

**LOCAL AND PERSONAL.**

Mr. Webb, a section foreman who has been located at Lemont for some time, has been transferred to Berwick, his old home. His successor is from Renovo.

Mr. and Mrs. Clyde Bradford visited the Bellefonte hospital, on Saturday, and found their daughter, Miss Catharine, who had been operated on for appendicitis, getting along fine.

The Easter vacation period, as being spent at home by Miss Mary Bingman, a student in Albright College, Myers-town, and by Miss Elizabeth Royer, a student in West Chester State Normal, at West Chester.

This local appeared in the Belleville items printed in the Lewistown Gazette: Mrs. Andrew J. Crozier has returned from a week's visit to Saxton, where she was the guest of Mr. and Mrs. Luther Crozier.

The "No help on the farm" will soon need revision or explanation. For in a bit of travel through the country and villages one can see farmers with large farms to care for engaged in other work altogether foreign to their vocation.

Lewistown Chamber of Commerce and the city council are making an effort to have the State Highway Department adopt the "over the hill" route as an entrance to Lewistown from the north. This route would dispense with various contortions, crossing of the railroad and bridges to all who enter the city from the Reedsville side.

Mr. and Mrs. J. H. Webby, of Lemont, were in Centre Hall on Monday, having come here on a bit of business. Mr. Webby is on the retired list of the Pennsylvania railroad company, having been continuously in the employment of that company for forty years, during thirty years of which time he was a section foreman. In 1889 he located at Linden Hall, having been transferred there from Coburn where he was the head of the crew for three years. He retired in 1916.

**Hall's Catarrh Medicine**

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and assisting Nature in restoring normal conditions. All Druggists. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

Culminating a most successful business career of 30 years, William R. Camp, one of Tyrone's best known merchants, sold his furniture store during the past week to Messrs. C. C.

and J. C. Reynolds, formerly merchants of New Bethlehem. Mr. Camp will enjoy a well-earned vacation from business activities. Mr. Camp was engaged in the same business in Centre Hall before going to Tyrone.
