

NATIONAL AND STATE ELECTIONS

Many Women Nominees Feature of Day

ILLINOIS BANNER STATE

Large Number of Parties in Field Also Feature of National And State Voting—34 Senators And 34 Governors.

New York.—The national and State elections were held Tuesday were notable for the number of women nominees and the large number of parties who had tickets in the field.

Six parties had national tickets for President and Vice-President, though by no means in all the States. These tickets were Republican, Democratic, Socialist, Prohibition, Farmer-Labor and Single Tax. About 13 other parties had candidates either for State tickets or for representatives in Congress, bringing the total of all parties to nearly a score.

In the Presidential election there were chosen 531 members of the Electoral College, of which 266 was necessary to the election of a candidate as President. In the last election President Wilson had 277.

The present membership of the United States Senate is 96, composed of 47 Democrats, 48 Republicans and 1 Progressive. Thirty-three States elected 34 Senators, the terms of 32 members of that body expiring on March 3, 1921, while the other two were selected to fill unexpired terms up to March 4, 1925. Of the 32 Senators whose terms expire next March, 17 are Democrats and 15 Republicans. The two additional vacancies were caused by the deaths of Senators Bankhead of Alabama and Martin of Virginia, both Democrats. One Senator was chosen in each of the 33 States except in Alabama, which elected two.

The only States which did not elect Senators were Delaware, Maine, Massachusetts, Michigan, Minnesota, Mississippi, Montana, Nebraska, New Jersey, New Mexico, Rhode Island, Tennessee, Texas, West Virginia and Wyoming.

Women candidates for the Senate were voted on in six States—by the Prohibitionists in Indiana, New York and Pennsylvania; by Socialists in California, by the Farmer-Labor Party in New York and Connecticut and by Independent in Nevada.

Socialists had candidates for the Senate in 11 States—Alabama (2), California, Florida, Illinois, Indiana, New Hampshire, New York, Oklahoma, Oregon, Pennsylvania and Washington. The Farmer-Labor party has Senatorial candidates in seven States: Connecticut, Illinois, Indiana, Iowa, Missouri, New York and Washington.

At least eight other parties had candidates for Senator in one or more States. These are Progressive, Socialist, Labor, Single Tax, Independent, Industrial Labor, Independent Republican, Labor and Non-Partisan League.

The total membership (435) of the next House of Representatives was elected. Of this number 218 is necessary for a majority. The present membership is: Democrats, 190; Republicans, 232; Independent Republicans, 2; Independent, 1; Prohibitionist, 1; vacancies, 9. Women had candidates for Representatives in at least 11 States, including Alabama, California, Idaho, Iowa, Michigan, Nebraska, Massachusetts, New York, Oklahoma, Ohio, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Washington, West Virginia and Wisconsin.

Constitutional amendments were voted upon in 29 States. There were referenda in 12 and initiatives in 4. Arkansas voted on amendments granting suffrage to women and the powers of the initiative and referendum to the people. California had a referendum on five questions, including the Harris prohibition enforcement act and the sale of poison act. One of the most notable of the initiatives was that in California, where the voters were called upon to decide the fate of Japanese farmers by amending the alien land law so as to withdraw the land leasing privileges from aliens who are ineligible to American citizenship.

Chambersburg, Pa.—Lloyd C. Thompson, 37 years old, of Johnstown, is in the Chambersburg Hospital fatally wounded in the abdomen. With his father and brother he had been in a hunting camp near McConnellsburg, when his revolver fell from his belt, hit a stone and exploded. His father had repeatedly asked him not to carry the revolver in his belt.

HARDING PRAYS FOR STRENGTH.

President-Elect Says He Does Not Regard Victory As Personal.

Marion, Ohio—Convinced of his election to the Presidency, Warren G. Harding issued a statement saying that instead of being exultant over the result he was "more given to prayer to God to make me capable of playing my part."

Receiving the election returns at his home here, Mr. Harding declined during the early evening to make any comment and issued his statement only after the figures had piled up majorities for him which his advisers declared made his election certain.

At the same time it became known that the Senator and Mrs. Harding had made plans for a vacation trip, to be carried out regardless of the election, taking them for a rest next week in Texas, and after that for an ocean voyage to the Panama Canal Zone. They will return to Marion during early December.

Boston—Governor Coolidge received returns from the election with friends at the Hotel Touraine. Early in the evening he issued a statement thanking the voters for their support and expressing assurance of victory. The statement follows:

"It is with a great deal of gratitude that I have seen by the incoming returns the extent of the victory and have realized its source. While I rejoice in its great proportions, I rejoice even more in the nature of the support we have received. It means the end of a period which has seemed to substitute words for things, and the beginning of a period of real patriotism and true national honor. It means a return to the Constitution, and an end of extravagance, and a Government by the people at home"

Timely Reminders from The Pennsylvania State College

SEED POTATOES—Now is the time to consider laying in your seed potatoes for next year. In order to obtain the best varieties of disease-free seed, consult the county agent who is prepared to refer you to reliable sources. Seed potatoes can be secured at lower prices now than at any later time.

DRYING APPLES—To aid in the disposal of Pennsylvania's large apple crop this year, it is advisable to dry as much of the fruit as possible. State College specialists recommend that after the apples have been suitably sliced the pieces should be dropped into cold water to which has been added one tablespoonful of salt to the gallon. Remove and wipe off excess moisture with soft cloth. Spread on pans or trays one layer thick and expose to rays of sun or oven heat. If dried in the sun place in oven for a few hours until skin covering forms on the pieces. As the fruit dries, stir and heap up occasionally and then respread.

Catarrrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts through the blood on the mucous surfaces of the system.

It will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists & Co., Toledo, O.
