**Three Trial Bottles** of Perfume for Your Own Test

BEFORE Christmas try this fascinating method of determining the real value of different perfumes.

Let us send you three miniature vials of perfume with instructions for duplicating the famous international perfume test. You can then choose for yourself the special perfume which will sur-round you with that individual atmosphere of fragrance that so delightfully portrays your personality.

This famous test was conducted by two prominent NewYork men, assisted by a jury of 103 womenfamous actresses-college girls-society women - all fastidious about their perfume. It not only demonstrated beyond a question of a doubt now the individual can safely select her personal per-fume, but it developed some surprising facts about the REAL preference of these fastidious women. Every girl should read this inter-esting story; it is told in a little folder packed in each test equipment package.

Three trial size vials of wonderful fragrance—a package of per-fumer'stestslips—fullinstructions for use and the story of the famous test—all packed to reach you safely—for a two cent stamp and your address. Send today to Perfume Test Bldg., COLGATE & Co., P. O. Box 645, City Hall Station, New York City.

#### Advice.

"What would you say to a young man who asked your advice about going into politics?"

"I'd tell him to keep out," replied Senator Sorghum. "A man who succeeds in this game has enough self-reliance to prevent him from holding off in the hope of benefiting from somebody else's advice."

# What Kind of a Day Do You Wish Yourself?

Suppose you could make a wish at the breakfast table and finally have the wish come true. Would you say,

"I want this to be a good day," or-"I am willing for this day to drag along?"

If you keep on wishing your days with the food you eat, finally the wish is likely to come true.

Grape-Nuts helps your wish for a good day. Nothing miraculous; just the natural result from right food with the right taste.

There is a charm of flavor and crispness in Grape-Nuts that is like the smile of a good friend at the breakfast table-

And Grape-Nuts, with cream or milk (fresh or tinned), is fully nourishing-feeding the tissues and glands, the bone and blood, with just those elements which Nature requires - building strength without any "heaviness."

Grape-Nuts is the perfected goodness of wheat and malted barley, scientifically developed -ready to eat from the package. A Grape-Nuts breakfast or lunch is a practical wish for good luck.
