7 Months Old Calf Brings \$47.34.

Budd Wanning, who owns a farm along the mountain road, near Port Matilda, and who makes regular trips to Philipsburg with country produce raised with what was undoubtedly a prize calf during the past season, says the Philipsburg Journal.

The calf was born April 17, 1921, and butchered Nov. 24th, making its age 7 months and 7 days. It was sold to Harry Mattern, who conducts and spruce street cash meat market, and here are some figures relative to the calf that are wholly accurate and which will be of interest to farmers and stock raisers:

The hide weighed 48 pounds, and at 4 cents a pound brought Mr. Wanning \$1.92. There were 7 pounds of liver, which, at 10 cents, totaled 70 cents. The weight of the beef was 344 lbs. and at 13 cents totaled \$44.72, beef, hide and liver bringing together a total of \$47.34.

The calf was a Holstein-Friesian and Red Poll, and its mother is 2 years and 7 months old. It was carefully fed, of course, and the figures quoted above show it.

Franke—Meeker.

A very pretty wedding was solemnized at the home of Mr. and Mrs. H. M. Hipple at their home on Harford Boulevard, Cub Hill, Maryland, on November 23rd, at 7:00 p. m., when Miss Belle Meeker, sister of Mrs. Hipple, was united in marriage, by Rev. W. E. Saltzgriver, to Edward L. Franke, of Baltimore, Md.

The wedding march was played by Mrs. W. E. Saltzgriver. After the minister took his position the groom and best man, Stephen E. Franke, brother of the groom, appeared and took their positions. The groom then walked back to the staircase to meet the bride and bridesmaid, Miss Adeline McClenahan, and escorted them to the place prepared for the ceremony.

After the ceremony was performed the bridal party entered the dining room where a delicious dinner was served.

At 9:30 the bride and groom departed on their honeymoon. Upon their return they will make their home with Mr. and Mrs. H. M. Hipple.

The bride was attired in a gown of navy blue canton crepe and carried a large bouquet of white rosebuds tied with silk mull. The bridesmaid also wore navy blue and carried a bouquet of pink rosebuds.

Auto Fatality Near Houtzdale.

A very distressing fatality occurred on Thanksgiving day, about three o'clock in the afternoon, on the highway between Houtzdale and Madera, when Felton Ochs, of the former place, aged 25 years, met almost instant death in an automobile accident.

The car in which he and three other young men were riding crashed thru a guard rail and turned turtle. Ochs' lungs were punctured and he lived only a few moments. H. Albert Stimmer, driver and owner of the car, E. Mills and a youth named French were only slightly injured.

The car in which the young men were riding was a roadster, and something went wrong with the steering wheel.

Is Your Subscription Paid Up!

All subscribers to the Reporter who know themselves to be in arrears on subscription, are kindly requested to make payment before the first of the year. The great expense to which we have gone in adding very costly machinery to our equipment makes it imperative that we have all delinquent subscriptions paid up, so as to place the necessary funds in our hands.

We believe those subscribers to whom this notice applies will realize our position, take this notice kindly, and not wait for a bill to be sent to them, but take the matter in their own hands at once. The figures on your label show to what date you are paid. Simply multiply the number of years you want to pay by \$1.50.

Those who have paid since Sept. 19 will find no change on their label yet, but corrections will be made soon.

Falls With Rifle; Is Killed.

George Coldren, fifteen years old, of Lewisburg, was accidentally killed by the discharge of his own gun, on Saturday morning a week ago. He was starting out to shoot sparrows with a .22 calibre rifle. In passing over the rear of the porch he stumbled and fell forward, the rifle discharged, and the bullet entered his head under the right eye, taking an upward course and lodging in the brain. Death was instantaneous.

Union County Farmer Bankrupt.

One of the first petitions of bankruptcy ever filed by a farmer in the United States Courts for the Middle District of Pennsylvania has been entered by John Boop, of Vicksburg, Union county.

Mr. Boop gives his assets at \$3,500 and his liabilities as approximately \$8,000, according to his petition filed with Referee George E. Deppen, of Sunbury.

Mr. Boop gives the reason for his financial failure the high prices paid for seed he purchased at the beginning of the season with the drop in prices of all farm produce experienced during the past season. His labor for the year is lost as a result of the bottom falling out of the farm products market, together with what funds he had previously accumulated.

Six Boys Make Record Profit With Their Hens.

A year ago six boys in Blair county started out to clear \$1000 profit in twelve months from their individually owned poultry flocks. They thought they had a hard row to hoe, and went into the game with a great show of interest. They had a total of 646 hens, a little money to start feeding, and the courage of the convicts to succeed.

They not only made their \$1000 gain, but they topped that amount by just \$72.75, and have already started to better that record in the coming year. Reports have just been compiled by the Pennsylvania State College club work division of the agricultural extension department on the wonderful record made by these boys. They are convincing enough to have already organized boys and girls in eight other communities of the state to make money on the Thousand Dollar Poultry Club plan. The Blair county boys attended the Martinsburg Vocational School where their training was invaluable to their success.

The boys counted their labor income on the basis of profits from sales plus the increase in inventory, including additions to the flock or equipment paid for by the business. They also received five per cent interest on their investment. Their hens laid a total of 61,139 eggs in the year, or 5,099 dozen. One boy, Ira Stoltzfus, made a labor income of \$803.82, a remarkable record when it is realized that the average labor income for entire farms in Pennsylvania is between four and five hundred dollars. The other boys are Clair Wetzel, Kenneth Sterns, Ray Benner, Elvin Bridenbaugh and Paul Rhoades.
