

REBERSBURG.

Lagrippe has taken a firm hold on people here, over half the population being afflicted. On Friday morning while Mrs. William Hubler was on her way to the C. L. Gramley home to be present at a quilting, she slipped on the icy walk and fractured her arm at the wrist in falling. Dr. Frank was summoned at once and he reduced the fracture. Mrs. Curtis Behry and small daughter were seriously ill the past week, but at this writing both are on a fair way to recovery. Willis Best had sale of his farm stock and equipment on Saturday and will leave with his family for Jeanette where he has found a lucrative job. Charles Waite, of Lewisburg, spent over Sunday under the parental home at this place. Rumor has it that Wilbur Brungart bought the Winters home and will occupy it in the spring. Rev. Shultz has tendered his resignation as pastor of the Lutheran church, to take effect March 28. William Hubler has been confined to the house the past two weeks on account of illness.

POTTERS MILLS.

Mrs. Henshall, of State College, spent a few days with her mother, Mrs. Wilkinson. George Condo took his wife, who had been sick, to Johnstown where she will remain for some time. Those on the sick list are Henry Foust, Frank Palmer, Harry Wilkinson, Mrs. Rhoda Zettle and two children, and Mrs. James Moyer. C. S. Thomas, Ruth S. Thomas and son William spent Sunday at the Michael Smith home. The saw mill is on a standstill on account of the recent cold weather. John Bitner received a radio outfit from his brother, Charles Bitner. He says it works fine.

MILLHEIM.

(From the Journal.) Miss Jennie K. Reksnyder on Saturday went to Freeburg, where she will be the guest of her friend, Mrs. C. W. Bassler, for several weeks. Fred A. Snyder, who is employed in the woolen mills at Lewisburg, spent Sunday with his father and mother, at the Porter G. Snyder home. John F. Wilber, who is employed in the railroad yards at Williamsport, spent several days last week at the H. C. Frankenberg home, near Millheim. E. H. Hazel, of near Sandusky, Ohio, is visiting relatives at Madisonburg, having been called east to attend the funeral of his mother, Mrs. Ira G. Hazel. Mr. and Mrs. C. E. Lykens, of Philadelphia, were arrivals in Millheim last Friday. Mr. Lykens spent until Monday afternoon looking after his interests in the local knitting mills, while Mrs. Lykens is a guest at the S. W. Gramley home during the week. Robert F. Vonada, a former resident of Coburn, after spending about a year in Reading, last Thursday appeared in Coburn and has since been visiting there and at Millheim. In about a week Mr. Vonada expects to go to St. Joseph, Mo., to live with his son, Guy C. Vonada.

The First National Bank Centre Hall, Pa. A Teakettle Bank in a Cornfield A sly old fellow was Farmer Brown. Hard working, honest, saving—but no faith in any one but himself. He placed his hard earned savings in an old teakettle which he hid in his cornfield. It was discovered by tramps—sorrowfully he learned that it was no place to keep money. What does it profit a man to save his money and hide it in a teakettle! Of course very few people today literally place their money and faith in old teakettles, but countless numbers are still banking their hard earned funds in the old kettle of indifference without even thought of the oncoming tramps who so often discover its hiding place. Your money and valuables should be properly cared for. Discard teakettles and let us show you the wisdom of making this bank your regular depository either in a savings or checking account, and by the use of our safe deposit facilities and place it out of reach of the tramps.

CATARRAL DEAFNESS is greatly relieved by constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and assisting Nature in restoring normal conditions. Circulars free.
