During the cold winter months let us not forget God and His Church.

We want to study the lives of some of the world's great men whose birthdays come during these months now before us.

Let us seek out the good in their lives and profit by their mistakes.

Come and worship with us and bring a friend with you.

U. Ev.—Lemont, morning; Linden Hall, afternoon.

Presbyterian—Lemont, morning; Boalsburg, afternoon; Pine Grove Mills evening.

Senator Penrose's death, Saturday afternoon, will cause many political changes. His long service in his party put him in many prominent positions not easy to fill. He was chairman of the Senate finance committee, a position of great importance in political affairs. As the party leader in Pennsylvania, Penrose was able for many years to keep the boys oiled up by dispensing patronage.

Penrose, in 1897, defeated Mr. Wampler for the senatorial toga, Senator Quay having aided him, as did also Durham, a Philadelphia politician.

Sentenced for Bank Robbery.

Raymond Shope and Harry Kinkad, of Philipsburg, were sentenced on Monday to five to seven years in the Eastern Penitentiary for having robbed the State bank at Karthaus, about ten days ago. A brother of Shope pleaded guilty to having received \$500 of the loot, but claimed he had no knowledge of where it came from, and on this plea no sentence was imposed.

"Dick" Kinkad was taken before the cashier, whom he had locked in the vault prior to the robbery, and was positively identified by him, and later Kinkad admitted the crime, and named as his accomplice Raymond Shope. The greater part of the money was found—\$2,000 of the \$3,000—in Kinkad's home.

New Republican County Chairman.

David Chambers, of Snow Shoe, who several years ago resigned as chairman of the Republican County Committee, has been succeeded by Frank Mayes, present County Treasurer. Pressure of business was given as the reason for the resignation of Mr. Chambers.

May Have Student Pastor.

Appointment of a student pastor for Pennsylvania State College was decided at a conference of the Presbyterian synodical home mission committee, representing the state, held at Harrisburg. A resolution to increase the home mission fund for work in the state from \$40,000 to \$100,000 was referred to a committee.

Off to Arkansas.

On Monday morning Cleveland Mitterling left Centre Hall for Eureka Springs, Arkansas, the famous health resort, and on Wednesday morning he was followed by I. Clymer McClenahan. Mr. Mitterling has not been in the best of health for several years past, and it is with the hope of receiving some enduring benefit that he decided to visit the famous Southern resort. Clymer McClenahan, who has catarrhal trouble, hopes too that a few months at Eureka Springs may remove the trouble.

Mr. Mitterling, if he finds the place to his liking, purposes renting a cottage and then sending for Mrs. Mitterling. The length of their stay is indefinite, although Mr. Mitterling thinks that by April or May he will be ready to return to his home. He has arrangements with a responsible person to take care of his cow-buyming business, and an ad. to that effect will be found in this issue.

The many friends of both young men trust that they may find the good health which they are seeking.

Birth and Death Statistics.

In the 338th district in Pennsylvania, comprising Centre Hall borough and Potter township, Cyrus Brungart, Registrar of Vital Statistics, there were during 1921, fifty-four births and twenty-three deaths, the births being 235 per cent of the deaths. A fine showing, indeed.

Aged Man Fell, Breaking Leg.

John A. Slack, on going out into his back yard the day after Christmas, fell to the ground and in doing so broke one of the bones in his right leg just above the ankle. The fracture was reduced by Dr. H. H. Longwell. Although past eighty-two years of age, Mr. Slack is bearing up well.

New House to Be Built.

One day last week, Frank D. Lee sold his lot, adjoining the Lee home on the south, in Centre Hall, to Roy Dutrow, who with Mrs. Dutrow, has been living in Williamsport for some time past. It is the purpose of Mr. Dutrow to erect a dwelling house on the bungalow plan on the lot in the Spring, to be occupied by him and his wife.

The consideration for the lot is said to have been \$500.

Eckenroth the Lucky Man.

About one hundred and fifty persons participated in a luncheon with the Beatty Motor Company, Bellefonte on Saturday evening. Seventy-five of these had given orders for Ford cars of some type. Edward C. Eckenroth, of Bellefonte, a paper hanger, was presented with a car, having won out under regulations laid down by the seventy-five persons who had the matter in hand.

Annual Meeting of L.O.O.F. Hall Assoc.

The annual meeting of the Centre Hall I. O. O. F. Hall Association will be held on Monday evening, January 16th, at 7:30.—By order board of directors.

Suspect Milk a Epidemic Cause.

Last week there were thirteen cases of scarlet fever in Look Haven and four in Flemington, and the health officers are at a loss in tracing the source of the outbreak. The only theory advanced so far has been that, as the majority of the families afflicted all take milk from one dairyman, the germs of the fever may have been in the milk. The board of health has stopped the milkman from delivering milk pending an investigation of the matter.

Remitting on subscription, P. B. Herman, of Altoona, writes: "I can't do without your valuable paper."

THE DEATH RECORD.

GROVE.—Mrs. Emma P. Grove died at her home just beyond the southern boundry of the borough limits, on Sunday morning, after a prolonged illness due to a complication of diseases. She was aged seventy-six years and ten months.

Funeral services will be held this (Thursday) morning at the house, Rev. M. C. Drumm, of the Lutheran church, being the officiating minister. Interment will be made in the Union cemetery at Farmers Mills, by the side of her husband, Thomas Grove.

The deceased was a daughter of the late Peter Shiffler. She is survived by the following children: Mrs. Anna Harrison, at home; Witmer and Arthur, of near Centre Hall; Mrs. Robert F. Williams, of Lemont, and Earl.

BLAUSER.—John William Blauser died on Monday afternoon at the home of his parents, Mr. and Mrs. John Blauser, of Potters Mills, at the age of sixteen years, one month and sixteen days. He was ill for about ten days, "flu" causing his death. Interment will be made this (Thursday) afternoon at Sprucetown.

The deceased leaves to mourn his loss his parents and four brothers and sisters. He was a student in the Centre Hall High school, and a youth very slim but in height six feet, two inches. Some few years ago he met with an accident—a heavy door striking him on the breast—which to some extent was the cause of his final condition and rendered him unable to battle successfully with the disease that attacked him.

RICKERT.—The body of William Rickert, a former resident of Tusseyville was shipped to Centre Hall, arriving on Tuesday, and burial was made in the cemetery at Tusseyville. For the past six months he had been a patient in the Lock Haven hospital, suffering with a diseased hip. Death came Saturday night. For several years past he resided with his family at Mill Hall. His wife, who was formerly Alma Stoner, of Tusseyville, survives with two children. The age of the deceased was about thirty-four years.

WIRTH.—John H. Wirth, an aged citizen of Livonia, passed away on Monday at the ripe age lacking one day of being 82 years. When sixteen years of age he settled in that district, thus being sixty years a resident there. His wife preceded him over two years ago. During his last illness he made his home with the only surviving child, Mrs. Henry Garrett. He is also survived by four half brothers—Forest, of Kaneville, Ill.; Gilbert and Edward, of Milton, and Andrew, address unknown. He was a staunch member of the Reformed church; honest in every way, one whose word was as good as gold; a good citizen whose influence was felt and will remain for time. Burial was made at Livonia, Thursday afternoon. The charge being without a pastor, Rev. Shultz of the Lutheran church officiated.

IMMEL.—Mrs. Conrad Immel died at Green Grove, near Spring Mills, aged about 83 years. Interment was made in the Green Grove cemetery, Wednesday forenoon.

GARMAN.—Corney M. Garman, a son of the late Mr. and Mrs. Daniel Garman, of Bellefonte, died at his home at Wechawken Heights, N. J., aged 55 years. He is survived by his wife, three daughters and two sons and the following brothers and sisters: Allen and Robert, of Tyrone; Edwin and W. H., of Bellefonte; Ira D., of Philadelphia; Mrs. Minnie Maitland, of Williamsport; Mrs. Charles Cruise, of Bellefonte.

Flivvers That Work Must Pay \$5.00 Extra.

A dispatch from Harrisburg of interest to auto owners is printed below:

Farmers who use their passenger flivvers to haul produce to market regularly must pay \$5 additional this year for their automobile license. When a flivver, no matter if it is equipped with the cushioned passenger seats, is used to haul produce regularly, it is classed as a commercial vehicle.

Many indignat protests have been directed against this ruling of the automobile division, but division officials say a car used as a truck is a commercial vehicle. The license for a passenger flivver is \$10 a year, but when it becomes a commercial vehicle the license is \$15.

The state agricultural department is devising means to more fully enforce the dog law. The State will be divided into 10 or 12 districts and a field man appointed for each to see that the law is respected.
