POTTERS MILLS.

The sudden death of little John Smith was a terrible shock to the community. The funeral was largely attended. The pall bearers were William McCormick, Paul Palmer, Merrill Copenhaver, and Edward Loughner. Mrs. Wilson and four children, of Millheim, attended the Smith funeral. Mrs. John McNitt, of Milroy, spent Sunday with her mother, Mrs. McClenahan. Charles Condo, his family and his sister, of Milroy, visited the Condo home in this place one day. Mrs. Emmerson Ennist has been on the sick list for some time.

GEORGES VALLEY.

(Received too late for last week.) The cold and frosts did much damage to the fruit in our valley. Mr. and Mrs. D. D. Decker were State College visitors on Sunday. Mrs. Sarah Reeder is spending some time at the home of her son, J. C. Reeder. Mr. and Mrs. J. C. Reeder spent Sunday at the home of their daughter, Mrs. Ray Sharer. J. B. Ripka and family visited at the Lloyd Leister home at Potters Mills, on Sunday. Mr. and Mrs. William Lingle, of near Tusseyville, visited the W. P. Lingle home on Sunday.

The Centre Reporter, \$1.50 a year.

REBERSBURG.

The Garret carpenter crew are building a two-story porch to the front of the store building occupied by M. C. Haines. There has also been a new roof placed on this building, besides other repair work.

At this writing several children of the Curtis Beiry family are confined to their beds with pneumonia.

Samuel Shaeffer is having lumber placed on his lot with which to build a new house.

William Stover, at the east end of town, recently had a large porch built to the front of his brick residence. Mr. Stover also had his house and barn painted; his neighbor, Clayton Brungart, followed suit and had his house painted.

John Meisinger is engaged at spraying the fruit trees in this locality. Although it is believed that the greater part of the fruit buds have been damaged by the late cold and frosty nights, nevertheless it is well to take precautions against the destructiveness of the San Jose scale.

Last Saturday a number of people from this place attended the sale of the personal property and real estate held by Jerome Brungart, two miles east of Wolf Store. The real estate was sold to Calvin Auman for \$200.

At this writing one of Edward Erle's children is seriously ill with pneumonia.

The wires have been placed on the poles for lighting up the dwelling houses and the streets of this place by electricity.

WITHOUT-STREET ADDRESS YOUR MAIL IS DELAYED AT OFFICE OF DELIVERY

The Dead Letter Office has been in existence ever since Ben Franklin started our postal service. Even then people addressed mail to Mr. Ezekiel Smithers, "Atlantic Coast," and expected Ben to know just where Zeke lived.

Perhaps they had Zeke's address in letters up in the garret, maybe a chest full of 'em, but then it was easier to let Ben hunt Zeke. Today people are addressing letters to John Smith, New York, N. Y., or Chicago, Ill., thinking Uncle Sam can locate him, which is just as incomplete as was Zeke's address of yore. The Postoffice Department asks you to put the number and street in the address. It helps you.

Trinidad Col.

How do you expect the Postal Clerk to know whether you mean Trinidad, California, or Trinidad, Colorado? ALWAYS SPELL OUT THE NAME OF THE STATE IN FULL IN THE ADDRESS.

"MORE BUSINESS IN GOVERNMENT"

This apt phrase was used in President Harding's first message to Congress and applies particularly in postal management where postmasters are being impressed with the fact that they are managers of local branches of the biggest business in the world.

CYRUS BRUNGART, JUSTICE OF THE PEACE, CENTRE HALL, PA.

Special attention given to collecting. Legal writings of all classes, including deeds, mortgages, agreements, etc. marriage licenses and hunters' licenses secured and all matters pertaining to the office attended to promptly. Jan-22

CATARRHAL DEAFNESS

is greatly relieved by constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the Eustachian Tube, thus reducing the inflammation and assisting Nature in restoring normal conditions. Circulars free. All Druggists. F. J. Cheney & Co., Toledo, Ohio.

KESSLER'S

IT ISN'T a difficult thing to appreciate fully just why we are all worked up about the New SPRING MERCHANDISE now on view in our store.

There have been few seasons when either the fabrics or models were as attractive as these. In fact we do not see how it would be possible to give more in style or value than we give in this collection. There are novelties, quite natural, and staples for quiet wear.

IN SHOES have every wanted perforation, stitching or finish. Some people want a shoe that is distinctive in looks; some like them severely plain. But all want them to be comfortable always. We can fit you properly, and at a price that you will approve.

Come in and see—no obligation implied—we are glad to see you.
