

REBERSBURG.

William Bair spent Sunday with his son, Harry, in Altoona.

Charles Beirly, of Smulton, is the owner of a new car.

Thomas Confer moved on Thursday from Sugar Valley to Smulton into John Styer's tenant house.

Mrs. Sidney Krumrine, who sustained a paralytic stroke several years ago and who has since been in a helpless condition, is in critical shape.

Mrs. Pauline Beirly, widow of Reuben Beirly, died on Friday at her home in this place. She was buried on Tuesday in the Lutheran and Reformed cemetery, here.

Mrs. Sarah Wolfe, widow of John Wolfe, died on Thursday of infirmities due to old age. She was one of the oldest residents of the town and was blind for several years.

On Sunday Samuel Mowery and two sons, and Elmer Miller and wife, motored to Sunbury where they called at the home of Randel Miller, son of Elmer Miller, whose child is seriously ill.

Mrs. Jordan, who was called from her home in Iowa several months ago to attend the funeral of her father, Snyder Miller, left for her western home Monday. Her mother accompanied her home, expecting to spend the summer in the west.

Mrs. Pieta Meyer, widow of the late David Meyer, who is making her home with her son Henry at this place, suffered a paralytic stroke one day last week which paralyzed the right side of her body and also affected her speech.

Second Annual Conference.

Plans are being completed at Penn State College for the holding of the second annual conference of the older boys of Centre county under the auspices of the student Y. M. C. A., on April 20, 21 and 22. The object of the conference is to bring to the boys a realization of their responsibility to their community and a desire for more active Christian service. Many prominent speakers have been secured for the gathering, and the boys will be entertained at the various fraternity and boarding houses in the town. More than 80 attended last year's conference.

After Eight Weeks Chicks Must Have

Conkey's

THE ORIGINAL (230)

BUTTERMILK Growing Mash

If you expect to have early broilers and layers. It is a wonderful bone and flesh developer. Low in fibre and just right in protein. Remember, growing fowls need a different feed. They must have more protein than little chicks can stand.

For the First Eight Weeks Your Chicks Should Have

Conkey's

THE ORIGINAL

Buttermilk Starting Feed

It prevents the big losses due to weakness and disease and gives chicks a flying start. It is made by the Original Conkey Process, in which semi-solid Buttermilk is thoroughly incorporated with the other ingredients.
