F. C. STOUGHTON DEAD.

First Supervisor on L. & T. Passes Away at His Lewisburg Home.

Frank C. Stoughton, a retired Pennsylvania railroad employee, died at his home in Lewisburg, Saturday, as the result of a sudden attack of heart failure. Mr. Stoughton, who was past 75 years of age, enlisted in Co. C at Lewisburg, at the age of 19 and served throughout the period of the Civil war. He was commander of Andrew G. Curtin post, No. 52, G. A. R., at the time of his death.

He entered the employ of the Pennsylvania railroad in 1868 and served in various capacities until 1891 when he was made supervisor of the Lewisburg and Tyrone branch, serving in this position until 1913, when he retired after a period of 54 years.

He was married to Miss Julia Montgomery in 1869 and his special wedding car was the first to pass over the lines from Lewisburg to Montandon. He was the oldest member of the Lewisburg Presbyterian church at the time of his death.

Mr. Stoughton is survived by his wife and the following children: Miss Anna, at home; Mrs. Elizabeth Creager, of Plainfield, N. J.; Mrs. Rebekah S. Hill, of Scranton; Mrs. Margaret S. Meyer, of Lewisburg; Thomas R., of Jeanette; August Jr., of Covington, Va., and Mrs. Christy Mathewson, wife of the former Bucknell athlete and world famous baseball pitcher, who has been fighting a heroic battle with tuberculosis at Saranac Lake. Five sisters also survive.

The funeral was held at his home at 3 o'clock Wednesday afternoon.

Perry O. Silver Dead.

Perry O. Silver, a native of Potter township, died Wednesday of last week at his home in Freeport, Illinois. He had been ailing for the past two years but seemed no worse than usual. He had swept the snow off his walk and was sitting in the parlor talking to his wife when she noticed that he had fainted. Before medical aid could be summoned he was dead.

Mr. Silver was prominently connected with the educational, political, social and industrial affairs of Stephenson county, Illinois, in which county he lived for the greater part of his life after leaving Penns Valley in 1876. For eight years he was county superintendent of schools, having been elected on the Democratic ticket in a Republican county—the county superintendent being elected in Illinois by popular vote.

In 1904 he purchased a half interest in the Daily and Weekly Freeport Bulletin and engaged as one of its editors until his retirement to private life some few years ago.

During 1889 he was a candidate for state superintendent of schools and received a vote much in excess of that of his party.

Mrs. Silver, before marriage, was Miss Effie Mingle, a resident of Lock Haven. They were married in April, 1891. They had no children.

Interment was made in Freeport on Friday afternoon.

Mrs. Bell Ward, of Bellefonte, is an only surviving sister.

DECKER.—William Decker, of Hubbersburg, passed away at the home of Mr. and Mrs. Edward F. Kane, of Bellefonte, with whom he had been residing. He had been in failing health for some time, due to advanced age. His age was 80 years, 5 months and 28 days. He was born on a farm near Hubbersburg where he resided most of his life. In his early days he was a school teacher in Walker township.

Deceased is survived by Emma Decker, his wife; Laura and Roy M. Decker, children, and Mrs. Kathryn Gephart, of Millheim, a sister. Funeral services were held at the home of Miles and Joanna Decker, Bellefonte, Friday. Interment in the Hubbersburg cemetery.

KERSTETTER.—At the home of his son, Jacob, at Coburn, the spirit of Adam L. Kerstetter took its flight to the better land. He was tubercular for many years, yet not until last August when dropsy and other complications set in, was he unable to ply his trade, which was that of carpentering. He was born June 26, 1854, hence was aged 68 years, 6 months and 26 days.

His wife preceded him in death many years ago. Surviving are, one son, Jacob, with whom he spent his later years, and three grandchildren, Glen, Edna and Thomas.

Funeral services were conducted by his pastor, Rev. C. B. Snyder, Thursday forenoon of last week in the Evangelical church at Coburn; interment in the Paradise cemetery.

CENTRE COUNTY MEN BANQUET AT F. AND M.

Ten Centre County Students at Franklin and Marshall Banquet by S. V. Hosterman.

Saturday evening was a time not only of reunion of old and young, but an occasion of extreme rejoicing on the part of Centre county men at Franklin and Marshall College, Lancaster, as well as alumni of the same vicinity. It was at this particular time that Hon. Sumner V. Hosterman, a graduate of Franklin and Marshall, and at present Assistant District Attorney of Lancaster county, formerly of Centre Hall, banqueted the Centre county men enrolled at Franklin and Marshall, at his residence. In the words of the host the banquet was given in honor of the creditable showing that the Centre county men have made at the college during the semester just ended.

The affair was an immensely elaborate and fashionable one as well as one that will not soon be forgotten by those who were present and participated in the partaking of the layout. The menu consisted of oyster cocktail, roast turkey, mashed potatoes, creamed corn, jelly, cranberry sherbert, ice cream, cake, nuts and candies, and coffee, followed by cigarettes and cigars. An innovation was introduced when the ice cream was served in forms consisting of vegetables, flowers, animals, automobiles and the like. In the words of those present the layout was one that has not been equaled in a long time.

Following the banquet the host gave the boys a very interesting talk in which he portrayed many events of the days when he was in college and compared them with the ones that are happening in college at the present time, as well as showing the wonderful progress that old Centre county is making at the institution. In addition he pointed out how the college has grown in recent years and ere we are aware of it, it will be converted into a university. Charles Robb, a senior at the Seminary, spoke in behalf of the boys and expressed their sincere appreciation to Mr. Hosterman, and spoke of him as a father to the Centre county lads.

Those present were: Charles Robb and Albert Robb, of Howard; H. H. Keller, K. F. Miller, of Centre Hall; Roy Lambert, of Rebersburg; L. V. Meyers, R. W. Meyers, and Carl Windleblech, of Coburn; John Kurtz, of Howard; and Richard Goheen, of Boalsburg.

December and January Snow—46 In.
The snow fall for the months of December and January, up to and including Sunday's fall, foots up a total of forty-six inches. Eleven inches fell in December and thirty-five in January. Some of the first snow now lies next to the ground. There has been little shifting of the snow on account of wind, yet travel is pretty largely through fields.

Heverly—Close.
At the residence of the bride's mother, Mrs. Jane Close, Boalsburg, on the 29th of January, a very pretty wedding was solemnized when her daughter, Miss Rebecca, and Charles W. Heverly were united in wedlock by Rev. S. C. Stover. The ring ceremony was used. The family and a few immediate friends witnessed the wedding. After congratulations they were taken to Bellefonte by Charles Cori, and took the train for Washington, D. C., and other eastern cities. Both bride and bridegroom are employed in Gentzel's store, State College, and are excellent young people.

Wm. Tennis has bought the home of Mrs. Margaret Riley at the west end of town, and is now busy changing the stable into a garage. Mr. Tennis will move into his new home in the spring.

On Friday evening the Knights of Malta conferred the Black degree on a class of seven members. There were 37 Companions present; after the close of the meeting refreshments consisting of hot water sandwiches and coffee were served.

Rev. Stover will meet his catechise class on Saturday evening at 7:30 in the S. S. room. Parents should see to getting their children there, and have them instructed in the catechism and doctrine of the church.

H. M. Hosterman's S. S. class of the Reformed church—a class of women—are making bed covers for the Orphans Home at Womelsdorf. A sled load spent Tuesday at E. C. Rossmann's home, doing some of this work there. Their efforts are commendable.

The knock we all like to hear is that of opportunity.
