Norman Emerick, of Williamsport, visited his mother, Mrs. Rebecca Emerick, last week.

B. H. Arney, in remitting on subscription, from Niagara Falls, N. Y., closes with these words: "We are all well."

Miss Adeline McClenahan a business college graduate employed in Baltimore, spent her Christmas vacation at her home in Centre Hall.

Mrs. Ed. Gleixner, of Centre Hall, was taken to the Bellefonte hospital one day last week, and on Friday underwent an operation for a mastoid abscess.

A trained nurse—Miss Florence Blair—was secured this week to care for Mrs. William F. Keller, whose condition has not been encouraging for some time.

Henry E. Homan, who has been under the doctor's care for the past several months, has recovered to such an extent that he was able to enjoy Christmas with relatives at State College, making the trip by auto.

Miss Lena Breon has been transferred from the local Bell exchange to the State College exchange and her place here is being filled by Miss Carribel Emerick, who will doubtless prove an efficient operator once she has mastered the switchboard.

H. W. Henney, tenant on the Krape farm east of Centre Hall, was a business caller at this office last week. He was accompanied by his son, Harry, who is a good duplicate of "dad." Mr. Henney is not a frequent visitor to Centre Hall, being a close home man.

Mr. and Mrs. Thomas S. Foss, of Altoona, were at the home of the latter's parents, Mr. and Mrs. C. F. Emery, over Christmas. On their return to Altoona, Monday of last week, they were accompanied by Mrs. Foss' youngest sister, Algie Emery, who spent the school vacation period with them.

The pupils in most of the grades in the Centre Hall public schools were remembered at the Christmas time by their teachers in the way of candy and oranges. A departure from this custom was the case of Miss Helen Bartholomew, of the primary school, who took her flock of youngsters to the ice cream parlor of William McClenahan where each one was permitted to call for his or her favorite flavor of cream. The kiddies sure enjoyed the treat.

Mrs. W. J. Finkle, of Buffalo, New York, was a guest of Miss Laura Runkle at the Centre Hall hotel for a few days at the past week. Mr. Finkle was unable to accompany Mrs. Finkle at this time owing to a rush of work at the Buffalo mill where Mr. Finkle is one of the many millers engaged in turning out Gold Medal flour. An idea of the volume of business done at this mill may be gained when it is stated that an order for 2,000,000 barrels of flour for shipment to South America was recently completed in 31 days.

Merchant H. F. Rossman, of Spring Mills, accompanied by his son, Ray Rossman, was a caller at this office one day, last week to see that the Reporter is continued for another year to two of his sons—Prof. John G. Rossman, of Stuttgart, Arkansas, and William S. Rossman, of Philadelphia—as well as boosting the figures on the label of his own paper. The younger Mr. Rossman was enjoying a brief vacation at home, his work being at the League Island Navy Yard, Philadelphia, where he has been employed in the government service for more than four years, assisting in the construction of some of the finest war vessels flying the stars and stripes.
