

FARM CALENDAR

Timely Reminders from The Pennsylvania State College

Legumes for Dairy Calves—The importance of alfalfa or red clover in the ration of the dairy calf has long been recognized.

Clover Seed—There is much imported red clover seed on the market. Experiments at the Pennsylvania State College indicate that as a rule foreign clover seed is not as good as home grown seed.

Bracing the Apple Trees—The open winter has made the job of pruning the apple and peach trees less difficult than usual.

Starting Garden Plants—Gardeners who start their cabbage and lettuce plants in hot beds or green house and harden them off in cold frames should plant their seed at once if they have not already done so.

The Drainage—The spots in the wheat field now covered with ice or water will produce a crop of weeds next summer if the wheat is killed.

Ordering Lime—Now is the time to order lime for your spring crops. Don't wait until the last minute and expect to get in on time.

SPRING MILLS

Mrs. John Horner is able to be about again after a short illness.

Chicken pox has visited most every family.

Steds were in demand on Monday morning.

Mrs. Robert Finkle has been quite ill.

A letter from Miss Orpha Gramley at Delaware, Ohio, says her mother is improving slowly.

The Reformed Sunday-school held a socky at the home of Mr. Bohn. All had an enjoyable time.

The Reformed congregation are having Mr. Weaver, of Aaronsburg, wire their church for electric light.

The town was in darkness from Thursday morning until Friday afternoon. Coal oil lamps were in demand on Thursday night.

The many friends of Dr. Michael Feidler, of Millheim, were shocked to learn of his death.

After More Revenue.

That horse-drawn vehicles be licensed as well as motor vehicles was the suggestion made at the convention of the township road supervisors of the state.

Tonight (Thursday) the athletic association connected with the Centre Hall high school will give a play entitled "The Deacon" that you will want to see.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions.

HALL'S CATARRH MEDICINE is a Tonic and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and assisting Nature in restoring normal conditions.
