Lutheran Believe Bible Inerrant.
The Lutheran Church stands, first of all, for the Bible, the whole Bible, and nothing but the Bible. Says Thomas Carlyle: "The period of the Reformation was a judgment day for Europe, when all the nations were presented with an open Bible." Since the time when Martin Luther discovered that dust-covered copy of a complete Bible, chained to the wall of the library of Erfurt, and learned its blessed truths and brought it forth and gave it back to Christendom—ever since that time the Lutheran Church has upheld the Bible as the infallible and sole and sufficient rule of faith and life; and ever since that time the Lutheran Church has defended the Bible against all attacks from within and without Christendom.

The Lutheran Church believes that the sacred writings of the church, both of the Old and New Testaments, are not only certain, but are the inspired Word of God; that God not only suggested to the writers the thoughts, or subjects, on which He desired them to express their personal sentiments, but also, prompted their very utterances, the holy men of God thinking and speaking as they were moved by the Holy Ghost. The Lutheran Church believes and the Bible are the final revelation of truths that the sixty-six books of God to a sinful world, that they are true and inerrant in every part; that they are the only form by which Christian life must be determined.

The Lutheran Church therefore, has no room for higher criticism and rationalism, evolutionism, and pseudo-science, which are attempting to destroy this old Bible page by page, and would have us inquire each morning as we read the latest news, "Where is the Bible to-day?" "How much have Professor This or Doctor That, after their latest researches, left us of the dear old Book?"

MEXICO HAS \$20,000 BLAZE.
Junata County Village Is Half Destroyed—Lewistown Pumpers Give Aid.
Fire of unknown origin destroyed half the village of Mexico, Junata county, between 11 and 12 o'clock Monday night. The flames began in the barber shop and storeroom owned by D. B. Rumbaugh and occupied by Clyde Turbett and quickly communicated with the dwellings of William Rauch, the Evangelical parsonage occupied by Rev. Walsh, Samuel Bashore's single dwelling and the double dwelling owned and occupied by Ambrose Martin and Mrs. J. Hostetler.

Aid was asked from Mifflin and Mifflintown, but neither is equipped with motor apparatus and a hurry call was sent to Lewistown. Five minutes later three motor-driven pumpers were started on the 16-mile trip. The Lewistown Junction company's pumper collided with an automobile near the scene of the fire and William Folk, 17 years old of Lewistown, sustained a fracture of the right thigh and several other firemen were slightly injured. Claire Turbett, of Mexico, was overcome by smoke and gas and was taken to the Lewistown hospital.
The loss will exceed \$20,000 and is partly covered by insurance.

Stockholders of Local Bank Meet.
The annual meeting of the stockholders of the First National Bank of Centre Hall was held on Tuesday. This meeting is held for the election of directors and the transaction of such other business as may come before it. At this meeting the various reports of the bank's activities are given, in which the stockholders rightly manifest great interest. They also have an opportunity to offer suggestion or criticism and above all get an opportunity to meet their partners.
The cashier stated that the most essential thing for a bank, as well as for any business, is the good will of the stockholders and the people of the community, which is shown in the growth of the institution.
The number of new accounts opened and amount of deposits have doubled since past annual meeting, which speaks well for the banking service rendered during the year.
