**MILLHEIM.**

(From The Journal)

A baby boy was born to Mr. and Mrs. Robert Colyer, North street, on Wednesday of last week.

Apples are a drug on the market, and consequently many farmers of this section will not pick more of the fruit than they want for their own use. Several carloads have been shipped from the Coburn station.

S. W. Vonada, tenant on the J. J. Fiedler farm, near Woodward, last Friday bought the Henry Lingle home, southeast of Spring Mills. Thirty acres of farm and pasture land go with the home.

Robert F. Hunter, of Bellefonte, accompanied by a Mr. Wheelwright, enroute from Millheim to Bellefonte on Thursday night had a miraculous escape from injury and death. The bridge at the foot of the hill at Condotown, on the state highway, was torn out during the day. A detour through the stream was necessary and it is claimed lights had been placed at both approaches to the bridge, but when Mr. Hunter came along with his car the one light was not there and his car went into the stream direct in the roadway. The car dropped over five feet and was only slightly damaged and the occupants luckily escaped with minor hurts.

**Hope He's Correct.**

A well known weather prophet states that we will have unusual weather up until the middle of December. Of course it will not be as warm as it is at the present time, but he claims that it will not be at all normal for the season of the year. Time will tell.

**LOOK TO YOUR BLOOD**

**Pale Complexions, Languid Feelings, Lowered Vitality, Need More Red Blood. Take Pepto-Mangan.**

So many people spend week after week feeling down and out. They never stop to think that something really is the matter. They satisfy themselves by saying, "Oh, I'm not sick. I'll be all right tomorrow."

And tomorrow comes again and again. Still they feel depressed and languid, scarcely able to get around.

If you don't feel like yourself, you are not yourself. If you are weak and pale, your blood needs strengthening. You should know about Pepto-Mangan, that famous blood tonic. Physicians recommend it and prescribe it because it contains just the ingredients needed to make red blood. It renews your energy, puts you where you ought to be. Begin with it today. Get the tablets if they will be more convenient to take than the liquid. But be sure you get the genuine Pepto-Mangan. Ask for "Gude's" and be sure that the full name "Gude's Pepto-Mangan" is on the package. Advertisement.
