a New "USCO"—
Better, Heavier, Longer Wearing
30x3 1/2—\$10.90 No Tax added
on Sale Now

The New & Better "USCO" \$10.90

USCO set the high value mark for 30 x 3 1/2 tires when it originated the \$10.90 price last Fall.

USCO today betters that mark with a new and greater USCO—an USCO improved in many important ways.

For instance, a thicker tread—with a sure hold on the road—thicker side walls, adding strength and life to the tire.

And the price is \$10.90—with the tax absorbed by the manufacturer.

Men have always looked to USCO for the biggest tire money's worth on the market.

They always get a bigger tire money's worth than they expect.
