There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

DO YOU CATCH COLD EASILY?

Your Vitality Is Low—Your Resistance Weak.

YOU NEED PEPTO-MANGAN

Rich, Red Blood Will Strengthen You and Put You on Your Feet—Able to Resist Colds.

Your system normally healthy should never catch cold. Your body is adjusted to take care of sudden changes in the weather.

If it is when you are run down and your vitality is low that your body cannot adjust itself. Then you take cold.

If you keep your blood in good condition, with plenty of red corpuscles, you will be strong and your body will easily adjust itself to sudden changes. You will throw off the cold germs that go flying into the air when someone with a cold sneezes.

Red-blooded men, women and children eat well. They have plenty of energy. They go along with a smile because they feel right.

Try Pepto-Mangan, the successful tonic. It is a wonderful blood builder. Take it for a while till you feel right.

Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. It is prepared in both liquid and tablet form. The medicinal properties are the same.

Sold at any drug store. But be sure you get the genuine Pepto-Mangan—"Gude's." Ask for it by name, and be sure the full name, "Gude's Pepto-Mangan," is on the package.

LAXATIVE for Aged People

THE BANE of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Tablets are a favorite with people of middle age and older on account of their gentle action.
