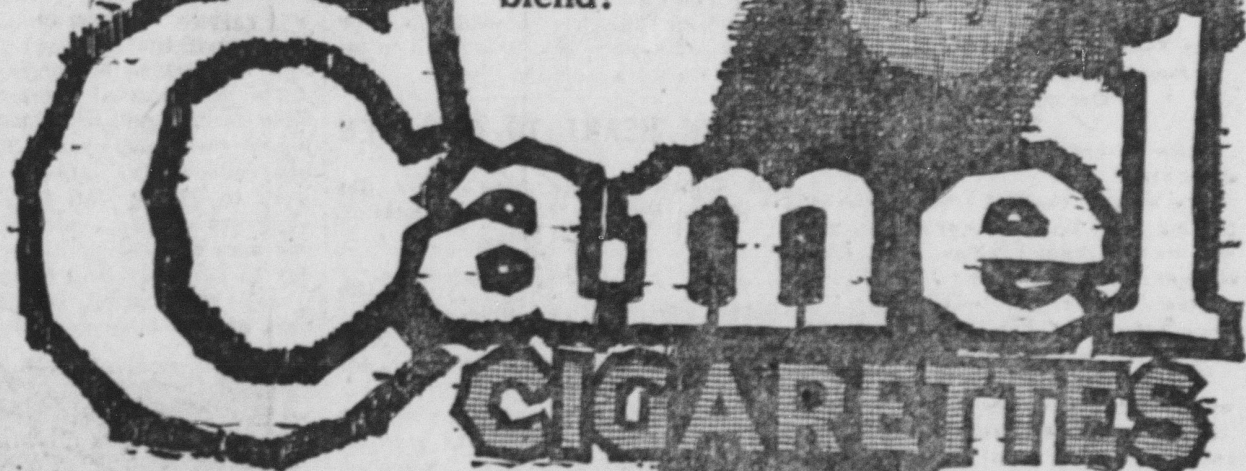

This merchandise was very carefully selected of the best manufacturers in the Eastern Markets. Its outstanding features are: **STYLE, QUALITY, WORKMANSHIP, AND LOW PRICES.**

A Word About Prices: There are so many people afraid to buy on account of high prices. Let us say that there are no war prices at our store; everything is coming back to normal. There are just two reasons why you should buy at our store,—First, we buy direct from the manufacturer and pay cash for our merchandise, thus saving you the jobbers profit; Second, our overhead expense is small and thus we can undersell our competitors. Pay us a visit and determine for yourself the truth of these statements.
