THE END OF A PERFECT DAY

Many, many things go into making of a perfect day. Very, very few of us can look back on any of our yesterdays and call them perfect. We've made mistakes. Most of our sins are of OMISSION rather than COMMISSION. Especially is this true in a financial way.

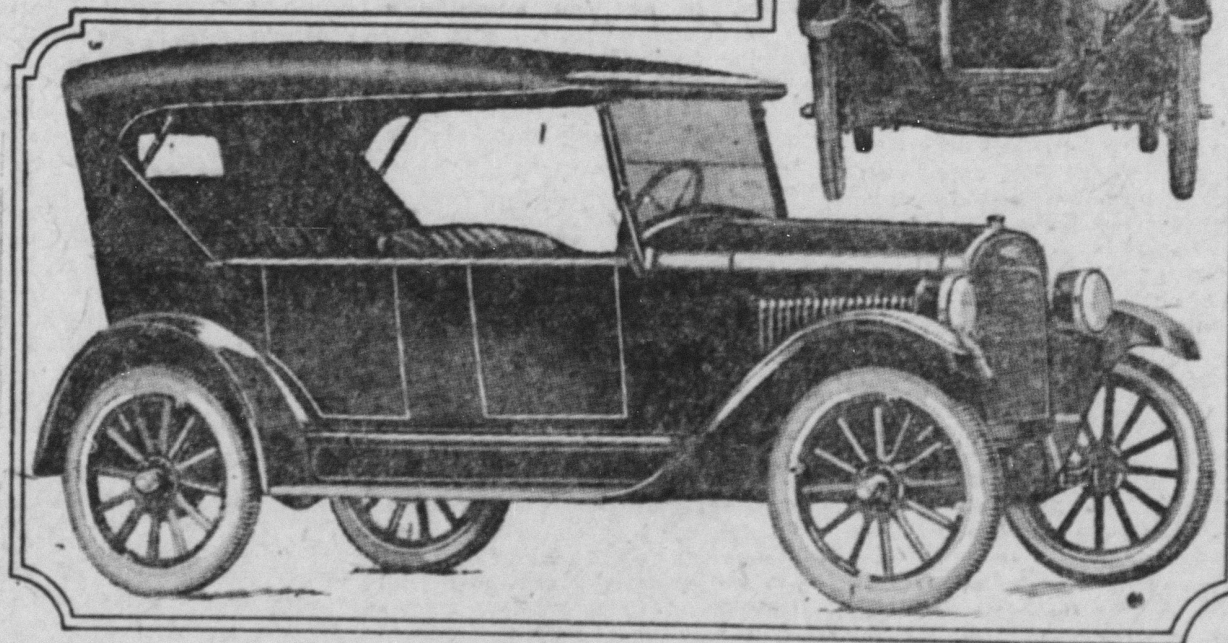

We neglect to save today because to-morrow is going to be more convenient for it. BUT IT WON'T. The time to cure our 1924 financial troubles is in 1923.
