DEATH RECORD.

BRUNGART.—Mrs. Sidney Brungart, born Aug. 5, 1842, married first to Sylvester Gramley, who died July 1, 1868; to this union were born three children—Ira, of Millheim; Mrs. Alice Auman, of Millheim; and Mrs. Wm. Louder, of Howard, with whom the subject of this sketch lived for the last few years and died there. She was married the second time to John Hoy, of Hublersburg, who died years ago. To this union one son, Edward, was born. The deceased was a member of a family of twelve children; four preceded her to the realms above, seven survive: Mrs. Alice Sholl, of Smulton; Newton, of Lewisburg; Cyrus, of Centre Hall; Mrs. James Wert, of Anronsburg; Clayton, Jeremiah and Ira, of Rebersburg. Also, all her children survive. Deceased was aged 79 years, 8 months and 6 days. She was a member of the Lutheran church and was faithful and loyal to her vows and to her God.
Burial services were held Tuesday morning, conducted by Rev. R. F. Gass at the home, concluded in the Lutheran church at Rebersburg by Rev. W. J. Shultz and Rev. Dingman. Interment in the Lutheran and Reformed cemetery at Rebersburg.

WINGARD.—John Samuel Wingard died at the home of his sister, Mrs. Roy Miller, near Colyer, where he made his home during the past few months, on Friday morning. He had been in delicate health for some time, but the direct cause of his death was due to numerous bee stings obtained while attempting to hive a swarm of bees. Had the deceased lived until October 10th, he would have attained the age of sixty-three years. He was unmarried and was a son of Samuel Wingard. There survive him these four sisters: Mrs. Miller, named above; Mrs. Alvin Stump, Centre Hall; Mrs. Robert Bloom, Bellefonte, and Miss Dorra, Colyer.
Interment was made at Tusseyville on Tuesday morning, Rev. Melvin C. Drumm officiating.

UHL.—John Henry Uhl, for a number of years past a well known resident of Pleasant Gap, died at his home in that place. For the past year or more he had been a sufferer with dropsy and Bright's disease with the result that his heart became affected and his death came suddenly.
He was a son of Christ and Nancy Uhl and was born just east of Bellefonte in Spring township on July 9th, 1860, hence was not quite sixty-two years old. His entire life was spent

in this section of the county, for six years or more prior to his retirement he having had charge of the concrete work at the Bellefonte fish hatchery. He was married to Miss Emma Gettig who survives with one son, W. Roy Uhl, of Pleasant Gap, who is employed at the Lauderbach-Zerby wholesale grocery in Bellefonte. He also leaves three sisters, Mrs. John Forcey, of Wilkes-Barre; Mrs. William Kerstetter, of Pleasant Gap, and Mrs. John Long, of Bellefonte.
Dr. A. M. Schmidt, pastor of the Reformed church of Bellefonte, had charge of the funeral services which were held at his late home on Saturday morning; burial in the Lutheran cemetery at Pleasant Gap.

STRATTON.—Abel Stratton, probably the oldest resident of Nittany Valley, died at the home of his daughter, Mrs. Mary Tressler, of Nittany, following an illness of several months with arterio-sclerosis. He was a son of Mr. and Mrs. John Stratton and was born in England on January 19th, 1826, hence had reached the extreme age of 96 years, 4 months and 12 days. He was an engineer by occupation and was well known throughout lower Nittany valley. Funeral services were held at the Tressler home, burial being made in the Cedar Hill cemetery.

Bellefonte Youngsters Trimmed
Two of the three games of baseball played by the Bellefonte and Centre Hall boys of grammar school age were won by the latter. The last game played was on Monday afternoon, on Grange Park, the score being 14 to 6, the local team being the winners. The players are fairly well matched as to size and age, but it appears the local boys have a somewhat better conception of the game and are able to do a bit better stick work. Some of the Bellefonte lads are sure in their places except when facing the pitcher.
The visitors were accompanied by some of the Bellefonte school authorities and by a dozen others who possibly had a deeper interest in them. They were on good behavior and took the kidding from the side lines in good humor, convinced that they were, for the day at least, the inferior team.

Brooks' Reunion on Grange Park.
The Second Annual Brooks' Reunion will be held on Grange Park, Centre Hall, Saturday, June 17th. It will be an all-day affair.
A cordial invitation is extended to the public to be present and spend the day with us.
Richard Brooks, Pres.

W. S. White Mill Burned.

What was formerly the Humes grist mill, between Axe Mann and Bellefonte, was completely destroyed by fire early Tuesday morning. The fire was first discovered about 1:30 a. m.

The old Humes mill, a large stone structure, was purchased by Wallace S. White about six years ago and was fitted out with modern machinery for the manufacturing of flour and feed, and was electrically equipped with power. The mill has since been operated by Mr. White, his son, Curtis White, assisting him.

The cause of the fire is unknown. There had been no fire at the place the day previous. The Bellefonte fire company responded to the call, but the flames were too far advanced to be brought into check.

There was insurance in the Grange company and in one or more other companies. The loss or amount of insurance was not ascertained.

Big Barn Near Hublersburg Burns.

A large barn on the William Harshbarger farm, near Hublersburg, was struck by lightning about 2:30 o'clock Sunday afternoon and burned to the ground. The stock was saved, but some farm machinery was lost.

POTTERS MILLS.

Squire Carson spent a day in Nittany on business.

Mr. and Mrs. Henshall, of State College, are visiting at the John Wilkinson home.

Mrs. Orvis Horner and children spent Sunday with her mother, Mrs. McClenahan.

Mrs. Edward Royer and daughters, of Altoona, are visiting at the W. W. McCormick home.

Fred Makelin and lady friend, of Greensburg, are staying with Miss Lizzie Slack for a few days.

Mrs. Lyman Treasat and daughter, of Millroy, spent Sunday with J. R. Smith.

John and William Smith, of Spring Mills, and Boyd Smith, of Penn Hall, were here to see Emanuel Smith, who is in very bad health at present.

Jesse McClenahan was home for a day. He is working at Millertown, where he expects to move his family in a short time.

ATTENTION VETERANS.

If you served ninety days or more in the Spanish-American War, the China Relief Expedition, or in the Philippines prior to July 4, 1902, you will be interested to know Congress has passed a Pension Law of vital interest to you.

This law contains two provisions: 1st, it allows pensions to all ex-soldiers,

sailors and marines with the above service record who were honorably discharged and who are now over sixty-two years of age; 2nd, it allows pension to those who are at present materially disabled from earning their living by manual labor from disease, if the disability be not the result of their own misconduct. Such disability must be permanent but need not be total. It need not be the result of military service. The soldier does not have to be sixty-two years of age to claim on disability. The amount of pension depends upon the degree of disability and ranges from \$12.00 to \$30.00 per month. Widows of veterans are also allowed pensions.

The Centre Reporter, \$1.50 a year.
