

THIRTY-FOUR YEARS AGO

Paragraphs of News Taken from the Files of the Reporter of 1887.

OCTOBER 20, 1887.

Pine Grove Mills lost one of its school houses by fire, last week, supposedly to have been caused by a tramp.

Millheim's cider press is running out the juice to the tune of 6 barrels per hour, up in the Narrows, where it is run by water power.

Charles Bollinger has made arrangements to move to Altoona, where he enters one of the smith shops of the Pennsylvania railroad company.

Wm. Colyer has purchased a new ten-horse power traction engine which he may use for running his keg-head factory.

Elias Luse & Son's planing mill, at Millheim, was burned on Oct. 15, with a loss of about \$1000, and no insurance.

Electric light was turned on at the State College recently, and is furnished every student for \$3 per term, or \$9 for the College year.

Hunting parties are starting for the mountains after deer, but we have heard of no venison thus far.

On Friday afternoon, last, while returning home from Barnum's show, two young ladies of our town, Miss Maggie Rishel and Miss Beulah Brisbin, got an unexpected fresh water bath, which came nigh resulting in a case of drowning. The road was well taken up with vehicles returning from the show, and these two young ladies occupied a buggy by themselves. Reaching the dam at Valentine's (Axemann) they attempted to pass a rig and drove too close to the brink of the dam, with the result that horse, buggy and occupants went over the bank right where one of the springs empties into the dam. The depth of the water is about 12 feet at this point. Luckily there were many others on the road, who at once hurried to the rescue, and Miss Brisbin was about sinking for the third time when she was reached. Miss Rishel was also rescued before sinking.

Meets Death in Tyrone R. R. Yards.

Poster L. Gearhart, of Tyrone, a signal maintainer on the middle division of the Pennsylvania railroad, met instant death last Tuesday afternoon while engaged at his work in the Tyrone yard, a short distance west of Tyrone station. The unfortunate young man was in the act of bonding rails when a fast freight eastward approached, of which he was unaware. The locomotive struck him, causing instant death.

Deceased was aged twenty-eight years and served overseas during the World War, in the Seventh Field Artillery.

Col. and Mrs. J. L. Spangler, of Bellefonte, are sojourning in Atlantic City.

ONE BRAND-ONE QUALITY-One Size Package

All our skill, facilities, and lifelong knowledge of the finest tobaccos are concentrated on this one cigarette—**CAMEL**.

Into this ONE BRAND, we put the utmost quality. Nothing is too good for Camels. They are as good as it's possible to make a cigarette.

Camel QUALITY is always maintained at the same high, exclusive standard. You can always depend on the same mellow-mild refreshing smoothness—the taste and rich flavor of choicest tobaccos—and entire freedom from cigaretty aftertaste.

And remember this! Camels come in one size package only—20 cigarettes—just the right size to make the greatest saving in production and packing. This saving goes straight into Camel Quality. That's one reason why you can get Camel Quality at so moderate a price.

Here's another. We put no useless frills on the Camel package. No "extra wrappers!" Nothing just for show!

Such things do not improve the smoke any more than premiums or coupons. And their added cost must go onto the price or come out of the quality.

One thing, and only one, is responsible for Camels great and growing popularity—that is **CAMEL QUALITY**.

CATARRHAL DEAFNESS

is greatly relieved by constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and assisting Nature in restoring normal conditions. Circulars free. All Druggists. F. J. Cheney & Co., Toledo, Ohio.

LAXATIVE for Aged People

THE BANE of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Tablets are a favorite with people of middle age and older on account of their gentle action.

Chamberlain's Tablets

Are You Still Sick?

—in spite of everything you tried?

It is because you had the effects treated, not the cause. As long as the cause of your trouble is present, the effects, even if temporarily suppressed, will re-appear again.

Chiropractic spinal adjustments should remove the cause of your disease, which is nerve pressure in the backbone. There is no reason why you should not get well permanently.

Come to my office and I will gladly explain Chiropractic, and prove to you that the cause of your trouble can not only be found, but also in many cases corrected.
