WON TWO—ALMOST.

4½ Innings at State College Found Centre Hall Ahead, 6 to 3.—Umpire Calls Game Account Darkness.—Belleville Trimmed, 9 to 6.

Five minutes more daylight would have meant a perfectly good victory over State College last Thursday evening, on the State field. As it was, Umpire Lomberger called the game in the last half of the fifth when State was at bat with one on base and none out. The score stood 6-3 in Centre Hall's favor, and with McClintic going strong, State's chances for scoring were slim, indeed. The umpire—a State sympathizer—was censured for calling the game at this juncture, which was a blow to the Centre Hall team. The visitors were on the ground at six o'clock and had the game been started at once, the legal five innings could have been played. It is now up to the league officials to decide whether the game shall be played out, that is, taken up at the point where it terminated Thursday evening, or if an entirely new game shall be played. The former procedure is considered the fair one, and local players and other interested ones will demand that this be done.

Defeat Belleville—9 to 6.

On Saturday afternoon, on the home grounds, Centre Hall took a fall out of the league leaders—Belleville—by outplaying them and scoring a clean-cut victory by the score of 9 to 6. Harry Gross, who only a week previous sprained his ankle and appeared to be lost to the team for the remainder of the season, was in the box and pitched fine ball up to the eighth inning, to which time only three hits were gathered off his delivery. Three hits in the eighth resulted in three runs, but a few costly errors helped. Three more hits in the ninth scored two more, but the big lead the locals had gained gave no cause for worry. Gross' hitting was also a feature. Three times he delivered with men on bases, driving in five runs.

Bob Long held no terror for the local batsmen and his offerings were hatted to all corners of the lot—also outside the lot. One of Gross' hits cleared the right field fence but ground rules held it to two bases. Newton Crawford also had his eye on the ball, getting three singles and scoring three runs. Every other member of the team hit safe but Bradford and Emery, Bradford's work on the defense was noteworthy. "Shorty" Dale, a recent acquisition to the team, played fine ball. His appearance on the team earlier in the season would undoubtedly have turned a number of games lost by one run into the "won" column.
