Encampment and Fair Notes.

The committee urge the friends and patrons of the Encampment and Fair to plan for a bigger and better horticultural exhibit than ever before at our Granger's picnic.

The season is a week in advance of other years and as a consequence, fruits and vegetables in better condition for exhibition purposes.

An effort will be made this year to have a poultry exhibit. This ought not to be difficult in view of the fact that Centre county boasts of its advance in that line. And by a good exhibit, we can show those outside the county what we have done.

In stock, we feel sure our fine exhibit of last year will be surpassed this year.
—Secretary.

675,000 Vehicles are Licensed By the State.

Almost 675,000 motor vehicles of various types, including passenger cars of pneumatic tired vehicles, trucks, or solid tired cars, tractors, trailers and motorcycles have been granted registration in Pennsylvania this year. This total being 100,000 in excess of the total at the end of July in 1920. In the same time there has been a tremendous jump in state revenues for such registration. The fees received thus far in 1921, which must be devoted to road purposes, aggregate \$8,751,668. Last year they were \$7,396,104 and in 1919, \$4,598,350.

LINDEN HALL.

[Received too late for last week.]
Ralph Musser, Mrs. Alicia Musser, Mrs. Curt Musser and Glenn Hartsell, of Butler, spent the week-end with the Ross family.

Rev. Fred Stamm, of Dayton, Ohio, is visiting his cousin, P. E. Wieland, in Pennsylvania this year. This total being 100,000 in excess of the total at the end of July in 1920. In the same time there has been a tremendous jump in state revenues for such registration. The fees received thus far in 1921, which must be devoted to road purposes, aggregate \$8,751,668. Last year they were \$7,396,104 and in 1919, \$4,598,350.

Miss Sara Miller spent last week with her aunt in this place.

Many children in this section are suffering with whooping cough.

The Linden Hall ball team defeated Pine Grove on Saturday. Score, 4 to 3.

Snake Story from State College.

Ever eat fried rattlesnakes? Forestry students of Pennsylvania State College are eating them. A bunch of students and Professor Ferguson are camped in Bear Hollow, in Clinton county. Once a week or oftener they have fried rattlesnakes. "Smightly fine eating, just like fish or fried eels, the boys say. Students are instructed how to capture, skin and prepare them for the skillet.

Green-Callahan.

A very pretty wedding was solemnized on August 2nd, when Melville K. Green, of Philadelphia, and Miss Ruth E. Callahan, of Linden Hall, were united in marriage, at the residence of the bride's parents, Mr. and Mrs. Daniel Callahan, at Linden Hall. The parlor was tastefully decorated in white and green and promptly at 6 o'clock p. m. Miss Bertha Callahan, sister of the bride, played the wedding march and they were ushered in by Howard Callahan and Mrs. Verna Callahan, where they were met by Rev. S. C. Stover, who pronounced them man and wife in the presence of a few immediate friends.

The bride wore a veil pinned with orange blossoms and was attired in a white silk crepe de chene dress. The groom wore the conventional black. After congratulations, a delicious wedding dinner was served, which Mrs. Callahan knows so well to prepare. After a short wedding trip they will reside in apartments in Philadelphia which the groom has in waiting. After September 1st they will return to State College, where the groom will complete his course in landscape gardening.

REBERSBURG.

Miss Lola Stover, of Bellefonte, visited relatives the past week in town. Thomas Hubler is placing lumber at his place for the building of a new barn. Fisher Mowery, who is employed at Mifflinburg in the Beaver peach orchard, spent Sunday at this place.

T. A. Auman is building a large porch at his dwelling house in west Rebersburg.

Charlie Corman, who was employed in Ohio for the past two years, after a depression in labor in his line of work, has returned to Rebersburg.

Wallace Debler sold his home along the mountain north of this place to G. P. Garret. Mr. Debler will commence farming on Mr. Garret's farm next spring.

Mrs. Harry Smull, who has been confined to her bed with sickness the greater part of the summer, we are glad to mention, is again able to be up and about.

Several weeks ago the stork visited the home of Rev. Edward Kutz and left a little baby girl, and a few days later he dropped in at the James Carson home and also left a bouncing 9-lb. baby girl.

The Rebersburg reservoir, which has been in building all summer, has at last been finished and one day last week the water was left in and it was found that the thing leaks. What will we do to make it water tight? The structure is built of concrete.

Mr. Bender, who recently bought several building lots of Jacob Kerstetter, situated at the west end of our town, has the foundation ready for the building of a garage on one of the lots. Mr. Bender intends erecting a dwelling house on the other lot.

G. P. Garret is making preparations to build a planing mill in our town. Mr. Garret has been conducting a planing mill and cider press for quite a number of years at Rockville, one mile west of this place, but just as soon as the building is up and under roof he will place his machinery in the Rockville plant into the new building in our town.

TALK ABOUT dime novels.
THEY SENT Jim down.
TO TEXAS to investigate.
SOME OIL wells there.
WHICH THEY might buy.
IF JIM said O.K.
AND HE was to report.
BY WIRE in secret code.
NOW—ENTER the villain.
A SLIPPERY crook.
GOT WIND of it.
AND TRAILED Jim down.
COPIED OFF his code.
AND BRIBED a boob.
IN THE telegraph branch.
SO THE crook could get.
THE EARLIEST word.
AND CORNER stock.
AND WORK a hold-up.
IT LOOKED like easy coin.
BUT JIM got wise.

AND THREW away his code.
AND WHEN he sent.
THE FINAL dope.
HE FOILED the villain.
THE MESSAGE just said.
"CHESTERFIELD."
AND HIS directors know.
THAT ALL was well.
WITH THOSE oil wells.
FOR OIL men know.
THAT "CHESTERFIELD" means.
"THEY SATISFY."

YOU'LL know you've "struck it rich" when you discover Chesterfields. You'll say "they satisfy." A wonderful blend—the pick of Turkish and Domestic tobaccos—put together in the Chesterfield way—that's why "they satisfy." And the Chesterfield blend can not be copied!
