FOOTBALL OUTLOOK AT VARIOUS **CLARK WORKING HARD** FOR STRONG MACHINE

Trying to Bring Jayhawkers Up to Championship Form.

Kansas Should Occupy Same Position in Missouri Valley That Illinois Does in "Big Ten" Conference, Says Allen.

To bring the Jayhawker football team up to the standard of the championship Kansas university baseball team and strong track team, of which Everett Bradley, Olympic star, was captain last year, is the job undertaken by George "Potsy" Clark, who is now head coach of football and baseball at the University of Kansas.

A recent survey of men available for the team shows that ten "K" men and 12 more last year's varsity squad, besides 15 of last year's freshmen team, out for the squad. It is from this group that Clark and his assistants, Karl Schlademan and Adrian Lindsay, must form a strong Jayhawker machine.

Clark can do this, in the opinion of Dr. Forrest C. Allen, director of athletics. "Bob Zuppke made Illinois so far as athletics is concerned and I think Clark can do the same for Kansas," he said. " Kansas should and will occupy the same position in the Missouri valley that Illinois does in the 'Big Ten' conference."

Clark and Zuppke have been good friends for years. During Clark's school days he played on six championship football and baseball teams under Zuppke's tutelage at Illinois. "My good luck piece," is what Zuppke likes to call him.

BASEBALL WAS TOPPING BUT NOISE WAS AWFUL

A friend recently returned from England where he saw, among other things, the blg Oxford-Cambridge cricket match. With the thousands of spectators he politely applauded a catch, and inwardly quailed when fairly easy files were muffed, which was not considered strange by the British crowd.

"Beside me sat a fairly representative Englishman about thirty-five years of age," he said. "During one of the batting rallies when one of the collegians was wasting about an hour or two scoring eighty runs, I asked him if the had ever seen a game of baseball, and if so how he liked It.
