

LOCAL AND PERSONAL.

After a short illness, John H. Weber is again able to be about as usual.

Mr. and Mrs. Wilkie Horner, of Altoona, were visiting among friends on the south side of Potter township last week.

Mrs. S. W. Gramley and daughter, Miss Lucille, of Millheim, are visiting with Mr. and Mrs. C. E. Lykens, in Philadelphia.

Carl McClellan, son of Robert McClellan, met with a misfortune resulting in the necessity of having an arm hung in a sling.

The strong Milroy baseball team will be here on Saturday afternoon to engage the local team in battle on Grange Park. Turn out and support your boys.

At the present rate of Tanlac sales it is estimated the grand total will reach 24,000,000 bottles at the end of the present year.—Centre Hall Pharmacy.

Mr. and Mrs. John Garis, of Bellefonte, visited the former's parents, also his brother, William, and bride, who just set up housekeeping in Centre Hall.

Mr. and Mrs. Thomas Keefer and children, of Youngwood, and Mrs. J. S. Getchell, of Uniontown, are at the home of the ladies' parents, Mr. and Mrs. Cyrus Brungart.

Mr. and Mrs. Guy Crowl, Mrs. Mary Christine and the latter's granddaughter, Bette Hull, of Elysburg, motored to Centre Hall to visit Mr. and Mrs. T. L. Moore and family.

Miss Mary Kennedy, who had been in Altoona at the home of her sister, Mrs. Edward L. Bartholomew, for a visit of some weeks, returned to her home near Centre Hall recently.

Mrs. L. W. Ruble of Cleveland, Ohio, and Mrs. George Robertson, of Hartford, Connecticut, arrived in Centre Hall on Monday, having come here to attend the funeral of H. C. Shirk.

Among the first of the Centre Hall High school graduates to get to work as Miss Ethel Frank, who has accepted a place in "Candyland," State College, and went to the college town on Monday.

William Kerlin brought joy to the hearts of eighteen youngsters when he loaded them on his Dodge truck on Saturday afternoon and took them to Linden Hall to witness the Centre Hall-Linden Hall baseball game.

Children's Day services will be held in the Methodist church next Sunday evening. A pleasing feature of the program will be a pageant given by the children and young people, entitled "The Church Builders."

Former Prothonotary David R. Foreman and family, of Bellefonte, attended the memorial services here. His father, John Foreman, was one of the boys whose name was read at the services as having passed to the beyond.

Mr. and Mrs. C. D. Mitterling and daughter Miriam arrived in Centre Hall on Monday, after an absence of several months in various parts of the west. They drove here in a Ford coupe, purchased in Freeport, Ill., making the 900 miles without fatigue.

John H. Horner, of Tusseyville, who for early six months has been confined to the house, and the greatest part of that time in bed, suffering with sciatic rheumatism, is now able to be out again, although the aid of a cane is necessary to move about.

Mrs. Elizabeth West was stricken with paralysis one day last week, her condition being rather serious since. She has been an invalid for many years, but accepted her lot in life with great fortitude. She has the sympathy of a wide circle of acquaintances.

Arrangements have been completed to take Mrs. Howard E. Grove to the Gesinger hospital at Danville, on June 8th, for the removal of a goiter. Mrs. Grove has long been suffering from the growth on her neck and of late her condition has become such that relief is imperative.

Word was received at State College that Mrs. Erle E. Sparks was seriously ill in a Philadelphia hospital, where she had undergone an operation. Her many friends will be gratified to know that latest reports from the hospital are to the effect that conditions are favorable for her recovery.

Edward Jamison, insurance agent, and former Sheriff A. B. Lee, of Spring Mills, were business callers at the Reporter office on Monday. The former wrote the insurance for the new bank against burglary and hold-ups. The policy issued by the American Surety Company, of New York, includes insurance of the contents of safety box deposits and this guarantees patrons of this bank full security.

FINKEL-EMERY NUPTIALS.

Miss Hazel E. Emery becomes bride of Rufus Roy Finkel at High Noon, Tuesday.

A pretty, although unostentatious, wedding was solemnized at the home of Mr. and Mrs. C. F. Emery, in Centre Hall, at high noon on Tuesday, when their oldest daughter, Miss Hazel E. Emery, became the bride of Rufus Roy Finkel. The Emery home was prettily decorated with mock orange, pink roses and fern. Only the immediate relatives of the contracting parties were witnesses to the ceremony, which was performed by Rev. C. P. Catherman, pastor of the bride. The ring ceremony was used. The bride was dressed in white canton crepe and carried white roses. Miss Margaret Emery, sister of the bride, was bride's maid, and Russel Condo, brother-in-law of the groom, was best man. Mrs. C. F. Catherman played the wedding march from Lohengrin.

Immediately after the ceremony a sumptuous wedding dinner was served. The bride and bridegroom shortly thereafter left for Lewistown, and from that point proceeded for Washington, D. C., and other eastern cities for a brief honeymoon, after which they will be at home at 412 Chestnut street, Millburg.

The bride is an estimable young woman, a graduate of the Centre Hall High school, class of 1913. She possesses a charming manner, which is enhanced by real beauty. Combining the qualities of real womanhood and genuine pulchritude, she is truly one of Centre Hall's most lovely young women, and it is our humble opinion that Mr. Finkel has drawn a prize of pure gold in the game of love. The bridegroom is a son of Mr. and Mrs. A. N. Finkel, of Spring Mills. He is a graduate of Penn State, '13, in the school of electrical engineering. He is in the employ of the R. T. Jones Lumber Co., of Philadelphia, as salesman, and a young man of sterling qualities.

In addition to the members of the Emery family, the minister and his family, there were present at the ceremony Mr. and Mrs. A. N. Finkel, Mr. and Mrs. Russel Condo and two children, of Spring Mills.

The Reporter joins the many friends of the happy couple in extending heartiest congratulations.

Memorial Day.

Memorial services were held in all cemeteries in this locality on Tuesday as has been the custom for years. The day was an ideal one, and this was responsible for large attendances at all points. At Centre Hall the speaker was Rev. J. M. Kirkpatrick, pastor of the Presbyterian church. His address was one of unusual interest.

Drive for New Amendment.

The setting aside of the Federal Child Labor Law by Chief Justice William H. Taft, suggests the expedient of the adoption of a new amendment to the constitution. Already a resolution calling for an amendment giving Congress power to regulate employment of children under eighteen years of age has been introduced in the House by Representative Fitzgerald, and in the Senate by Hiram Johnson. Such an amendment would go to the root of the matter, but would not open the way for such a general meddling by Congress with the internal affairs of the states as Justice Taft has warned us against. The states having ratified such an amendment, either of the former laws could be revived, or an entirely new one could be passed without fear of its reversal.

The early planted corn looks decidedly fine. In some fields in the vicinity of Millheim the corn has been cultivated.

LOCAL AND PERSONAL.

Children's Day exercises will be held at the Cross church, Georges Valley, Sat., June 24, 7:30 p. m.

Mrs. Frank Foreman, of State College, was the guest of her sister, Mrs. L. R. Lingle, in Centre Hall, the beginning of this week.

Samuel Shaffer Dead.

Samuel Shaffer, of Rebersburg, died Tuesday morning. Interment today (Thursday.)

Lost to Phi Kappa—9 to 7.

By the score of 9 to 7, Centre Hall lost the Memorial Day baseball game on Grange Park, to the Phi Kappa fraternity team, composed of Penn State students. The local team played an erratic game, good pitching going for naught. The team showed a decided reversal of form from that displayed last Saturday, and instead of winning handily, suffered their first defeat of the season. No box score was available.

Cadets' Great Ride.

Two hundred and fifty senior cadets of Victoria, B. C., have recently completed a 1,400-mile ride on bicycles, bearing dispatches from the state commandant to the minister for defense. The small riders averaged more than 14 miles an hour, and they completed their task 6 hours and 23 minutes ahead of schedule. This fine performance roused public interest in the new system of cadet training, which has taken the place of the monotonous drill-yard evolutions. Australia is training its youngest soldiers in camaraderie, self-sacrifice, alertness and a love of athletics. The story of the 1,400-mile ride against unexpected obstacles has set a standard which will not be easily forgotten by the Australian boys. While the dispatch ride has done much to direct attention to a happier system of training, it has also served to awaken the interest of fathers and elder brothers.

Eggs From the Orient.

A train of 25 cars, loaded entirely with Japanese and Chinese eggs, left Vancouver, B. C., the other day, bound for New York. The train was made up of nine earloads sent over from Seattle to be attached to sixteen earloads of eggs from the steamer Empress of Russia. The eggs from Seattle were delivered by Japanese liners. The eggs, with the exception of 1,500 cases for London, England, and 1,000 cases for Montreal, were all consigned to New York. The shipment to the latter point consisted of approximately 17,500 cases of 30 and 36 dozen each, or about 6,500,000, more than an egg for breakfast for every man, woman and child in New York city.

Economy Carried to Excess.

A short time ago, on seeing a man who was sitting beside me in a cafeteria "get away" with a large hamburger sandwich in three bites, all "mind your own business" policies were cast aside and I remarked, "You must intend to catch an out-of-town train; you are in such a hurry."

He came back with, "Oh, no. You see every one's stomach requires a certain amount of meat and it is known that by gulping it it takes longer to digest. As meat is high I eat this way and by so doing I have to eat meat but every third day."—Exchange.

Past the Academic Stage.

"Should women smoke?" asked the man who likes to theorize. "That isn't the question any longer," said Mr. Gadspar. "No?" "What we've got to decide now is whether or not the additional fire risk caused by women smokers will justify the insurance companies in raising their rates."—Birmingham Age-Herald.

I would not take \$1,000 for what that wonderful Tanlac medicine has done for me," said Mrs. Mattie Lutes, of Lexington, Kentucky. Sold by Centre Hall Pharmacy.

BOALSBURG.

Harry Ishler is riding around in a new Durant auto. John Derner is proud of a Cleveland-Six touring car, recently purchased.

Sunday evening at 6:30 the P. O. S. of A. of Bellefonte, held a memorial service for their departed ones now resting in the cemetery here. They were led by the Lemont brass band; addresses were made by Rev. Schmidt, Hugh Taylor and Clement Dale. A big number of people were gathered in the cemetery to enjoy the services.

Memorial Day services in honor of our dead heroes were conducted on Tuesday evening at 6 o'clock. The parade formed at the diamond and was made up of soldiers, Sons of Veterans, the children, Knights of Malta, and I. O. O. F., headed by the Lemont band. The cemetery was in fine condition, the grass all mowed under the man-

agement of A. W. Dale, assisted by Calvin Riley.

Over Memorial Day we observed many people from far and near who formerly had their home here and who came to spend a few days where their hearts longed to be. Among these were Samuel Kanapp, Samuel Kaup, Frank Brown, Wm. Meyers, Mrs. Ella Stare, Irvin Johnson and wife, Mrs. Christ Meyer, Mrs. John Fisher, Frank Fisher, Mervin Kuhn, wife and daughter Mildred, H. Felty.

No complete investigation of the apple orchards in this vicinity has been made, but those examined will yield but very few apples. When the trees blossomed it was thought by many hereabouts that the apple crop would be a bumper, but later there were unmistakable indications that the first judgment was in error.

KESSLER'S

IT ISN'T a difficult thing to appreciate fully just why we are all worked up about the New SPRING MERCHANDISE now on view in our store.

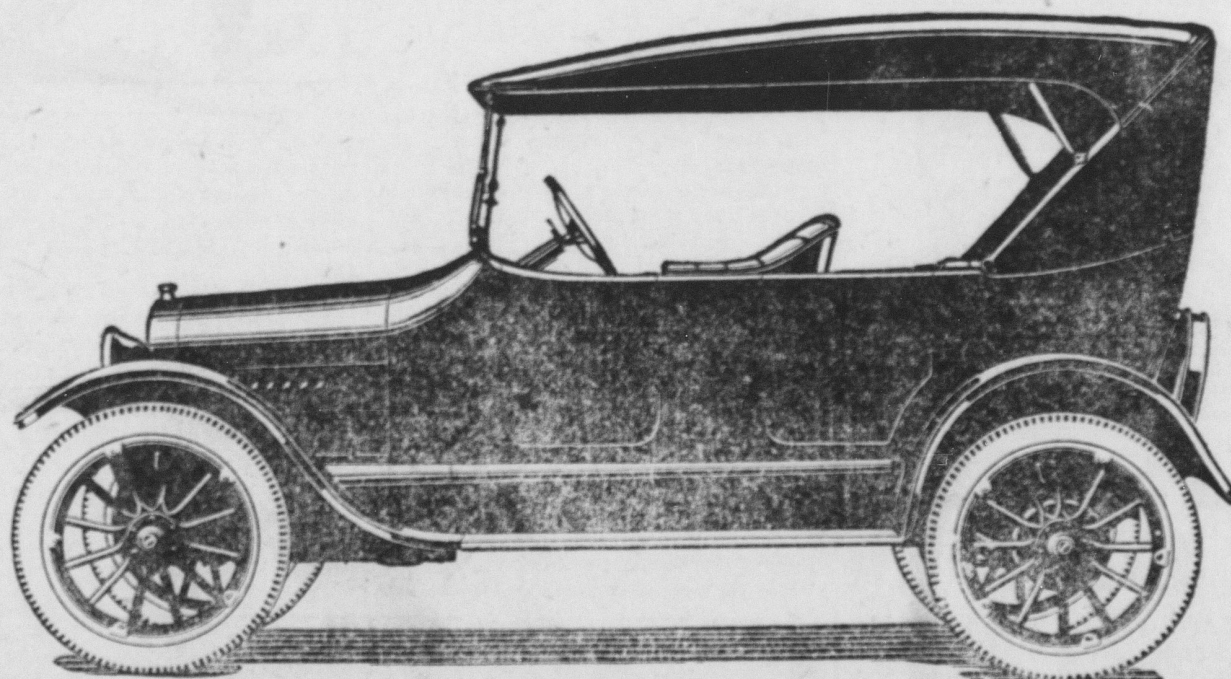

There have been few seasons when either the fabrics or models were as attractive as these. In fact we do not see how it would be possible to give more in style or value than we give in this collection. There are novelties, quite natural, and staples for quiet wear.

IN SHOES have every wanted perforation, stitching or finish. Some people want a shoe that is distinctive in looks; some like them severely plain. But all want them to be comfortable always. We can fit you properly, and at a price that you will approve.

Come in and see—no obligation implied—we are glad to see you.

MILLHEIM PENN. **KESSLER'S** DEPARTMENT STORE

Superior Chevrolet Features

\$525 F. O. B. DETROIT

FRONT AXLE

- 1—Steering knuckles have been provided with large grease cups mounted on the side of the barrel. This insures positive lubrication to upper and lower bushings.
- 2—Hard rolled bronze steering knuckle bushings reduce wear. They will not "rust up."
- 3—Steering knuckle king bolts have been made larger—from one-half to nine-sixteenth inch diameter. This gives larger bearing surface, insuring longer life.
- 4—Steering plain arms have been redesigned, having a heavier section and made with a tapered shank where they attach to the steering knuckle. This increases its strength.
- 5—Tapered roller bearings are used in front wheels—reducing friction.

CLUTCH

- 1—Transmission supports are drilled in position on each motor and held firmly with heavy drive fit bolts and

REAR AXLE

- 1—Heavy spiral ring and pinion gears are used, eliminating breakage and insuring quiet running.
- 2—The pinion gear is provided with a hub which fits into a heavy duty annular bearing. This gives support to the gear at a point where it is most needed.
- 3—The length of the taper on the propeller shaft has been increased, insuring positive locking of pinion gear.
- 4—An improved propeller shaft thrust bearing is used to carry the driving thrust.

BRAKES

- 1—The service brake has been connected to the former emergency brake pedal. A longer lever has been placed on the axle, which increases the leverage, giving greater braking action.
- 2—The emergency brake has been connected to a hand lever mounted on brackets attached to the transmission case. The latch and sector are of heavy construction, insuring that the brake will remain "set" until released by hand.

SPRINGS

- 1—The front and rear springs have been regarded to give easier riding.

ASSEMBLY

- 1—New and improved methods of assembly have been devised, which insure positive inspection of all assembly operations.

The First National Bank
Centre Hall, Pa.

We have purchased the most modern type safe deposit boxes which we will place in our vault and which you can rent for a very reasonable charge. You cannot afford to be without the protection for your valuable papers, etc., that our modern vault and safe deposit boxes afford. We further protect you by insuring the contents of your box against burglary and robbery.

This is another service we are glad to render to the community.

Opening date will soon be announced.
