Huckleberries are selling at 5 cents a quart.

Lawn tennis is becoming the game among the young men of our town. On last Saturday a game was played between Messrs. Scott Harris and James Hughes, of Bellefonte, and Messrs. Isaac Harpster and Will Runkle, representing the home team. Centre Hall won the first three sets, the best in five, and were victors.

On Sunday night the Boalsburg Lutheran church was filled to overflowing with an appreciative audience gathered to witness the installation of the recently elected pastor, Rev. W. A. Trostle. Revs. Warner and Fisher delivered the addresses, the former to the people and the latter to the pastor.

S. K. Sober, the marksman, has consented to attend the Knights of the Golden Eagles' picnic, at Spring Mills, on Saturday, and give an exhibition in glass ball shooting.

We suppose if the Patron's two-day picnic is a success this year, the Reporter's frequent suggestion will be further adopted and the fair given three or four days next year.

This week S. K. Emerick left for Scotia Mines, this county, where he expects to engage in the mercantile business.

The teeth pullers, traveling with a wagon, jerked about 700 Miles township teeth, from the mouths of about 60 persons, at Rebersburg last week. At Centre Hall these fellows jerked only three teeth.

A trip to Philadelphia, on a bicycle, was undertaken by Christ Murray, this week. He left Centre Hall on his machine on Monday evening, and in twenty five minutes reached Spring Mills, and proceeded to Aaronsburg, where next morning, accompanied by Rev. Foster, also on a bicycle, the two expect to reach Lewisburg. From the

latter place Murray, on Wednesday, expected to reach Harrisburg, 60 miles, then on Thursday go to Reading, 54 miles, where he expects to meet Prof. Mauger, and the two go to Philadelphia on bicycles.

When you come right down to reason, what is there to "discount" tires —

THE next time a friend comes to you all excited about some wonderful tire bargain—ask him how much *value* he ought to get for each dollar of tire money.

It's astonishing that any car owner today should not know all the tire service he is entitled to.

Nor how to check up between the economy of par quality on one hand—and big discounts, surplus stocks, discontinued lines and retreads on the other.

For two years U. S. Tire makers have been telling the American people all about tires.

They have laid open the tire business from every angle.

They have always led the fight for better tires.

They have consistently maintained quality *first* standards with certain economy for the tire buyer.

They have established 92 Factory Branches all over the country. Perfecting U. S. distribution so that you get a *fresh, live* tire every time you buy a U. S. Tire.

So when a man once decides on U. S. Tires he knows what he is getting in quality—service—economy.

In support of his own judgment he gets the pledged word and reputation of the largest and most successful tire concern in the world.

A sound reason for the fact that you see more U. S. Tires on more cars than ever this year.

"You get a fresh, live tire every time you buy a U. S. Tire."
