To date October has been easy on the coal bin.

Rain Tuesday night with electric accompaniment.

The Potters Mills hotel is being offered for sale by the Allison estate.

Mrs. Alice Durst is spending several days this week in Williamsport.

A pipeless furnace was installed in the A. P. Krape home the past week by C. B. Stover, of Spring Mills.

Miss Rebecca Derstine departed for Philadelphia on Tuesday morning, where she will be employed for the winter.

People who have been helped by Tanlac are always anxious and willing to tell others about it. Centre Hall Pharmacy.

Strickland Gillilan opens the Centre Hall lecture course next Monday evening, October 24th. Read a sketch of the man on the first page of this paper.

Lloyd M. Kerlin and son, Prof. Frank Kerlin, motored up from Harrisburg on Saturday and remained until Sunday with Mr. and Mrs. P. B. Jordan, at Colyer.

John H. Knarr received this week several pairs of finely finished buckskin gloves which were made from the hide of a buck deer killed by "Nutch" in the Seven Mts. last season.

Bricking on the state road continues to progress nicely. The brick are now laid from the watering trough, the terminus of the new road, to below Bilger bridge, above Noll's store.

A two weeks' honeymoon in Centre Hall terminated Saturday morning when Mr. and Mrs. Herman Bailey left for New York. There they have furnished apartments awaiting their coming.

Hunters should not fail to observe that the gunning season for the smaller game does not open until November 1st, which is eleven days later than last year. Also, that hunting tags must be in the middle of the back.

There is very little abatement of the measles epidemic in Centre Hall. The disease is no respecter of age, either. Although considered a child's ailment, the disease has invaded the ranks of the more mature in years.

The Centre Hall High school contemplates a literary society in Grange hall, on Friday, Oct. 28th. The principal feature of the program will be a debate between teams of the local High school and Boalsburg High school. Full program will be published next week.

Mr. and Mrs. Asher C. Stahl and family, of Altoona, motored here in their car on Sunday and spent the day with Mr. Stahl's parents. They were accompanied back to Altoona by Mr. Stahl's brother-in-law, Robert Snyder, who has secured employment in that city.

Mr. and Mrs. Josiah C. Rossman, of State College, made a trip down through Penns Valley in their auto, on Tuesday, and called on the Reporter on their return. Mr. Rossman refuses to register in the retired list, stating he is doing carpenter work to keep in good physical trip.

A sixty foot observation tower on Broad Mountain, in Huntingdon county, will give protection against fire over an area of 100,000 acres of state forest lands during hazy weather, and 500,000 acres in clear weather. The tower is connected by telephone with the office of State Forester Bartschat, at Milroy.

Mr. and Mrs. Irvin M. Burris, of Yeagertown, motored to Centre Hall on Saturday to visit Mr. Burris' mother, Mrs. Catherine Burris, who is eighty-two years of age and still enjoying remarkably good health. Mr. Burris is night watchman at the homes of the Standard Steel company officials in Yeagertown, and has not experienced the vicissitudes of on-and-off employment of the laborers at the works, but his job has been a steady one.

Mrs. Roger T. Bayard, of Tyrone, and Mr. and Mrs. Frank Harris, of Wichita, Kansas, were entertained at the Cloyd Brooks home, "Rhoneyede," over Saturday and Sunday. It was the first time that either Mr. or Mrs. Harris had visited Pennsylvania, and they employed many adjectives in giving expression to the beauty they saw all about them, especially the grand mountain scenery which during the golden autumn beggars description. Mr. Brooks took them to Penns Cave and the State College, and the two wonders of Centre county, and needless to say, they were delighted. From here the party continued their journey to their main objective, Washington, D. C., where they will attend a large convention.

Red Cross Gives \$310,000 to Aid 'Clean-Up' Drive

An appropriation of \$310,000 for Red Cross work in connection with the "clean-up" campaign instituted by the Government to bring the claims of all disabled service men who are entitled to Federal aid before the proper government bureau for action, has been made by the American Red Cross. The Executive Committee of the American Red Cross in making the appropriation authorized the appropriation of \$35,000 of this sum to the American Legion to defray the expense of the Legion representatives assigned to the various districts of the Veterans Bureau. The remainder of the appropriation was authorized for apportionment among the several Divisions of the Red Cross for carrying on that part of the "clean-up" work that falls directly upon the Red Cross organization.

Nieman's Store News

OUR BUSINESS WAS SO SUCCESSFUL this Fall that I was compelled to make a flying trip to New York City last week, and I have installed a Bright New Stock of Merchandise of Men's and Women's Wearing Apparel for the Fall season. While in the city I found a number of manufacturers that were compelled to raise money quickly, and I WAS RIGHT ON THE SPOT, and I purchased \$10,000 Worth of New and Up-to-Date Merchandise at a great sacrifice in price, and I am READY TO GIVE THE BENEFIT TO MY CUSTOMERS RIGHT NOW, at the beginning of the season.

When opportunity knocks at your door, Don't turn her away —Especially in days like these, when every penny counts!

Come at once and lay in for the Winter Season

Making Extraordinary Mileage a Certainty

Car Owners want more rubber on the tread where the wear is hardest; more gum between cord plies to perfect a resilient and powerful carcass. And they want a scientifically constructed Non Skid tread with all angles and contacts to resist skidding and give sure traction. Firestone Cord Tires have met these demands of the car owners.

Read Letters Below— Records from 29,000 to 57,000 Miles

Sept. 10, 1921
Firestone Tire & Rubber Co., Jacksonville Branch, Jacksonville, Florida.
Gentlemen:—
I submit herewith the history of a 33x6 Firestone Cord tire. This tire has run 57,000 miles. I have retreaded it seven times. The average mileage to each retread is a remarkable record. It is especially unusual as I know the owner to be a severe driver. However, he gives his tires proper inflation. The tire in question is not yet out of service and has every indication of being sufficiently strong for another retread. I am mailing photographs under separate cover. C. U. Penney, Plant City, Fla.

Sept. 2, 1921
The Harvey E. Mack Co., Thirteenth & Harmon Place, Minneapolis.
Gentlemen:—
It occurs to me that you might be interested in the mileage that I obtained from the use of Firestone Cord tires on my Dodge coupe. The first tire went over 29,000 miles. The second tire rolled up a mileage of between 34,000 and 35,000. These were both rear tires and had been cut considerably by chains. The two front tires have gone better than 35,000 miles and are still in good condition. I expect to get at least 40,000 miles from each of them. I need scarcely say that the Firestone Cord will be my tire choice for the future. Archie H. Beard, 522 LaSalle Bldg., Minneapolis.

FABRIC 30 X 3 1/2 NON-SKID EXTRA SIZE \$13.95
