

BOALSBURG.

On Friday, January 23th, Russell Bohn, who was one of the four representatives from Centre county at the State Corn Judging Contest, held at Harrisburg, gave a very interesting talk to the high school. He reported a very fine time and stated that the experience that he gained was a great benefit to him. This will likely be an incentive for other students next year.

In the afternoon of the same day the High School Soccer Ball team played a game with Centre Hall, here. The game was a very close one and it is not necessary to state that it was interesting. Both teams put up a good game but neither team made a score. Our boys think that they could have won if all of their players had been on the field. They are anxious to play another game with Centre Hall and feel quite sure that they can win next time.

The following students of the Boalsburg High school made an average of 70 per cent in each subject for the month of January:

Senior Class—Maranda Bohn, Paul Durner, Rebecca Meyers, Richard Goheen, Elwood Stover, Harold Fisher, Esther Callahan.

Junior Class—Ruth Royer, Paul Brouse, Philip Musser, Russell Bohn, Mildred Gingrick, Hester Lonberger, William Smith.

Freshman class—Abner Acker, Kattileene Stephens, Margaret Rossmann, George Mothersbaugh, Elwood Harper, Joseph Shutt, Faye Bohn, Rufus Sharer, Theodore Segner, Helen Glasgow, Anna Houser, Verda Judy, Kenneth Ishler, Harold Ishler, Paul Roberts, Sara Klinefelter.

Eighth Grade—Elwood Smith, James Bohn, Kathrine Gingerick, Emma Johnson, Gladys Lucas, Fred Ross, Rossmann Wert.

TAKE STOCK OF YOUR HEALTH NOW

Winter Brings Many Ills to Pale Overworked People

TAKE PEPTO-MANGAN

Fortify Your System—Good Blood Will Give You New Strength to Keep Well

If you feel the least bit run down, not necessarily sick, but tired and blue and sort of down and out, it shows plainly that your power of resistance is low. It is dangerous to go around that way. You don't want to do it.

Make no mistake about it, when you feel yourself slipping into lazy habits, getting indifferent to things you naturally like—no energy, no vigor, always tired—it is time to look out. It may not mean that you are sick or that you will be. But there are diseases that would have an easy time of it with your system when your blood has no fighting qualities.

You want to be well and keep well and feel strong. If you build up the quality of your blood by taking Pepto-Mangan you will be in trim to fight off winter ills. It has just the right ingredients to build your blood up with rich, red corpuscles.

Pepto-Mangan gives your blood the qualities it needs to pick you up and start you off on healthy basis. You will notice the difference soon after you start taking it. You will have better color, better feeling, and more energy.

You can take it in liquid or tablet form as you prefer. Both have the same ingredients. But be sure you get the genuine Gude's Pepto-Mangan. Ask for it by that name—"Gude's Pepto-Mangan," and be sure the full name is on the package.
