Apollo Entertainers—October 28.

The Apollo male quartette, of Berwick, will appear in Grange Arcadia, Centre Hall, on Saturday evening, October 28th, at 8 o'clock, under the auspices of the Men's Bible Class of the United Evangelical church. The admission price is 20 and 30 cents.

The Apollo entertainers come highly recommended and will give a delightful program, sure to please everyone. There being no lecture course offered the public this season, the Apollo entertainers will prove a very good substitute as a musical number as found on a regular course.

The proceeds of the entertainment, for the greater part, will be used to remodel the local Evangelical church, and since the appeal is so worthy a one, the entertainers should be accorded a full house.

CATARRHAL DEAFNESS

is greatly relieved by constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and assisting Nature in restoring normal conditions. Circulars free. All Druggists.
