

### HARDING PLAYS WHILE MILLIONS SEEK WORK.

#### Mississippi Senator Says Millions of Americans Were Hanging Their Heads in Shame While President Rides in Mayflower.

The American people "want more work and less play," Senator Harrison, Democrat, Mississippi, declared in the Senate, describing President Harding's recent trip to New York State on Presidential yacht Mayflower. The trip was taken, he said, "while millions of Americans were hanging their heads in shame" because men who "helped win the war" were being offered on the auction block in Boston.

"What the American people want," the Mississippi Senator said, "are more results and fewer recommendations; more meal tickets and fewer bread lines, more prosperity and fewer poor houses." Declaring that there were nearly 6,000,000 persons out of employment in the United States, Senator Harrison charged the Republicans had failed to keep their campaign pledges of increased prosperity in the country. Describing recent scenes on Boston Commons, when men, stripped to the waist, were knocked down to those bidding highest for their services, the speaker said that while this was going on the President had asked the Senate to defeat the soldier adjusted compensation bill.

"Oh, yes. You promised adjusted compensation to the soldiers," Senator Harrison said to the Republican Senators, "and you gave them the auction block." Senator Harrison also attacked President Harding for "claiming the disarmament conference as a Republican achievement."

"It was forced upon him against his will," Senator Harrison charged, charging the Administration accepted the Borah amendment to the naval appropriation bill only when it was assured of adoption. Senator Harrison deplored politics in connection with the conference and said there would be no Democratic criticism during the conference. He expressed wishes for its success and deplored Secretary Hughes' cognomen of "a conference for limitation of armament" instead of the original and popular term of disarmament conference.

President Harding has asked the Nation, on November 11th, to pray for disarmament. That is fine. We are taught that prayer can be largely answered by the individual, so the President might have done much to answer the prayers he expects the people of the nation to make by appointing delegates to the conference known to be friendly toward disarming, instead of Senator Lodge whose past record as a senator and citizen has been cast with those disfavoring the thing we are now asked to pray for.

### Eutaw House, Potters Mills, for Board and Lodging.

Witmer E. Lee, proprietor of the Eutaw House at Potters Mills, desires to announce that inasmuch as the Centre Hall hotel has been closed to boarders, he will make an extra effort to accommodate any persons with board and lodging who will take the trouble to travel the extra few miles to Potters Mills. Mr. Lee guarantees satisfaction in every respect.

### MILLHEIM.

James Weaver, of Aaronsburg, an aged wagonmaker, suffered a stroke of paralysis Sunday. He was rendered helpless and his speech was affected, but he is apparently responding to treatment.

Misses Leah and Miriam Nieman departed Tuesday afternoon to resume their studies at the Pennsylvania College for Women, Pittsburgh, after spending their vacation at their home in Millheim.

Rev. Fred K. Stam, of Dayton, O., who spent the month of August in Millheim and preached several times on the local Reformed charge and at Boalsburg and State College during his stay here, was extended a call to become pastor of the State College Reformed church and has accepted. He will enter upon his new duties about November 1.

Charles A. Duck, the Madisonburg-Millheim mail driver, last Thursday conveyed his young daughter, Violet, to the hospital at Harrisburg. The child has walked, although she has never been able to crawl, although she had been operated upon a year ago. The hospital surgeons contend they can adjust the defects but that it will require several operations and the limbs put in plaster paris casts after each operation.

On Thursday evening of Grangers' picnic, Charles A. Duck, of Madisonburg, who was driving a motor hack, lost his pocketbook containing \$19. The only means of identification was a card presented him by Ray R. Rossman. The finder of the purse, which chanced to be an honest woman who lives in the vicinity of Centre Hall, communicated with Mr. Rossman, who had previously been notified of the loss by Mr. Duck, and the owner of the purse recovered his property.

### Boalsburg 1921-22 Lecture Course.

That Boalsburg is alive to the value of a good lecture course is apparent, for the local committee recently signed up for the coming season. Five good numbers comprise this year's course, being as follows, together with the dates for their appearance:

The Kelso Company, Wednesday, November 2nd, 1921.

The Dixie Trio, Monday, November 22nd 1921.

"Sunshine" Dietrick, Thursday, January 26th, 1922.

Metropolitan Glee Club, Thursday, February 16th, 1922.

The Carltons, Thursday, March 16th, 1922.

### Get 75 Lbs. Honey from Walls of a House.

Two years ago a swarm of bees located between the weather boards and plastering of Mrs. Amanda Evans' house in Rebersburg, and remaining undisturbed continued to gather honey until the inside wall began bulging out. Mrs. Evans became alarmed and sought the aid of Milford Garrett and Lee Kidder, who after battling with the saucy little bees for almost half a day, succeeded in capturing 75 lbs. of honey.

### Bread-Eater, Consider.

Wheat is not wanted in the local market; bread is selling at thirteen cents per loaf, and this makes the following paragraph taken from a Millfin county paper, of interest to the bread winner and bread-eater:

"Verbeck, the restaurant keeper, at Reedsville, had been selling Harrisburg bread, some of it being hearth bread. This sold like hot cakes on a frosty morning at 8 cents the loaf or two loaves for fifteen cents. Now the jobber who lives in Lewistown had some words with the Harrisburg firm, consequently Harrisburg stopped the bread, and now Verbeck has to fall back on Standard."

### Great Milton Fair.

The Milton fair will be held October 11, 12, 13, and 14. Many Centre county people are planning to attend.

A number of good horse races have been scheduled. There will be a large and elaborate midway, and fine music every day.

The free attractions include the following: Fred's Trained Pigs, The Five Flying Herbets, and the three Death Defying Cramers. These will perform in front of the grandstand daily.

The midway will consist of Wild Animal Show, Vaudeville Shows, Ursa, the freak woman—half bear and half woman; and many other shows of various kinds. The rides: the ferris wheel, aeroplane ride, the merry-go-round, and several new rides.

One of the finest exhibits of Shetland ponies will be on the ground, and the State Department of Forestry will have exhibits and lectures daily.

### TUSSEYVILLE.

Boise Brown returned home last week from Pittsburgh, where he has been holding a position under the civil service.

Mrs. Frank P. Floray was taken very ill last week and was removed to the Bellefonte hospital Friday evening. Her many friends hope for her speedy recovery.

Charles Swartz, of Tusseyville, and Mrs. M. F. Rossman, of this place, attended the funeral of Mrs. (Rev.) J. M. Rearick, at Middleburg, on Sunday.

Rev. Maneval will hold his annual harvest home service on Sunday afternoon in the Evangelical church.

### GEORGES VALLEY.

C. W. Lingle and family spent Sunday at Millheim at the home of Mr. and Mrs. O. L. Gramley.

Those who visited the home of F. W. Zettle on Sunday, were, Mr. and Mrs. W. P. Lingle, Mr. and Mrs. E. D. Foust, and Mr. and Mrs. J. C. Rieder. S. E. Gobbie and family spent Sunday with Mrs. Gobbie's parents, Mr. and Mrs. B. F. Cofer.

Miss Carrie Barger, of Philadelphia, is home with her parents, Mr. and Mrs. J. C. Barger, for a few weeks.

Mrs. F. B. Herman went to Altoona, on Saturday, to spend a week with friends.

Mrs. Geo. Boal, of Potters Mills, spent the week-end with Mrs. F. M. Ackerman.

The key to success fits the schoolhouse door.

M. T. Zubler, Spring Mills, 5 dozen, 1st prize  
Lilae Brooks, 2nd prize.

### THE DEATH RECORD.

KERLIN.—Mrs. Sarah J. Kerlin passed peacefully into the beyond, Wednesday afternoon of last week, at the home of her son, A. E. Kerlin, in Centre Hall. It will be remembered that on the morning of July 18th, last, Mrs. Kerlin, who had been blind for several years, was walking about the porch at the Kerlin home in search of her favorite chair, when approaching too close to the porch steps, she fell, landing on the concrete walk below. She sustained a compound fracture of the right arm and a broken hip as well. For several weeks she remained at the Bellefonte hospital, but her great age slowly in the way of her recovery, and slowly but surely the end was approaching. A few weeks ago she was removed to the home of her son in Centre Hall, where all that tender nursing and loving hands could do to alleviate her great suffering was done.

Deceased was a daughter of Lafayette and Matilda Moore, and was born in Centre Hall on April 29, 1845, which made her age seventy-six years, four months and twenty-two days. Her husband, A. S. Kerlin, preceded her to the grave twenty years ago. Mrs. Kerlin was a truly consistent member of St. Luke's Lutheran church. She was ever present at church services and Sunday-school, and even in the months immediately preceding the fatal accident, when she was totally blind, she continued to attend divine services and Sunday-school, coming to the church on the arm of Mrs. A. E. Kerlin, who did so much in caring for her in her last illness. As stated before, Grandmother Kerlin, as she was affectionately called, was devoted to her church, as she was also to her home, and her attendance upon Sunday-school did not lose in interest by reason of the affliction which deprived her of her sight, but rather it was intensified. The lessons were interesting to her and she was always prepared to answer correctly the questions presented to her.

Surviving her are one brother, John D. Moore, of near Centre Hall; two sisters, Miss Eliza Moore, of Centre Hall, and Mrs. James Rice, of State College; also one daughter, Mrs. Nellie Morrill, of Amesbury, Mass., and three sons,—Arthur E., of Centre Hall; Walter M., of Cincinnati, O., and Edwin M., of Beverly, Mass. Funeral services were held in the Lutheran church on Saturday morning and interment made in the Centre Hall cemetery, Rev. M. C. Drumm officiating.

REARICK.—The sad intelligence of the death of Mrs. Margaret Walters Rearick, wife of Rev. J. M. Rearick, at her home in Elk Lick, came to friends in Centre Hall last Thursday, the day of her passing away, following a long illness, attended by much suffering, all of which she bore without complaint and with true Christian fortitude. The Rearick family lived in Centre Hall during Rev. Rearick's pastorate on the Penns Valley Lutheran charge, which was concluded about fifteen years ago. Mrs. Rearick was a woman of kindly impulses and won the esteem of not only the members of Lutheran church but of all other good people in the community as well. The announcement of her death death, therefore, brought forth many sincere expressions of sorrow in this place. Besides the sorrowing husband there survive three sons and three daughters; also three brothers and one sister. The age of the deceased was fifty-six years and several months.

The remains were taken to Middleburg where interment was made on Sunday afternoon.

MAGEE.—News of the sudden and unexpected death of Mrs. Mary Hope Magee, relict of the late Reuben M. Magee, formerly of Bellefonte, and at one time superintendent of public schools in Centre county, reached Bellefonte last Tuesday. She had been living with her children in Philadelphia and a short time ago went to Atlantic City, where she took ill. Her maiden name was Mary Nolan and she lived for many years at Tyrone. For years the family lived in Bellefonte. She was 70 years of age. Mrs. Magee was a woman of lovely disposition and in her younger days was associated with many organizations whose object was to uplift humanity. She was a member of the Presbyterian church.

The remains were shipped to Bellefonte and taken to the Presbyterian church where the casket was opened to her many friends. Burial was made in the Union cemetery on Friday morning, Rev. A. M. Schmidt, of the Reformed church, officiating.

She is survived by three sons: William A. Magee, of Wenonah, N. J.; Percival A. Magee, of Philadelphia, and Lieut. Boyd Magee, in the United States navy.

(Other deaths on inside page.)

### Millinery Notice.

I will be in Centre Hall, Oct. 6, 7 and 8, with a full line of ladies' and children's hats. MYRA KIMFORT.

Common cents helps—now.

### Centre Reporter, \$1.50 a year.

### Catechise Picnic.

The Penns Valley Lutheran charge held a picnic for the joint catechise pupils, in Delaney's woods at Old Fort, on Saturday, and was attended by fifty-four young people and five chaperons who assisted the pastor in the events of the day. The dinner was surely a feast of good things well prepared. After dinner the various contests began. Each was composed of a member of each of the five appointments of the charge represented. The Union had only two boys present and no girls, so in some of the contests substitutes were used to fill in the vacancies.

The events and the winners were as follows:

Boys' quoit, won by Georges Valley; prize awarded to Eugene Heckman.

Girls' quoit, won by Farmers Mills; prize awarded to Franklin Hagau.

Boys' shot put, won by Georges Valley; prize awarded to Eugene Heckman.

Girls' shot put, won by Centre Hall; prize awarded to Margaret Alexander.

"Hit-the-cat," prize awarded to Kenneth Wert, Tusseyville.

Nail driving contest, prize awarded to Mrs. N. S. Heckman, Georges Valley.

Girls' peanut race, won by Hazel Potter, Centre Hall.

100 yard dash, won by Paul Lingle, Tusseyville.

Bag race, won by Harvey McCool, Spring Mills.

Blind girls' walk, won by Freda McCool, Spring Mills.

Points won—Centre Hall, 3; Georges Valley, 3; Spring Mills, 2; Tusseyville, 2; Union, 1. A baseball game was to have been played but was cancelled on account of the lateness of the hour.

Everybody seemed to have a good time and wishes for another picnic next year.

### A Hot Summer in Chicago.

According to a letter received by the Reporter from Dr. Alfred Beirly, of Chicago, Ill., that city passed through its hottest summer in fifty years. Mr. Beirly says: "Not in fifty years, by the official records, has Chicago had so hot a summer, extending from the middle of May (a month and a half too previous) to Sept. 17th, and maybe then some, although it is now rather cool. Strange to tell, the death rate from heat was very low. People seemed to watch out more than usual to keep in prime condition to combat the heat. Oh, well, the first hundred years of life are nearly always the worst, so cheer up!

"Being so torrid has drawn some of the pep out of yours truly on extra work, hence the slackness on matters astronomical. I have an article ready and when it is agreeable we will assume along that line.

"The 'Reporter' reaches me regularly each Saturday morning, and I seize it with spirit to learn the home news, which always interests me.

"The Lincoln Shrine idea is held in abeyance until the business 'slump' passes, if it ever will under Republican rule (?) (?) . . .

"It will not be long when the tide will turn to safe and save government and from robber tariffs, shoddy textiles, hog proffiteering and Harding trifling.—A. Beirly."

### Millheim to Vote on Increase of Borough Indebtedness.

Millheim will vote at the fall election, on November 9, on the matter of increasing the borough indebtedness to an amount of \$12,000, for the purpose of erecting a municipal building for public purposes.

### Important Research Work.

Some of the most important vitamine research work ever conducted in this country will take place at the Pennsylvania State College experiment station during the coming year. Professor R. A. Dutcher, formerly at the University of Minnesota, and now head of the college chemical agriculture department, announced last week that the college had received a fellowship to be used in determining the vitamine qualities in raisins, and left immediately for a three week's visit to the raisin territory in California. There he will study the making of raisins under the auspices of the California Raisin Growers' Association, donors of the fellowship.

A colony of about a thousand stars of pure strain breeding will be started in a few days at the college for use in the experiments. Professor Dutcher also plans to study methods whereby the vitamine content of condensed milk may be saved from destruction by evaporation in the absence of air. It has been found that oxygen in this process is harmful to milk vitamines. He will also determine the value of a certain waste product high in vitamine content, as a chicken feed. The college is one of the best equipped in the country for this experimental research, and is very fortunate in having Prof. Dutcher here to do the work. He has a nation-wide reputation for vitamine investigation, attained within the past few years.

### TOWN AND COUNTY NEWS.

#### HAPPENINGS OF LOCAL INTEREST FROM ALL PARTS.

The most needful thing to reduce is the army of the unemployed.

Tanlac, the celebrated medicine, is now sold by Centre Hall Pharmacy.

Philip A. Auman, of Georges Valley, is making his home for the present with his son, V. A. Auman, in Centre Hall.

The Garis stonemasons—father and two sons—are laying the foundation for a new dwelling house for Harry Frank, in Millheim.

The Honey Creek public school, near Millroy, has an enrollment of eighty pupils, all under the instruction of one teacher, Homer Dean.

Tanlac, that celebrated medicine, makes you eat better, feel better, sleep better and work better. Sold by Centre Hall Pharmacy.

The number of children and grown-ups who are attending schools of various kinds in the United States, are estimated to be twenty-four millions.

A community hall was dedicated at Siglerville, Millfin county, the other Saturday night. Siglerville isn't much for size, but someone in that neck has the right spirit.

W. Harrison Walker, burgess of Bellefonte, was initiated as a 33rd degree Mason, in Boston, Mass., a short time ago. It is the highest step that can be taken in the Masonic fraternity.

Mr. and Mrs. Ed. L. Bartholomew, of Altoona, came to Centre Hall on Saturday, returning home the same day. The purpose of their short visit was to see Mrs. H. W. Kreamer, who has been ill for several weeks.

The mail facilities from State College have been greatly improved by having a mail dispatched at 5:45 p. m. The mail is carried by auto truck to Bellefonte, where it is sent out over the Bald Eagle Valley railroad.

Beginning the first Saturday in October, Hassinger, the manager of the Millheim auditorium, will begin a series of high-grade pictures. Films showing a number of the leading stars have been booked for the season.

The Bellefonte Times improved its equipment by installing a Linograph type setting machine, also a Lee newspaper printing press. The Times presents a fine appearance and is chock full of local and personal news.

Mr. and Mrs. A. B. Homan and son, of Altoona, spent a few days in Penns Valley, last week. Mr. Homan was taking his vacation at this time and was making his visits to various points by automobile. On Thursday Mr. Homan and family were in Centre Hall.

The Pennsylvania Railroad company advertises in this issue of the Reporter a special Sunday excursion to Niagara Falls for Sunday, October 9, the train leaving Centre Hall on Saturday night, Oct. 8, at 11:05 o'clock. The fare, including war tax, is only \$5.00 for the round trip.

Mr. and Mrs. Harry Kerns, of Bellefonte, had an exciting time one evening last week. A little daughter was permitted to go to the movies and was told to come home at once after the show. Instead of obeying, she went to the home of her grandmother and went to sleep. Police were informed and a search made, and she was found sleeping at her grandmother's home.

Mrs. Elizabeth Stump, of Centre Hall, was a guest for a night this week of her daughter and husband, Mr. and Mrs. J. T. Ammerman, says the Centre Democrat, Bellefonte. Mrs. Stump went from here to Flemington to visit another daughter, Mrs. Thomas Alters, and expected to leave from that place Thursday for Erie, where she will spend a brief time with her sister and husband, Mr. and Mrs. William Campbell.

It is planned to open Bellefonte's Y. M. C. A. next month. A banquet and fitting program will be arranged and the new secretary introduced to the public. Bellefonte now has a Y. M. C. A. that ranks with the best in appointment and convenience, being newly finished throughout and nicely equipped. Large commodious rooms replace the smaller ones and practically everything is kept on the one floor. The details for the opening nor the date have not been announced.

On Monday night of last week, about 11 o'clock, an automobile accident occurred in front of the home of Lloyd Houts at Centre Furnace. John A. Jacobs, of Boalsburg, was on his way from State College to his home, in a Chevrolet car, accompanied by Miss Dorothy Lucas, of Boalsburg, and "Bennie" Weaver, of Bellefonte. When in front of the Houts residence a Ford car driven by Charles Corl, of State College, accompanied by Miss Gladys Lucas, Miss Beatrice Ream and Mr. Poorman, all of Boalsburg, attempted to pass the Chevrolet when it collided with it and the Chevrolet struck a telephone pole and was badly damaged. The occupants of both cars were fortunate to escape serious injury.
