

SPRING MILLS.

Born to Mr. and Mrs. Hobart Barger, a son, on February 14th. Mrs. Orris McCormick is quite ill with gangrene of the foot. Robert Neese is having the Neese home wired for electric light. Mrs. Jasper Wagner spent Sunday at Centre Hall.

Charles Allison, of Toronto, Canada, spent a few days at the William Allison home.

Mrs. Bruce Meyer, of Avis; Bruce McCormick, of Sunbury, and Orvis Beatty, of Avis, were called here to see Mrs. McCormick, who is very ill. Miss Jennie Bartiges, teacher of the grammar school, is sick with scarlet fever at her mother's home at Penn Hall. Clair Ohl is acting as substitute for Miss Bartiges.

Not being able to get the price for his home he built last summer he would like to have had, Elmer Ripka has decided to move into it himself and rent the one he now lives in to Charles Ripka.

POTTERS MILLS.

Grandmother McClenahan is not improving at this writing.

Mrs. Lot Condo is spending some time at the Burkholder home.

Mrs. M. N. Miller suffered another severe attack at the heart, but we are glad to note an improvement.

Frank McClellan, of Centre Hall, visited here on Friday.

The saw mill at this place has been on the standstill for a week. Some say they are tired loafing.

Mrs. John Wagner is now able to walk with a crutch.

Mr. and Mrs. Valentine and two children, of Georges Valley, spent a short time at the J. C. McClenahan home.

Some of the schoolmates of Master William McCormick sprang a surprise on him on his tenth birthday by enjoying a gathering at his home.

Horse Kicks Boy.

Chester Foust was kicked on the leg by a horse on Monday afternoon with such force as to break the bone just above the knee. The fracture being so close to the knee made the case difficult to handle and it was at once decided to take the youth to the Bellefonte hospital, which was done. He is getting along very nicely now.

Chester is aged fifteen years and has his home with Mr. and Mrs. Harry Cummings, of the Cummings homestead west of Old Fort.

In his report on the forest fires that burned in the Penn State Forest District during 1921, District Forester

Charter Will Be Granted.

The local committee, representing the stockholders of the proposed First National Bank of Centre Hall, were informed through their attorney, John G. Love, that the Comptroller of Currency had given permission to proceed with the organization of the bank. The stock has about all been subscribed, and it is now incumbent upon the subscribers for stock to pay in the first instalment and proceed with the organization. A meeting for that purpose will be held within a short time.

For Benefit of C. H. H. S.

Humphrey C. Delbert, character impersonator and reader and lecturer of wide reputation, will give an entertainment in the Grange hall on the evening of Saturday, March 4th, for the benefit of the senior class of the Centre Hall High school.

Notice to Farmers.

The Farmers' Co-operative Association will hold a special meeting in the Grange hall on Friday evening of this week, to take order for fertilizer and transact other business.—Sec'y.

PRODUCERS OF
HOME ECONOMY

"SILVER LEAF" Flour is made from the wheat you see growing in the fields of our own country. This wheat is grown by our farmers who know how to harvest and deliver it to our mill door in the most perfect condition. Our miller takes the golden wheat, puts it through the cleaning conditioning and grinding processes, and the resulting flour is "SILVER LEAF" Flour.

In addition to "SILVER LEAF" flour this wheat yields two products called Bran and Middlings. "Silver Cream" Bran and Middlings are sought by the farmer for his cows in order that he may be able to furnish the rich milk that, together with the delicious "Silver Crust" Bread, made from "Silver Leaf" Flour, makes that nourishing Bread and Milk for the kiddies. When you buy a sack of "Silver Leaf" Flour you are making a market for your farmer friend's wheat and you are helping the wonderful milk that, together with "Silver Crust" Bread, is the most nourishing and economical food for your family.

You get the best food for the smallest amount when you buy "Silver Leaf" Flour and you help keep the barn of plenty filled. The farmer, you and our mill are getting all the value without paying needless freight charges. "Silver Leaf" Flour is a Home Economy Flour. Buy it from your grocer or from mill direct. **HAND IN YOUR ORDER FOR—**

FLOUR, CORN CHOP MIXED CHOP, MIDDINGS, BRAN AND CORN MEAL. It will be filled satisfactorily.
