Farm House Destroyed by Fire.

The large log house on the farm of Squire Cyrus Brungart, near Wolf's Store, was totally destroyed by fire early Tuesday morning. On the day previous the Bigler Shaeffer family, tenants on the place, had made a fire in the wash house stove in preparation for the week's washing and when the sad news of the death of Mrs. Shaeffer arrived, the washing was put off, and a neighbor woman came in to put out the fire and place things in order. It is believed that the fire continued to smoulder throughout the day, finally breaking into a flame in the wash house and communicating with the main dwelling. The only ones at home were Luther Shaeffer, a brother of Bigler Shaeffer, and a son and a daughter of the latter. They were awakened about 4:30 by the smell of smoke and soon discovered that the house was doomed, so with great haste began to remove the furniture. They succeeded in saving everything but two dressers and what was contained in the attic.

Mr. Brungart carried insurance in the Centre Hall company in an amount sufficient to cover the greater portion of his loss. He expects to start the building of a new house next week, and in the meantime the Shaeffers are being quartered at the home of the Wert family, nearby neighbors.

48th Encampment and Fair Promises
to Eclipse All Others.—Many New
and Interesting Features.

Another year has gone, and in two weeks the 48th annual Encampment and Fair, Patrons of Husbandry, will be in full swing, opening Saturday, September 3rd, and at this time promising to be bigger and better than ever.

For weeks, the committee have had workmen on Grange Park, making preparations for the great event. Buildings and grounds are being cleaned and where needed, repairs and improvements made and in every way putting the park in best possible condition.

Painting has been completed, giving a well-kept appearance to the grounds.

MANY MORE CAMPERS THIS YEAR

Already tents are being erected and arrangements are being made for many more campers than usual so that we will have a larger and more complete camp than ever before.

The grounds and buildings are lighted by a successful electric system.

Pure mountain water is piped all over Grange Park with hydrants at various points.

Supplies of all kinds can be purchased on the grounds.

A good boarding house serves meals. Easily reached by auto or train. The various departments are expected to equal if not surpass other years.

CREDITABLE EXHIBIT DESIRED

Farmers and fruit growers are urged to bring their finest fruits, grains and vegetables, thus improving the standard of quality and making a more creditable exhibit.

Competent judges will award prizes in this department which will be paid in cash. In addition ten cents will be paid for each worth while article.

The Agricultural Department right here wishes to impress on exhibitors in this department the importance of keeping in mind the State Farm Products Show in January 1922, and keeping their best specimens to exhibit there.

CASH PRIZES IN STOCK DEPARTMENT

It is expected our live stock exhibit will excel other years. Pure bred stock of various breeds is steadily increasing in numbers in Centre county and here is the place to show your choice animals. Stables are provided for stock.

Able men will judge the stock and cash prizes paid also in this department. Farm boys and girls are invited to take part in stock-judging contests.

The county Farm Agent will arrange these contests, and prizes will be paid the winner.

RURAL LIFE ACTIVITIES

A day will be given to Rural Life activities and amusements and in order that this project may meet with the success we hope for, an earnest appeal is made to boys and girls, young men and young women to respond enthusiastically when called on by the leaders, who have arranged the program.

State College will have its usual interesting exhibits and lectures and demonstrations on Tuesday in the auditorium by representatives of the Domestic Science department will be of vital interest to mothers and children.

Again the State Health department will have a representative on the ground.

The Red Cross will have a tent.

The always interesting needle-work department will be full as in past years of both new and old. Bring articles valued for both age and beauty. 10 cents will be paid as in the past year for articles never before exhibited.

VETERAN'S DAY

The Centre County Veteran's Club will again meet with us on Wednesday, Sept. 7th, and we assure them the same cordial welcome. No admission will be charged the veterans on this day. Well known speakers will be heard in the auditorium on that day.

NOTABLE SPEAKERS TO BE PRESENT

Thursday will be Grange Day and among others John McSparran, Master Pennsylvania State Grange, and Dr. Thomas, president Pennsylvania State College, will speak in the auditorium and we appeal for large audiences.

Automobiles, tractors and all kinds of farm machinery will be shown in large numbers. Exhibitors will find space where machinery can be shown to advantage.

Moving pictures and amusements to please everybody.

Excursion rates on the railroad within 75 miles of Centre Hall.

Special trains will be run on Thursday.

A full program published next week.

Jacob Sharer,
Chairman.

Encampment and Fair Notes.

Campers, when possible, should provide themselves with oil stoves, if wishing the use of a stove, as the supply of old stoves on Grange Park grows less each year.

Premium books have been issued for the first time by the Encampment and Fair Association, giving rules and all necessary information. These books can be secured from the secretary, Edith M. Sankey, Centre Hall, Pa.

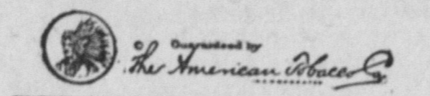

Don't fail to visit Meyer, the music man, on Grange Park during the Fair. He will have some of the latest and best pieces of music for player pianos.

numerical order, while the second carbon copy will be detached and will be filed in alphabetical order. Thus, if the number of a certain tag is known, or the dog owner's name is known, the records can easily be consulted, while all three certificates will be made out in one operation, instead of two, as at present.

The Department of Agriculture is now advertising for bids for the furnishing of half million metal dog license tags.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. EVERY
WEDNESDAY
SUBURBAN
DAY

The
Wise Buyer
Looks for
This
Emblem

Did you spend a little time in the peaceful atmosphere of the Community Rest Rooms on your visit to Altoona last Suburban Day—Wednesday ?

If you were pleased with the many comforts—the easy chairs, couches, lunch room (where NOTHING is for sale)—we want you to tell your friends about it.

Tell them it is located on Fifteenth street near Twelfth avenue in the Christ Reformed church. Tell them how pleasantly you were greeted by those in charge ; how eager and willing they were to give you any information you desired.

Make these Rest Rooms your headquarters when in Altoona. You may find the names of some of your friends on the register—maybe someone from your home town or one close by. Have your friends meet you there at a certain hour, while you wait in quiet comfort.

Out-of-town patrons of Booster stores are already showing their appreciation of this important innovation. The names already on the register show visitors from Coalport, Philipsburg, Patton, Tyrone, Ebensburg, Carrolltown, Martinsburg, Roaring Springs, Butler, Portsmouth, Va., and many other places.

The Altoona Booster Association realizes that nothing in the way of comfort is too good for those who come to this city to buy that which their home merchants cannot supply, and for this reason have opened these Rest Rooms for their accommodation.

Don't fail to visit them the next time you are in the city.
You will be surprised at the touch of "home, sweet home."

The Fall Style Show

The Annual Fall Style Show will open in a blaze of glory on September 14th and continue throughout the week—15th, 16th & 17th. There will be an announcement very soon of special interest to everyone concerning this event. Watch for it ! Everyone may compete !
