

Gives Tanlac Credit For Splendid Health

T. J. PARKER
4246 Juneau Street, Seattle, Wash.

"I used to think all the Tanlac testimonials were exaggerated, but I have felt thankful a thousand times I ever believed in it strong enough to give the medicine a trial," said T. J. Parker, well-known salesman for Gately's Clothing Store, residing at 4246 Juneau St., Seattle, Wash.

"Several years ago I commenced having periodic spells of sickness and a few months ago I had an attack that I thought would finish me. When I did finally get up, I was scarcely able to go. I had no appetite and what little I forced myself to eat caused so much gas on my stomach I could hardly get my breath.

"At night I was often so bloated I couldn't breathe while lying down and just had to sit up and struggle for air. At times I had cramps so bad I could hardly endure it.

"My liver was sluggish and sometimes I got so dizzy I would nearly fall. I felt tired and miserable all the time, couldn't even sleep and for days at a time I wasn't able to go to work.

"Well, a friend of mine finally got me to try Tanlac, and it certainly has done a good job for me. My appetite is fine now and although I am eating just anything I want and as much as I please, my stomach never gives me the least trouble. I have picked up in weight, my strength has come back to me, and I am now enjoying the best of health.

"All the men at the store know Tanlac put me back on my feet, and I am glad to give this statement for what it may be worth to others."

Tanlac is sold by leading druggists everywhere.—Adv.

LEE'S LITTLE JESTS

RECALLED FOND MEMORIES.

A director, who has a reputation for being rather harsh and overbearing in his methods was giving his leading man a tongue lashing that fairly turned the atmosphere blue. Through it all, however, the victim leaned gracefully against the wall and smiled happily.

"What the deuce are you grinning about?" barked the director. "Do you like to be cursed?"

"Why, yes. I rather enjoy it," chuckled the actor. "It recalls the good old days, you know, when I played Uncle Tom and was beaten to death every night by Simon Legree."—Film Fun.

Strange—Passing Stranger!

The city visitor was consulting the oldest inhabitant. "How many people in this town now?" he asked.

"Twenty-five, sir."

"How many did you have last year?"

"Twenty-five, sir."

"That's strange. Aren't there any babies ever born in this town?"

"Yes, sir. But most every time a baby is born, somebody leaves town."

Anticipating an Order.

"Why did you throw those two pieces of toast out there on the grass?" asked the fat restaurateur.

"I wanted to see if a couple of quail would come around and lay down on 'em, sir," replied the white-capped chef.

All Serene.

"I notice they're on very peaceful terms with their next-door neighbors."

Where Resemblance Stops.

"That Miss Gableish reminds me of a church bell, only she hasn't the sens of one."

"What do you mean?"

"Well, a church bell has an empty head and a long tongue, but it is discreet enough not to speak until it's tolled."

His Views.

"Can the ouija board read the future?"

"Well, I don't know. Sometimes I think the future is a blank page."

If You Need a Medicine You Should Have the Best

Have you ever stopped to reason why it is that so many products that are extensively advertised, all at once drop out of sight and are soon forgotten? The reason is plain—the article did not fulfill the promises of the manufacturer. This applies more particularly to a medicine. A medicinal preparation that has real curative value almost sells itself, as like an endless chain system the remedy is recommended by those who have been benefited, to those who are in need of it.

A prominent druggist says "Take for example Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for in almost every case it shows excellent results, as many of my customers testify. No other kidney remedy has so large a sale."

According to sworn statements and verified testimony of thousands who have used the preparation, the success of Dr. Kilmer's Swamp-Root is due to the fact, so many people claim, that it fulfills almost every wish in overcoming kidney, liver and bladder ailments; corrects urinary troubles and neutralizes the uric acid which causes rheumatism.

You may receive a sample bottle of Swamp-Root by Parcel Post. Address Dr. Kilmer & Co., Binghamton, N. Y., and enclose ten cents; also mention this paper. Large and medium size bottles for sale at all drug stores.—Adv.

Why Castoria?

YEARS ago Castor Oil, Paregoric, Drops and Soothing Syrups were the remedies in common use for Infants and Children; Castor Oil so nauseating as to be almost impossible and the others all containing Opium in one form or another, but so disguised as to make them pleasant to the taste, yet really to stupefy the child and give the appearance of relief from pain.

It required years of research to find a purely vegetable combination that would take the place of these disagreeable, unpleasant and vicious remedies that from habit had become almost universal. This was the inception of, and the reason for, the introduction of Fletcher's Castoria, and for over 30 years it has proven its worth, received the praise of Physicians everywhere and become a household word among mothers.

A remedy ESPECIALLY prepared for Infants and Children and no mother would think of giving to her baby a remedy that she would use for herself, without consulting a physician.

Children Cry For Fletcher's CASTORIA

Have You Tried It?

Everybody has read the above headline; how many believe it? Have you a little one in the home, and has that dear little mite when its stomach was not just right felt the comforts that come with the use of Fletcher's Castoria? You have heard the cry of pain. Have you heard them cry for Fletcher's Castoria? Try it.

Just help baby out of its trouble tomorrow with a taste of Castoria. Watch the difference in the tone of the cry, the look in the eye, the wiggle in the tiny fingers. The transformation is complete—from pain to pleasure. Try it.

You'll find a wonderful lot of information about Baby in the booklet that is wrapped around every bottle of Fletcher's Castoria.

Will H. Brown of the Marmon company, was in Cincinnati last week, and while there tried to lend a helping hand to the local distributor in closing sales. Brown's gently convincing sales psychology was called into play several times, but he ran into one "prospect" that was a bit hard to convince. "You see it's like this," said the prospective buyer, a man well up in his sixties. "My sister-in-law she is sick. If she lives we want a seven-passenger car. If she dies we can get along with a five. I wait."—Indianapolis News.

Absence of Disease Isn't Health; You Need Vitality, Energy

You may have no particular disease, and yet fall far short of enjoying real health. To be actually healthy you must be sturdy, alert, vigorous, a-sparkle with enthusiasm and the joy of living—fairly bubbling over with vitality and energy. Are you thus?

If you are well, yet listless and unambitious, it is because you lack some quality that would fill you with vim and drive, and nine times out of ten the sole cause of this lack is found to be disordered, weak blood.

Wholesome blood is the very fountain source of that energy which puts spring into your muscles, snap into your step and spar-

kle into your eyes. If you want all this, begin right now to enrich your blood stream.

You will find, as thousands of others have found in the last fifty years, that S.S.S. is an excellent remedy to do this for you, one that removes the poisonous impurities and helps build your blood into a rich, nourishing supply. S.S.S. is an herb compound, discovered by the Indians, and still made as they made it.

Get S.S.S. from your druggist today. Start taking, and then if you want expert medical advice free, write in detail about your condition to Chief Medical Advisor, 862 Swift Laboratory, Atlanta, Georgia.
