A good thing done by the local P. O. S. of A. was the giving of a free illustrated lecture in Grange hall last Friday night. "New Americans" and "At the Gates of the New World" were the Houtz with a team of horses pulled topics. The "lectures" were read by Rev. Needless to say, the Grange hall was filled Everyone seemed to appreciate the entertainment, which besides taking on the form of entertainment, was truly instructive and patriotic. The sophomores, traditional enemies of the "lowly" freshmen at the Pennsylvania State College, apparently buried the hatchet for the year when at their last meeting they decided unanimously to invite freshmen to attend their annual Spring "Hop" on the evening of St. Patrick's Day, March 17. A marked cessation of inter-class hostilities has been noted in student life at Penn State in the past | few years, or ever since the first scraps that held possibility for injury were abolished. # Buy outright through your Bank or Broker, or on the Partial-payment Plan

Banks do not recommend any particular stock.

They desire, however, to encourage systematic saving and careful investing, and most of them afford the service and facilities of their loan departments to customers who desire to purchase reliable securities on the partial-payment plan. The usual arrangement is to make an advance payment of approximately onefifth of the purchase price, and pay off the balance gradually.

The dividends on the stock will more than pay the interest on the loan. It is a fine way to save --- to make a start as an investor, as a partner in a conservative, reliable, established business.

The following banks will assist their customers in making such investments:
