THE \$16 HOG

tempt to discourage people from as a football. eating meat three times a day.

The American people, as a class, have paid very little attention to the hog in recent years. They have been too busy protecting margins and learning how to adjust the needle-valve carburetor so that it would carb in sequence. When a business man received orders to bring up a small section of pig for dinner he did so without taking his checkbook out of the safe. When we look back and see how many lean pork chops one could buy for a quarter and then see how far it will reach in that direction today, we can see why so many people turn vegetarians over night.

The \$16 hog was caused by the European war, the same as the price of uncut diamonds and bronze shoes.

so with an air of pride and comment on the price per pound in an awed tone of voice.

Before the war a stout-legged, adult American hog could be bought almost anywhere for less money than it takes to start up in the grocery business. No Sunday dinner was considered complete without a nine-pound pork roast which could be strung along through the week with the utmost success. The recumbent form of the pickled pig's foot was seen both in mansion and cottage and produced the same kind of indigestion in each. Now, however, people who serve any kind of pig do so with an air of pride and comment on the price per pound in an awed tone of voice.

The \$16 hog has been a priceless blessing to the farmer, however, as it has enabled him to take nine fullgrown pigs and four runts to market. and return with enough money to choke a safety deposit box. Thousands of automobiles are being bought today with the proceeds of a few ago were as much of a drug on the market as the self-sprouting potato. We should not be envious, but when a business man who is pleased to be able to break even at the end of the year sees a farmer lead a few head

THE ROMANCE OF WORDS

"DOUGHBOY."

F all the names applied to the American soldier during the world war-"Yank," "Sammy," "Buddy" and the like-the only one which stood up under the strain was "doughboy."

Probably they didn't know it. but the reason that the men-of the A. E. F. accepted the term and answered to it without hesitation, is because doughboy is the oldest of slang words for American infantrymen, dating back to the days of the Revolution. At this time," following the custom of the British army, each man of the Colonial army was served with three or four cakes of bread a day-flour and water, usually underbaked. These cakes were known as "doughboys" and, before the end of the war, the men to whom they were served were called by the same name.

During the Civil war the appellation was revived-partly on account of the way in which it had been used during the Revolution and also because of the manner in which the large brass buttons of the infantrymen were ridiculed. "They're as big as boiled dumplings or doughcakes," stated one critic, and the name "doughboy" stuck-to be again resurrected when the American forces crossed the At-

Last Night's Dreams -What They Mean

DO YOU DREAM OF SWIMMING?

COME of the scientists go so far as to attribute dreams of swimming to an atavistic reminiscence of the days "when you were a tadpole and I was a fish." It is a generally accepted theory that all life on this planet began in the primeval sea from which the continent afterward emerged; and scientists declare that rudimentary gill-slits are not uncommonly found in man, physical vestiges of our fish state. So they say, as these gill-slits linger in our physical structure in our mental structure there may linger "some faint atavistic echo from the primal sea."

Freud states that in dreams of swimming as in those of falling, hovering and flying-a general statement cannot be made as to their significance-they signify something different in each case. But he holds it as a truth that these dreams represent Impressions from our earliest childhood which are seized upon and made use of by the dream thought. These dreams of swimming are, as a rule, very pleasant ones and are classed by the scientists as among the "typical"

The mystics account a dream of swimming to be a most favorable omen, especially if the water of the sea of dreams is clear and you seem to swim easily. To dream of swimming yourself or even seeing some one else swimming, prognosticates a reconciliation with a friend with whom you are now at odds. If you swim along easily with your head well out of water you will be successful in love and business; if you are a sailor a profitable voyage is before you. But if in your dreams you swim along with your head under water you will shortly be called upon to face many hard struggles. You will win out it. them, however, by keeping "a stiff up-

SCHOOL DAYS

MOTHER'S by COOK BOOK

Earth's grandest hearts have been lov-ing hearts, Since time and earth began, And the boy who kisses his mother Is every inch a man.

TOOTHSOME DAINTIES.

Some of these dishes may be a little be found very satisfactory for occasions:

Chestnut Salad.

Cook one pound of Italian chestnuts, shelled and blanched, in chicken or veal broth seasoned with vegetables. When tender, let cool and cut in shreds. Cut tomato jelly into cubes or other shapes, shred half a green pepper, cut a bunch of lettuce or enfive into shreds. Wash and dry the hearts of two heads of lettuce. Arrange the lettuce on salad plates, sprinkle with the shredded foods, and set a tomato cube above. Pour over two tablespoonfuls of dressing and serve at once. To prepare the jelly: Soak one-fourth of a package of gelatin in one-fourth of a cupful of cold water. Place over the heat two cupfuls and a half of tomato, three branches of parsley, half a dozen celery tips, one-fourth of a bay leaf, half an onion with two cloves thrust into it, half a teaspoonful of salt, paprika or a piece of chill pepper, a tablespoonful of dried mushrooms, Let simmer twenty mintes and press through a fine sieve. Add the softened gelatin, stir until dissolved, then turn Into a dish to mold. When cold use

Dressing for Chestnut Salad. Cut a Bermuda onlon in halves and with a sharp knife scrape the juice from one-half of the onion into a bowl. Add one-third of a cupful of vinegar, one-fourth of a cupful of tomato catsup, one tablespoonful of Worcestershire sauce, one teaspoonful of mushroom catsup, half a teaspoontoo much work for every day, but will ful of paprika and half a teaspoonful of salt. Stir until well blended with three-fourths of a cupful of olive oil.

Orange Honey. Grate the yellow rind from two fine oranges and add it to two pounds of strained honey. Take one quart of juice and pulp of oranges; add this to the honey. Boil carefully for half an hour then put into glasses and cover

with paraffin when cold. (©. 1920, Western Newspaper Union.)
