"The Four Horsemen."

An event that has undoubtedly aroused a great deal of preliminary interest, will be the first Bellefonte showing of "The Four Horsemen of the Apocalypse" at the Opera House next Tuesday and Wednesday, with matinee daily. The unanimity of opinion in regard to the unusual merits of the film version of the great epic of the world war by the Spanish novelist, Vicente Blasco Ibanez, especially in New York, Chicago and Detroit, has been so pronounced, as to arouse the liveliest expectations in regard to its magnitude and the interpretation of the remarkably human characters that Ibanez has depicted in his book.

The mere expenditure of a million dollars; the building and destruction of an entire village in France, as incidental to the second battle of the Marne; the six months' time consumed in making the various scenes, and the thousands of people employed, are all important milestones in the production. The scenes of the story are laid in the Argentine and in France. Paris is shown just before the war, but it is not the war, as war, that is offered, it is said, but the wonderful psychology that lay behind it.

This picture will be presented at the Opera House, next Tuesday and Wednesday evenings, with matinee daily. Special Horsemen orchestra.

Reserve seat sale opens Saturday morning at Mott Drug Co., Bellefonte. Phone for your tickets early.

Get "Snowshoe" Rabbits.

First "snowshoe" rabbits from the state of Maine, ordered by the state game commission last fall, are now being distributed about the state by game protectors. The "snowshoe" rabbits were tried several years ago and successfully propagated and hundreds will be turned loose this season. Numerous "cottontails" from the middle-west also are being distributed and some jackrabbits from Kansas will be tried.

"It's the Cheapest Thing I Ever Bought," Writes Mrs. J. Mason, Va.

"I paid \$1.25 for five cakes of Rat-Snap and judging by the large number of dead rats we've picked up, I reckon we've saved hundreds of dollars in chicks, eggs and feed." Your pets won't touch it. Rat dry up and leave no smell. 35c, 65c, \$1.25.

Biliousness

WHEN you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever.
