HEALTH SCHOOL

Pennsylvania State Department of Health.

ANSWERS TO HEALTH QUESTIONS

Question 1—How may persons be protected against small pox?
Answer—By vaccination.
Question 2—What evidence of vaccination of children must teachers have?
Answer—A certificate signed by a physician.
Question 3—Upon what authority may a child be excused from vaccination.
Answer—Upon presentation of a certificate, signed by the County Medical Director or some one deputized by him, (in Municipalities by the Medical Representative or the Health Authority) setting forth the fact that the child is physically unfitted for vaccination. Such certificate is good for one year.
The subject of the next lesson is "Sneezes". Coughing and sneezing, especially in street cars, motion picture houses and at public gatherings are often the cause of the spread of disease.

LINDEN HALL.

From last week.)
Miss Pearl Johnsonbaugh is spending a few days with her sister, Mrs. Krumrine.
Mr. and Mrs. George McClellan, of Lewistown, spent Sunday at the home of Robert McClellan.
Calvin Tressler, of Detroit, Michigan, is visiting his brother, John J. Tressler. He left this section thirty years ago, finally settling in Kansas, where he lived for a number of years. Then he moved to New Mexico where he owns a large ranch and where he expects to return after a few week's visit in Centre county.
Dr. Gerhart moved to Boalsburg this week, where he will occupy the Kidder house.
Mrs. Lewis Swartz and children are spending a few days at the J. H. Ross home.

BLOOD IS FUEL TO THE BODY.

Pumped Through the System by the Heart it Sustains the Muscles and Tissues

PEPTO-MANGAN HELPS BLOOD.

Keep the Quality of Your Blood at its Best--It Means Vigorous Health and Ability to Accomplish.

Blood acts like a fuel. Pumped through the body by the heart, it sustains the muscles and tissues. It renews them. It feeds the brain—the tissues of the eye and face. That is why people look so pale and lifeless when blood is impoverished. The body tissues are being supplied with weak fuel. The blood has not enough red corpuscles. You would not eat poor food with no nourishment in it; no more should you let the fuel that supplies sustenance to your entire body be inferior. Have good blood. Improve the quality and keep it at its best.

If you look pale and feel weak, if you have lost your enthusiasm and energy, if your blood is clogged with poisons, your system is being fed with a poor grade of blood. That is no way to go around. If you are not at your best, get at the source of the trouble right away. Put an end to half-living.

Take that ideal tonic, Pepto-Mangan, to tone up your blood and purify it. Get the full enjoyment out of living. Breathe fresh air, take exercise.

Be sure to ask for "Gude's" Pepto-Mangan". It comes in convenient tablet form and in liquid. One has the same medicinal value as the other. There is only one genuine Pepto-Mangan, and the name Gude's is on the package. Advertisement.

Next Wednesday evening, October 20, the Galbraith Brothers, in Grange hall. Don't miss hearing these excellent musicians.

The PHILCO RETAINER and a Two-Year Automobile Battery Guarantee

The Philco Retainer as it actually is
The Philco Retainer as it looks to the acid
The Philco Retainer as it looks to the active material

THE Two Year Guarantee on the Philadelphia Diamond Grid Battery with the Philco Retainer is a contract with the car owner which could not be entered into lightly. The Philco Slotted Rubber Retainer, judged by its results, is the greatest advance in battery construction since the Diamond Grid.

The Retainer holds the active material on the plates and at the same time permits the free circulation of acid and current, because of its slotted construction.

It is the active material which produces the current. As long as it stays in place the battery is workable. The Philco Retainer keeps this active material in place long after it would have dropped out in any other battery.

FALL OPENING AT NIEMAN'S DEPARTMENT STORE

We are here to show you the most complete Line of Fall & Winter Clothing and Shoes

This merchandise was very carefully selected of the best manufacturers in the Eastern Markets. Its outstanding features are: **STYLE, QUALITY, WORKMANSHIP, AND LOW PRICES.**

A Word About Prices: There are so many people afraid to buy on account of high prices. Let us say that there are no war prices at our store; everything is coming back to normal. There are just two reasons why you should buy at our store,—First, we buy direct from the manufacturer and pay cash for our merchandise, thus saving you the jobbers profit; Second, our overhead expense is small and thus we can undersell our competitors. Pay us a visit and determine for yourself the truth of these statements.

VALUABLE FARM AT PUBLIC SALE.

The undersigned will sell at public sale, on the premises, farm containing 140 acres—20 acres being timber and woodland, 25 acres seeded to permanent grass, and the remainder fertile, clean, highly productive limestone land.

Complete set of farm buildings, erected in 1910; a never-failing supply of good water, and a 12x32 tile silo.

Splendid location, 1 1/2 miles west of Spring Mills, at Pike school house, and new, modern buildings, makes this one of the most desirable homes in Penns Valley.

Terms liberal, to suit buyer.
L. F. Mayes, auct.
MRS. L. A. GOODHART.

PUBLIC SALE OF VALUABLE FARM.

There will be sold on the premises known as the Old George Odenkirk Farm, now the Benner Farm, situated in Potter Township, Centre County, about one-quarter mile South of Old Fort, on the East side of the State Road, on

SATURDAY, OCTOBER 30TH
10:30 A. M.

Farm containing one hundred and twenty five (125) acres, more or less.

9-room, red plastered, tile roofed house; bank barn, 45 x 62 feet, new roof; wagon shed, corn crib and all necessary outbuildings, all in good repair.

Fine young apple orchard of about forty (40) trees of select varieties in full bearing.

Plenty of all other fruit trees in bearing.

Never failing artesian well of pure water. Elevation suitable for reservoir and gravity water system to all buildings.

Large concrete cistern at the house with concrete platform and pump.

One hundred acres in highest state of cultivation. Acreage to North of buildings, limestone soil and acreage to the South of buildings flint land.

About twenty-five acres of excellent white, black and red oak trees in prime condition for saw timber. Soil absolutely free of stones. Entire farm can be worked by tractor, land practically level, no swamps and fields have never washed.

Terms to be announced at time of sale.

We Furnish Addressed Envelopes and Postage.

The Farmers National Bank
Millheim, Pa.

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, etc.
