COMMITTEE APPROVES TREATIES.

Pacific Pact and Naval Limitation and Submarine Treaties Are Ordered Favorably Reported to Senate, By Vote of 10 to 3.

The four power Pacific treaty together with its supplements and a reservation and the naval limitation and submarine treaties were ordered favorably reported on Saturday by the Senate Foreign Relations committee.

The reservation attached by the committee to the four-power pact embodies the compromise suggesting after conferences with President Harding and declares that nothing in the treaty shall be construed as forming an "alliance." It was approved by a ten to three vote.

Also by a division of ten to three with Senators Borah, Idaho, and Johnson, California, Republicans, and Shields, Democrat, Tennessee, voting in the negative, the four-power treaty then was ordered reported to the senate. The vote by which the naval limitation and submarine treaties were favorably reported was unanimous.

Pinchot for Law Enforcement.

Whatever else may be said about Gifford Pinchot, very truthfully remarks the Altoona Tribune, it is quite certain that he has never tried to conceal his convictions under a cloak of words. He believes that law enforcement is one of the most serious issues we now have to face. And he is strongly favorable to special efforts to make respected by all and feared by those who are disposed to violate it. For one thing, he tells us that the present line-up is not between the wets and the dries, but between those who favor law enforcement and those who are against it. He speaks strongly and truthfully in criticism of the present license law, the purpose of which, he truly says, "is to continue the saloons, most of which can live only because they break the law by serving as a cover for bootlegging. The people should make an end of the criminal combination between the bootlegger and the corrupt politician," affirms Mr. Pinchot.

Hon. Thomas B. Beaver formally announces that he is willing to be re-elected a member of the lower branch of the state legislature. The Bellefonte Republican predicts he will have no opposition for the Republican nomination, but it appears there are a number of Republicans who hold that Hon. Ives Harvey should be vindicated. The appearance of Mr. Harvey in the field would create more than a little stir in the Beaver camp.

THE DEATH RECORD.

BREON.—Mrs. Frank H. Breon died at Farmers Mills, Friday afternoon, after a brief illness from grip. About a week previous to her death she had given birth to a girl baby, which makes her death particularly sad. Interment was made Monday forenoon at the Union cemetery; services by Rev. M. C. Drumm.

Mrs. Breon, before marriage, was Miss Lettie Rachau, a daughter of Samuel I. Rachau, and was aged about twenty-eight years. She and her husband just began life on the farm a year ago.

Besides her husband and baby daughter there survive her parents and two brothers—Ralph and Jay, and one sister, Ruth.

ZIMMERMAN.—It was just last week that the Reporter chronicled the death of Harry E. Zimmerman, former commissioner of Centre county, and in this issue the death of his wife is published. Mrs. Zimmerman had become weak mentally and was removed to the Danville hospital some time ago, at which place her death occurred Tuesday morning. The body was shipped to Centre Hall in the afternoon and from here was taken to the Zimmerman home, from which place interment will be made Friday afternoon.

Mrs. Zimmerman before marriage was Miss Jennie Sabel Martin. She was aged sixty-eight years.

CARPER.—Mary Carper died at the home of her daughter, Mrs. Alonza Rupp, in Altoona, on Friday, and interment was made in Boalsburg cemetery Monday afternoon, the funeral having been conducted by Rev. James Runkle, her pastor, assisted by Rev. Stover, of Boalsburg. She was aged almost eighty years, death resulting from infirmities due to age. She was the daughter of the late John Carper, of Linden Hall, where she spent the greater part of her life.

Besides the daughter named above there survives also Mrs. Nathan Ziegler, of near Spring Mills. John Carper, of Linden Hall, is a brother of the deceased.

HATFIELD.—Rev. Charles Abner Hatfield, pastor of the Church of Christ, at Blanchard, died at his home at that place on Wednesday morning of last week, after a three weeks' illness with pleurisy. He was forty-four years of age.

Deceased had been located in Blanchard since April of last year, when he assumed charge of the pastorate of the Church of Christ at that place, going there from Watertown, N. Y.

He is survived by his wife, one son, John, who is two years of age; his mother, who is 84 years of age, and who resides at Woodland, Me., and several brothers and sisters.

BECK.—William Henry Beck, a well known farmer of Walker township, died at his home near Snyder town at 4:30 o'clock on Wednesday evening of last week. He was in his customary health up until Tuesday evening when he suffered a stroke of apoplexy, lingering in a semi-conscious condition until his death on Wednesday afternoon.

He was a son of Henry and Hannah Furst Beck and was born at Snyder town on September 7th, 1857, making his age 64 years, 5 months and 15 days. Practically his entire life was spent on a farm in the vicinity of his birth. He was a life-long member of the Lutheran church and a splendid citizen. He was twice married, his first wife being Miss Elvira Morris, of Ohio. After her death he married Miss Clara Singer, of Romolo, who survives with two children, Margaret and William, both at home. He also leaves one brother, M. L. Beck, of Howard.

Funeral services were held at his late home Saturday afternoon by his pastor, Rev. W. J. Shultz, of the Lutheran church, after which burial was made in the Snyder town cemetery.

DUNCAN.—Mrs. Lena Duncan, wife of the late William P. Duncan, a former resident of Bellefonte, died suddenly at her home in Mont Clair, New Jersey. She had been in normal good health apparently and her unexpected passing away proved a great shock to her relatives and friends.

Two daughters survive. They are Mildred, wife of Malcolm Macfarlane, of Mont Clair, and Miss Natalie, at home. A brother, Harry Derringer, of Spangler, and two sisters, Mrs. Herman Ireland, of Baltimore, and Mrs. Horton Kelley, of Delaware, also survive. Burial was made at Lewisburg.

DRYE.—Amos J. Dnye died at his home in Tyrone Forges from complications. He was sixty-five years old. He married Miss Katherine Rine, of Bellefonte, in 1877, and she preceded him to the grave in January, 1921.

POWELL.—J. S. Powell, for thirty years superintendent of the Baptist Sunday school, died at Milesburg. His age was eighty-three years.

An effort is being made by Attorney General Allen to induce other states to join Pennsylvania to make general protest against the United States pushing legislation legalizing the taxing of state and municipal bonds. The plea will be made that taxing these bonds will be virtually taxing the state.

The \$3200 paid Governor Sprout and Lieutenant Governor Beldieman illegally by the state for salaries as senators might help out one or two small school districts if they had it just now. Potter township and Centre Hall boro could use it and are entitled to it for school purposes. Pennsylvania has money to pay unearned salaries but nary a cent for the schools.

Looking through an old Bell Directory is as interesting as rummaging through grandmother's trunk in the attic.

It is a good way to check up on the progress of the community. It is surprising to find how often the first users of the telephone were the men of vision who later developed into leaders in their respective fields.

The first telephone directory was merely a sheet of paper with the names of about a dozen subscribers. In most cases no numbers were printed in the directory and calls were made by name. You simply said to the operator "Get me Mrs. Jones."

Every new telephone directory is a new footprint in the path of progress. The extension of the service and your increasing dependence on this means of communication is a tribute to the performance of the Bell Telephone System in the past.

New problems of operation and management develop as fast as the old ones are solved, but we have faith in our ability to meet the demands of each new era as we have met those of the past.

And we have the benefit of the experience of others who are working on similar problems in other parts of the Bell System.
